

WORKSHOP ON COMMERCE MEET

Counselling programme was held at J.M. International School by CCD spoke person Mr. Kapil Khanna for class 11th commerce students on 18 August, 2015. The students were informed about careers for both commerce with maths and without maths. They were told about the pattern of courses and job related

opportunities. Students brought forward their doubts and queries regarding their choice of career. Details and requirement in various fields were also given students were guided in the right path very confidently and to very systematic manner. At the end of the session everyone seemed to have a better knowledge of what he/she wanted to pursue in life.

Overall, it was a thoroughly knowledgeable and enjoyable experience for the students.
