

# JIMS Toddlers Go Active

Venue: JMIS Playgrounds

*With increasing pressure of performing on students, it has indeed become extremely vital for the students to spend some quality time and dedicate a part of their busy schedule to physical activity. With the same line of thought, a workshop "GO active Movement" was conducted by the cartoon network channel. The workshop was aimed for students of classes' 1-V, who were the best audience for something so entertaining like this; they clearly spread the message of healthy living and loving your life. Children were seen very excited and enthusiastic to participate in the workshop, various types of games were played to enhance motor Skills, reflexes and coordination. All the winners and the participants got certificates alike. Children were very interested to fill up the forms and win lucky draws .The day was successful to inculcate a healthy lifestyle through games and activities and all were seen cheering for it.*
