CIRCULAR

MORNING SCHOOL TIMING

Dear Parent,

Please note that the morning school timing is 7.50 a.m. The school gates open only at 7.30 am. It has been noticed that the Army buses/Vans are reaching school before 7.20 a.m., leading to student's security and safety concerns. The school has to follow minimum standards of school safety and zero tolerance towards safety lapses. I therefore, request you to immediately contact the Army bus/Van/ drivers and instruct them to ensure the buses/vans reach only between 7.30 a.m to 7.45 a.m. Your cooperation and support will be highly appreciated. Kindly check School safety checklist w.r.t. Transport on school website.
