

# **Kindergarten**

## **Theme of the week :Let's count ahead**

Introduction of numbers 15 to 20

# Oorja

During 'Oorja' time the children of kindergarten developed a comfort with the basketball as they explored ball handling skills- rolling the ball across the body, dribbling the ball etc

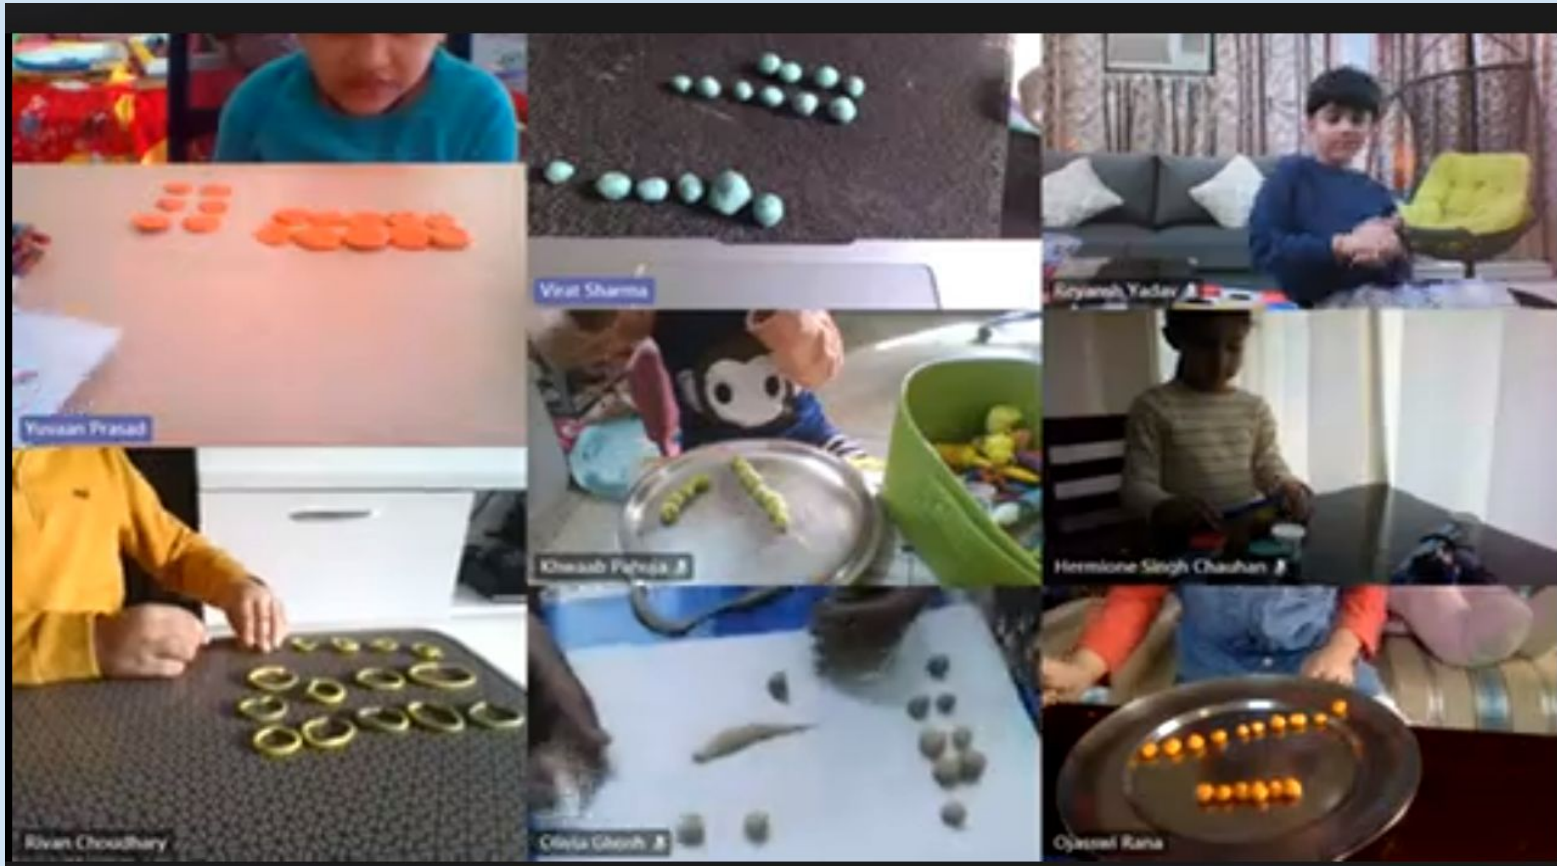

## **Project Time**

During the theme ‘Let’s count ahead” the children of Kindergarten further strengthened their connect with numbers as they explored numbers 15-20 through stories, observation and by relating to the concrete value of numbers using different material. They also identified and wrote the numerals in their notebooks.

Counting numbers 15-20 with our fingers

Relating to the concrete value of numbers 15-20 with different material

Writing numbers in our notebooks

Making bundles and writing numbers in the maths book

# Srija

During art time, children collected and used dry leaves for a free expression

The right side of the image shows a Zoom meeting interface. At the top, there is a grid of participant video thumbnails. Below the grid is a dark bar containing a circular icon with the letters "MS" and another circular icon with "+11". Below this bar, the name "Myrah Sara..." is visible. At the bottom of the interface, there is a larger video thumbnail of a woman with glasses and dark hair, smiling.
