CIRCULAR FOR FINAL EXAMINATION FOR CLASS IX (ONLINE)

Dear Parent,

Please note that the Final Online Examination will commence from 2nd March 2021 Tuesday.

We request you to create an examination hall environment at home where the students are not disturbed and are able to attempt the Final examination like they would during the offline Final examination in school. This involvement of parents will help teachers and students to identify any gaps in learning of the students.

The learning gaps, if any, will thereafter be addressed by teachers in the new academic session, at the beginning of Std X, by having a bridge course specially designed to address the learning gaps.

The guidelines for Final Examination (Online) are as below:

- A. The question papers will be uploaded on the parent portal as per the schedule attached herein Annexure.
- B. Time line are as follows:
 - a. Students should login at 10:00 AM
 - b. The question paper will be active at 10:15 AM
 - c. Reading time - 10:15 AM – 10:30 AM
 - d. Writing time – 10:30 AM – 1:30 PM
 - e. Uploading of hand written answer script latest by 1:45 PM
- C. There will be no online classes from 1st March to 18th March 2021.
- D. Camera should be on during assessment i.e from 10:00 AM to 1:45 PM.
