Workshop on nurturing the innate talents of our  
children

Venue: JMIS

*A workshop was conducted by team of 2 members of Parwarish Institute of Parenting Pvt. Ltd, Ms. Manmeet Narang and Ms. Manvi Gupta for the primary teachers of JMIS. The crux of the workshop was to remind the teachers and parents that every child is born complete and has no-limit abilities. As a parent/teacher we should discover their qualities, talents, abilities, capacities and nurture and provide good exposure for a child to enhance all their qualities.*
