

15th April 2013

IAPT Annual convention and workshop on Physics

Venue: National Balbhavan, Kolta Road, New Delhi

IAPT (Indian Association of Physics teachers) organised the annual convention of the organization with seminar by senior professor Mr. Krishan Lal from Indian National Science Academy and paper presentations in Physics by teachers from various schools and demonstrations of innovative activities in Physics. The workshop was interesting and helpful to inculcate the ideas of innovative techniques in teaching Physics.
