

Table Manners Workshop

Date: 21/4/14

A workshop on table manners was organized for III class students on 21st April, 2014. The workshop was lead by Ms.Vandana Tandon from Times of India. It was to educate the children about basic table manners to be followed while having meals. Ms Vandana explained the rite etiquettes of table manners, such as to eat food with a spoon and fork, not to make noise while using the same, chew with mouth closed, placing a napkin on the lap once being seated, to keep the fork at the left side and spoon at the right hand side, and not to complain about the food serve rather eat it happily.
