

## REPORT OF GAIT WORKSHOP

Grooming artistic innovation and talent (GAIT) discovers creative potential, uses movement as a medium of expression .JMIS students

(V-Bhaskar) had got an opportunity to use different elements of dance and theatre to stimulate thinking. GAIT resource personnel have added a new element of learning and fun to the students of our school. The entire concept of using movement and inculcating flexibility with different props and rhythm has brought a new dimension of expression and brought fun to the entire activity.
