

ST. THOMAS' SCHOOL
DWARKA

Cir No.: STS/66/2024-25

02.08.2024 (Friday)

Dear Parent

Environmental education provides opportunities for students to explore the real world issues that transcend classroom walls. It is our continuous endeavour to provide such dynamic, interactive learning experiences that spark students' curiosity. To test their environmental quotient, the school is organising **TERI GREEN OLYMPIAD 2024** conducted by TERI (The Energy and Resources Institute). Students of **classes IV to XII** can participate in this Olympiad. This examination is Multiple Choice questions based on environment and sustainable development.

Mode	Offline (Paper based)
Date of examination	22.10.2024 (Tuesday)
Theme	GREEN Olympiad examination addresses range of topics such as water, waste, energy, air, biodiversity. Climate change, sustainable development, green skills. and other contemporary issues related to environment and sustainable development.
Duration	60 minutes
No. of Questions	50 questions
