## VIRTUAL WEEKLY MORNING ASSEMBLY

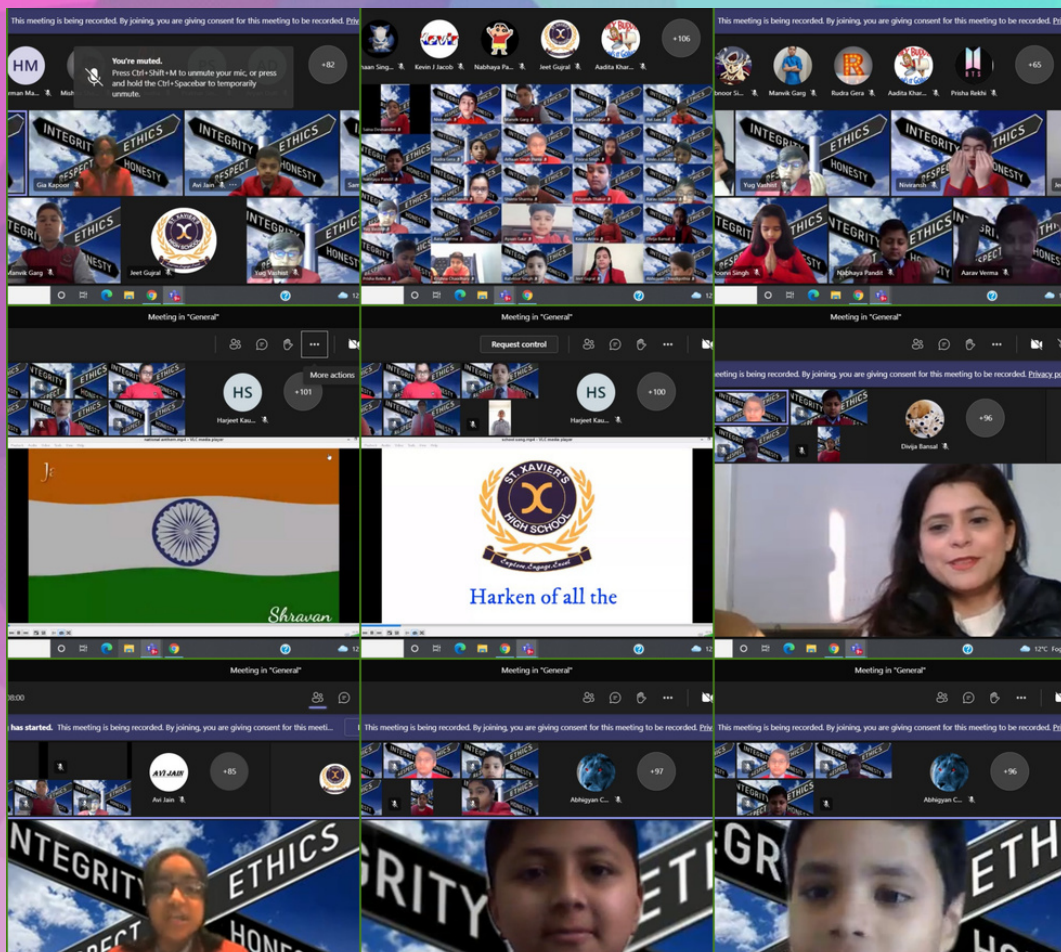

Morning assembly undoubtedly holds the pre-eminent position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. It's probably the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds

Keeping up with the same spirit the students of grade IV H conducted their class assembly on 10 February 2022. The topic of the assembly was 'ETHICS & ETIQUETTE'S'. The assembly commenced with the Morning Prayer which is believed to provide peace and serenity to our minds and souls.

The students enlightened everyone with the fact that in order to achieve success one really needs to have considerable strength of character; this strength cannot be achieved without constant practice of good ethics and moral values.

We at St. Xavier's believes that if we are planning to be men and women of character, we must make our value system very strong and our ethics impregnable. We must learn the art of overcoming meanness, selfishness, greediness and other carnal temptations. In this hour of need the world needs humans with values to make this world a better place for the future generation.

The assembly culminated with the rendition of the National Anthem.

*"As said manners maketh a man . Etiquettes is the science of living amongst people. It embraces everything needed for a peaceful and respectable society".*
