

COVID related protocol for students attending school:

1. Students will be allowed to enter the school premises after having their temperature scanned at the gate. Any student displaying visible symptoms of COVID 19 (Headache, fever, cough, loss of smell, irritation in throat, difficulty in breathing) will be not be permitted to enter.
2. All students will need to submit the consent form. This form is mandatory to be able to enter the school premises. This form will be signed by the parent.
3. Physical distancing of at least 6 feet to be maintained at all times.
4. It is mandatory for all students to wear a face mask at all times.
5. Students should carry the following:
 - a) Personal hand sanitizers
 - b) Extra face masks
 - c) A packet of tissue
 - d) Their own water bottles
6. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing of used tissues in covered dustbins.
7. Self-monitoring of health by everyone and reporting of any illness at the earliest is mandatory.
8. All 'Do's and Don'ts' displayed on posters/standees regarding the preventive measures for COVID-19 should be strictly followed.
9. Students are encouraged to shower/bathe immediately upon returning home from school to prevent any cross-contamination.

Precautions taken to provide a safe environment at school.

1. The entire school building is being sanitised twice everyday using 1% solution of Sodium Hypochlorite.
2. All work surfaces, furniture, switches, door knobs, handles etc. are being sanitized regularly.
3. Hands Free sanitisers have been installed at the gate, and on all the floors inside the school.

4. *Quarantine Room*: If any person starts to feel sick, he/she will immediately be taken to the quarantine Room for check-up and further course of action.
5. All furniture has been arranged in the classrooms and other areas at a distance of 6 feet with visible demarcation.
6. *Toilets*: At any point of time, only one student will enter the toilet. However, the cubicles already have partitions so can be used.
7. *Drinking water*: Only one person can use the drinking water area at any point of time.
8. The following items have also been made available:
 - ♣. Soap and running water is available in all the toilets.
 - ♣ Covered dustbins/trashcans for proper disposal of used personal protective items and general waste in accordance with CPCB guidelines.
9. Housekeeping employees have been trained about the norms for sanitisation and waste management.
10. All staff has been trained regarding the protocols to be followed while they are in school.
11. No visitors will be allowed during the school hours, unless there is an emergency.
12. School transport will not be available.
