Dear Parents

Subject: Remedial Classes for Academic Support

At Bloom Public School, we are committed to ensuring each student's academic success and overall development. In line with this commitment, we have observed that your ward requires additional support in certain subjects to enhance his/her understanding and performance.

To address this need, we are pleased to inform you that we have organized remedial classes for students who may benefit from extra help. These classes are specifically designed to provide targeted assistance in subjects where students may be facing challenges. The aim is to reinforce their learning, clarify concepts, and improve their academic outcomes. The classes will be held from 7:40 am to 8:15 am on all working days w.e.f 08/07/2024

We kindly request your support in ensuring that your child attends these sessions regularly and punctually. Please ensure that they arrive at the school on time and are prepared with the necessary study materials.

Should you have any queries or require further information, please do not hesitate to contact us.

Thank you for your cooperation.

Warm regards,
Principal
