

Career Counseling Workshop by CUAC

CUAC workshop was conducted for the students of XI & XII. CUAC is Canada's most professional and respected counseling and reference centre in India, offering guidance for over 200+ Bachelor and Master Degree programs in several world-class public universities of Canada. The CUAC is recognized by the Canadian High Commission for its contribution in promoting Canadian education. CUAC has many Canadian Public Universities and Colleges as their member institutions. They represent these institutions EXCLUSIVELY around the world, with the help of their global offices. From taking applications, getting admission done to visa counseling for study permit; they do everything **FREE of cost** for students attending their member institutions, from taking applications to admission and visa counseling.

The work shop was very fruitful as after this students can think about their future prospects and make take decisions with more confidence.
