Content:

The school conducted the workshop on "Career Path Designing - Subjects – Stream Selection" for Grade X students. Mr. Bharat Bhardwaj the President and CEO of Jatin Chawla Centre for Career Development was the resource person of the workshop.

Mr. Bhardwaj expertly guided students on making informed decisions regarding subject choices and stream selection. He emphasized aligning interests and career aspirations with academic paths and accoutered useful information related to emerging career trends. He provided valuable insights into emerging career trends, the relevance of different subjects in today's job market, and the importance of holistic development. The interactive workshop concluded with practical tips on effective study habits and time management. Students found the session highly informative and left with a clearer understanding of their academic and career choices.
