

# FLN Day 2 at Shiksha Bharati Global School:

FLN Day 2 Celebration at Shiksha Bharati Global School

**Date 23rd July 2024**

**Theme Fundamental Literacy and Numeracy (FLN)**

Participants Teachers, Parents, Students (Classes Pre-primary to 2)

## **Activities Conducted:**

### **1) Workshops and Seminars**

Teacher Workshops Focused on innovative teaching methodologies and joyful learning practices to enhance fundamental literacy and numeracy. Interactive sessions included:

- Use of digital tools and resources.
- Collaborative learning techniques.
- Strategies for differentiated instruction.

Parent interaction: Addressed the role of parents in supporting literacy and numeracy at home. Topics covered:

- Importance of reading with children.
- Engaging in everyday math activities.
- Encouraging a positive learning environment.

### **2.Nipun Pledge**

- Teachers and parents collectively took the Nipun Pledge, committing to support and promote fundamental literacy and numeracy in children.

### **3. Interactive Learning Sessions for Children**

Storytelling Sessions: Engaging storytelling sessions aimed at improving listening skills and comprehension. Stories were chosen to be age-appropriate and culturally relevant.

Game-Focused Learning: Educational games designed to teach basic numeracy and literacy skills. Examples include:

- Word puzzles and matching games.
- Number games and math challenges.

#### **4. Creative Learning Activities**

Toy-Based Learning Activities using educational toys to teach concepts such as shapes, colors, numbers, and letters.

Play-Based Learning: Structured play sessions that incorporated learning objectives, such as:

Role-playing scenarios to enhance language skills.

- Building blocks for spatial awareness and basic geometry.

Art and Craft- Projects aimed at developing creativity and fine motor skills. Activities included: Making storyboards for their own stories.

- Crafting items related to themes from their reading sessions.

#### **5. Reading Sessions**

Group Reading Sessions where teachers read to students, promoting listening and comprehension skills.

Individual Reading Encouraged independent reading, with a variety of books available to suit different reading levels.

#### **6. Creative Writing and Performance**

Story Poems: Students created their own story poems in both Hindi and English. They worked on:

- Plot development and character creation.
- Writing techniques and poetry forms.

**Narration and Performance:** Students narrated their story poems and performed songs. This activity aimed at:

- Building confidence and public speaking skills.
- Encouraging expression through language and music.

## **7. Songs and Rhymes:**

- Singing sessions where students performed songs and rhymes. This helped in:
  - Improving memory and recall.
  - Learning rhythm and phonetic patterns.

The event successfully fostered a collaborative environment where students, teachers, and parents worked together to enhance fundamental literacy and numeracy skills through innovative and engaging activities.
