

Mind Mapping in Education-workshop organized by PRABHAAV

A Mind Mapping workshop was organized by Ms. Bhawana Chopra of Prabhaav group in JMIS on 30 June, 2015. The purpose of this workshop was to familiarize the facilitators or teachers with mind maps as an education tool.

A very informative workshop attended by almost 30 teachers where they learnt to draw mind maps for different subjects which they can use in the class as a teaching aid. Furthermore they also learnt how to guide students in drawing mind maps for the topics they find difficult to learn.
