

NEW AGE CAREERS SESSION

Education in global society has greater responsibility of shaping preferred futures of students

A special session on **New Age Careers: Emergence of Digital world** was organised in JM International School on **16th August, 2018** for the students of Class XI & XII. Speaker for the session was an Australian Delegate Dr. Wayne Fallon. He is Associate Dean International in the School of Business at Western Sydney University. His work focuses on India and South Asia more broadly, and involves developing and supporting academic, institutional and corporate relationships with the Business School, and supporting South Asian students studying Business at the University.

Dr. Fallon in his drive to make student digitally skilled, to work in the modern day digital economy visited our school and appraised students about the career options in Business Analytics, Cyber Security and Digital Marketing.

The session was conducted by Western Sydney University, Australia in Association with VIEC.
