Dear Parent

There is yet again the severe outbreak of **Malaria and Dengue** in the city, therefore parents are requested to ensure that the children protect themselves and wear clothes that cover their hands and legs. Students of classes **III-XII** are required to wear the below-mentioned uniform from 01.08.2024 (Thursday) onwards.

- Boys : white shirt (full sleeve) and white trouser
- Girls : white shirt (full sleeve), skirt and skin-coloured stockings

In case parents wish, they can use the white arm sleeves (detachable) available in the uniform shop and continue wearing half-sleeve shirt. Your cooperation is expected to ensure the well-being of our students.
