PATRIOTIC PANORAMA

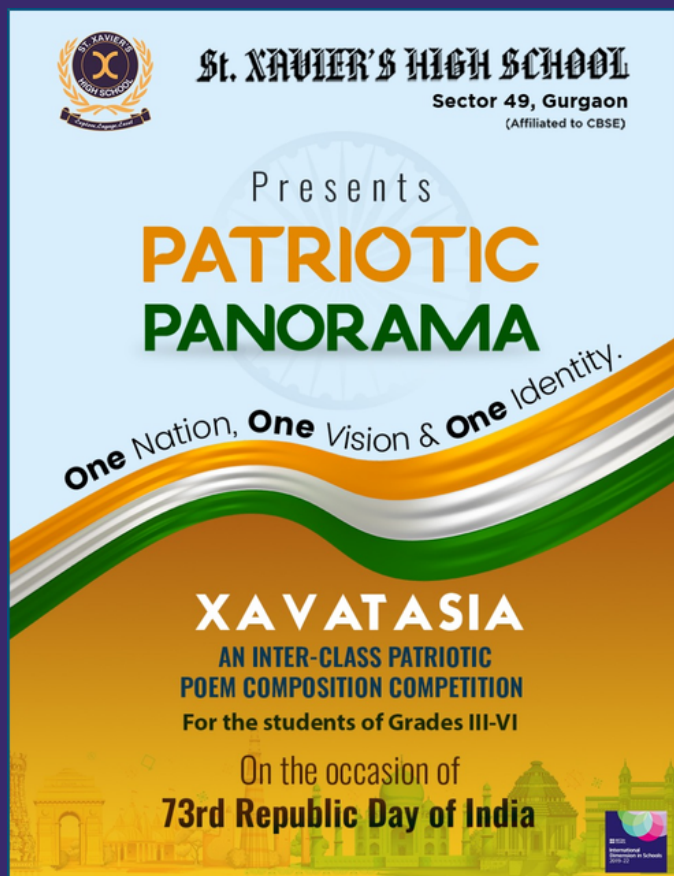

One Nation, One Vision & One Identity

Republic Day marks an important event in India's history as it commemorates the enactment of the Constitution of India which came into effect on January 26, 1950, and made the nation into a republic. It teaches us the concept of Unity in Diversity. Recognizing and appreciating each other's differences not only creates an environment that is inclusive to everyone, but it is one of the best ways for groups to think creatively and generate ideas for impactful living.

To honor our country on this 73rd Republic Day, St Xavier's High School Sector 49 went live on Facebook for Unification in Heterogeneity - Gujarat, Maharashtra and Goa 'The Patriotic Panorama - One Nation, One Vision And One Identity' where the students of Grade III presented the first webinar in the series to showcase the unity in diversity among the states of Gujarat, Maharashtra and Goa of India.

Xaverian Podtale

Season 2, Tale - 29

There is something unique in this soil, which despite many obstacles has always remained the abode of great souls. They embarked on their journeys of divine principles and faith, transforming India into a glorified nation.

Martyrs' Day or Shaheed Diwas is observed in India on several days to honour those who laid down their lives for the nation. January 30 is the date which is observed on the national level as it marks the date of the assassination of Mahatma Gandhi by Nathuram Godse in 1948.

To ensure that the future generation gets the freedom from the chains of slavery, St. Xavier's High School organised a Xaverian Podtale-29 by the Xaverian for the XAVERIANS! to discuss about the martyrs who sacrificed their lives

COFFEE WITH MOMS

Life doesn't come with a manual. It comes with a mother. " A mother is she who can take the place of all others but whose place no one else can take. A mother's love for her child is like nothing else in the world. It knows no law, no pity. It dares all things and crushes down remorselessly all that stands in its path. To create connection with one another, coffee with moms was conducted from Grade-III to V, it was a connected and an immersive interaction with our esteemed headmistress ma'am and the mothers to work synergistically for the amelioration of our children.

Sports is life, you win if you lose but the most important thing is the process in which you dissolve. The proverb "All work and no play makes Jack a dull boy." holds true for our Xaverians. Playing sports, whether team based or individual is essential for children as they provide not just physical activity but also help building children's self esteem confidence, social skills and motivate them to excel in life.

In recognition of sport's in one's life students of Grade III to V celebrated Sports Day with great zeal.
