XAVRONICLE-VOL III

St. Xavier's High School has always aimed at raising responsible citizens and torchbearers of tomorrow. Every year the school makes an effort to spread the elation and bliss to the underprivileged as well. Keeping in mind the plight of the needy in the unrelenting winter season, once again we organized 'CLOTHES DONATION DRIVE' from 20th December till 23rd December 2021, which was bequeathed to the orphanages.

With just one act of kindness, we aim to inspire others to go out and plant seeds of happiness through giving, too. Let's do our bit to reach out to the less privileged ones and make a difference to the mankind - Our little steps, will lead to big results one day!

Minding our Minds

COUNSELLING SESSION

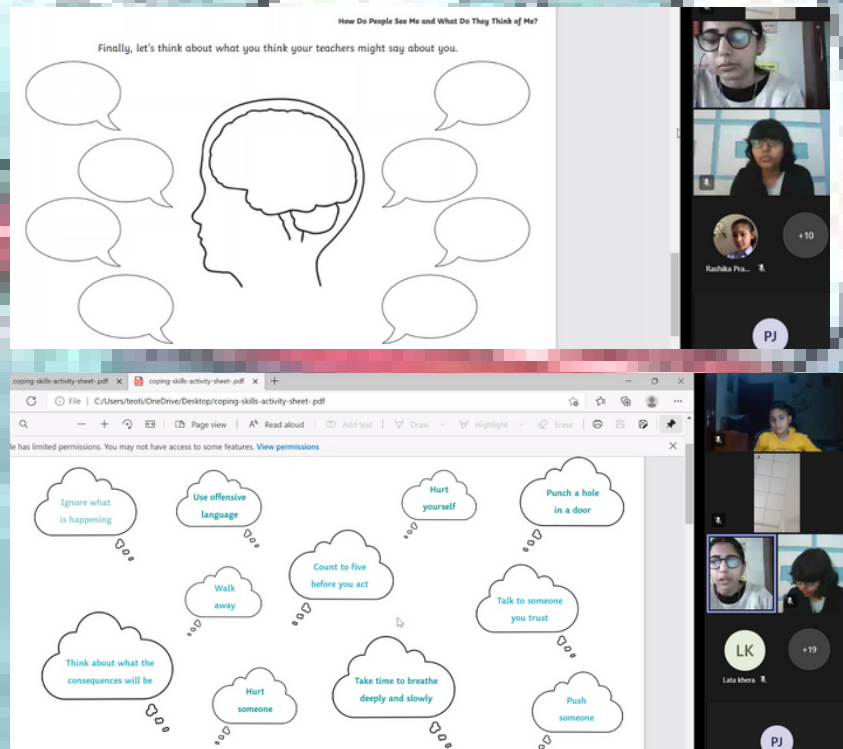

It is believed that a student's social-emotional health can have a direct impact on their academic performance. Every student needs guidance and counselling at some point in their life. It not only provides personality insights, but also offers ways to improve any shortcomings. Counselling develops various characteristics such as increased focus, better EQ, improved mental health, and management skills. For the benefit of the students of Grades VII & VIII, a counselling session with Ms. Nitika Teotia was scheduled in December on the topic 'We are in the Same Storm but not in the Same Boat!'

The Captain that I admire

Vikram Batra is one of the best gallanties.
He devoted his life for our country.

His death is a major sacrifice.
We cannot forget his bravery and uprightness.

The uprightness that you showed at the border,
Makes you the Gallantry Winner.

You thought about your soldier's life,
Not letting anyone of them die.

You bought Premvir Chakra home,
But you, the Veer, couldn't return home.

You will always be in the heart of mine,
Whether it be nineteen ninety nine or twenty ninety nine.

Vikram Batra, I salute you,
As you left your family and friends behind,
No one can ever measure your sacrifice.

You took your enemies tight,
And you were the one who was the captain in the fight.

For your Bharat Bhumi,
You gave your life while laughing,
For our Bharat Bhumi.

Your name meant Veerta,
And you were our Captain Batra.

I promise you today and every day,
I will be grateful to you,
Because of you we are today.

And I give you the word that I will stand up for my Matribhumi,
As bravely as you did,
For the Matribhumi.

Your family and friends proudly declared that,
You were a great fighter and a warrior.

You stood in danger for our nation,
To that I'm really thankful,
For you being the savior.

Thank You!!

Gallantry Awards are given to ~~honor~~ officers, civilians, and forces for acts of bravery and sacrifice. The government of India established gallantry awards to acknowledge acts of bravery and sacrifice by officers and personnel of the armed forces, other lawfully constituted forces, and civilians. These country awards are given out twice a year, once on the occasion of Republic Day and once on the occasion of Independence Day.

Neerja Bhanot is an excellent demonstration of someone who devoted her life to something greater than herself; she risked her life to save the lives of others. She showed courage even in the toughest of the time and was kind to everyone.

~~Bhanot's~~ fearlessness on Paradigm Flight 73 defined her as a virtuous figure because she died saving the lives of hundreds of people including the American and Pakistani one. She inspired generations of Indian citizens especially me to be courageous when faced with a dilemma and to be compassionate with all people, including strangers.

Even though she was killed that day, her legacy will not be forgotten. For ~~Bhanot's~~ acts of compassion she received the Ashok chakra award, an award given to India's most ~~bonsurable~~ people. ~~Bhanot~~ was given this award for her fearlessness and kindness on the flight. ~~Bhanot's~~ act of compassion influences the people of India to be kind to everyone. Despite the fact that she was killed on that heartbreaking day, her legacy will not be forgotten. She is a role model for young people everywhere, and I want to be just like her and help as many people as possible without judging them as American, British, Pakistani or on any discriminating them in any grounds.

RANGOLI MAKING

"The greatness of a culture can be found in its festivals."

The season of Diwali is the season of making rangolis. Brightening up the festival celebrations, Rangoli is also believed to be harbinger of good luck. Though Diwali is known as the festival of lights but making rangolis are also an important and fun part of this festival.

Keeping both, the art form and the tradition, alive; St. Xavier's High School organised an Inter-class event, Rangoli Making Competition on 4th November, 2021 for the students of Grades VII & VIII.

The poster is for a Rangoli Making Competition organized by St. Xavier's High School. It features a red background with colorful rangoli designs on the sides. The text is in white and yellow. The school's logo is in the top left corner. The event is for students of Grades VII & VIII, held on Thursday, 4th November 2021. TECH WHIZ

"Science is a way of life. Science is a perspective. Science is the process that takes us from confusion to understanding in a manner that's precise, predictive and reliable."

In an earnest endeavor to enhance Science as a discipline, amongst the students, St Xavier's High School organised an Online Science Quiz- 'Tech-Whiz' on 28th December, 2021.

The poster for the 'Tech Whiz' quiz features a dark blue background with a glowing atomic model in the center. Two hands are shown reaching towards the atom. The text is white and yellow. At the bottom right, there is a small logo for the International Olympiad in Schools 2019-22.

Resonance from the Parents' Heart

Wonderful initiative. Need more such activities for the kids and in other subjects as well. Helps them revise and learn their subject chapters in a lighter way and with dedication & sincerity mid way before the onset of exams. Eventually in the process knowledge is gained and also thru knowledge sharing among inter-class mates.

Thank you Rachyeta ma'am! Sharlena is very shy, so was always reluctant to take part in such activities. I heard you motivating her to join and then she agreed at one go. And today she was so happy after the quiz. All thanks to you ma'am 🙏❤️
