Physics Made Easy

Venue: JMIS

*A workshop on Physics was conducted by Mr. Sher Singh, secretary of Indian Association of Physics Teachers as a part of JMIS mentor program. The workshop was for the science students of class XI and XII. It was mainly about discussing specific chapters and solving doubts of students. The first session was for students of class XII, the topic being magnetism and followed by the session for XI which was Kinematics and Friction. After giving a brief summary of the chapters, he explained the important topics and few numerical. The workshop helped the students clarify their doubts and to enhance their knowledge.*
