

Career Counselling session by representatives of Aakash Institute

A career counselling session was organized by representatives of Aakash Institute for the students of classes VIII-X in the JM International School on 28th of September 2018 to guide and counsel the students for the career selection through introspection or assessment excellence in the coming years of their life. Career in Sciences was explained to the students. The organisers explained in detail about the three Cs i.e compassion, commitment and confidence. Different success path stages were also discussed where they highlighted the role and importance of mentor at every stage.
