

STUDENTS WORKSHOP FOR CLASS X

Date : 9/9/2014
Venue : JMIS Auditorium
Attended by : Students of class X
Resource person: Expert of AVANTI LEARNING CENTRE

A workshop/study session for class X was arranged by JMIS in school auditorium. Experts from AVANTI learning centre took the session. Demo class in Maths and Science was taken.

The themes or topics were of class X CBSE syllabus. The topics covered were metals and non metals and Trigonometry. The session was interactive and laid emphasis on group discussions, group activities and learning by doing.

The concepts were thoroughly revised and MCQ tests were taken to give them a thorough revision. A worksheet was given to recall the important concepts /terms of the topics discussed.
