#### Calligraphy

# CALLIGRAPHY

“

Calligraphy creates readable art that comes to life, displaying a quirky, whimsical nature.”

## MONDAY- CALLIGRAPHY

Session1 -In an attempt to inculcate the art of writing within our beloved students,the benefits of calligraphy where introduced.

Session 2- The first 13 letters of the English Alphabet of calligraphy were artfully taught to the participants

Session 3 - The final calligraphy class was concluded by covering the last 13 letters of the English Alphabet.

# BEST OUT OF WASTE

## TUESDAY - CRAFTY MORNINGS : BEST OUT OF WASTE

Session1 - Our young creative team left us spell bound with beautiful wall hangings made out of waste materials like discarded bangles.

Session 2- In week 2 of our creativity corner class, the young enthusiasts learnt to make beautiful stationery organisers

Session 3 - The young minds got together enthusiastically to create beautiful tea/coffee coasters as a gift for Father's day using discarded CD,

“

Waste isn't waste,  
until we waste it”.

“

Creativity is making  
marvellous out of the  
discarded”.

# CHEF IN THE MAKING

“

Excuse the mess,  
my kids are busy  
making memories”

## WEDNESDAY - CHEF IN THE MAKING

Session 1 - Our Chefs outshone themselves by creating tasty and nourishing healthy bread rolls, followed by pudding.

Session 2- Kolkata special “Jhaal Muri” and yummy “Break Cake” was prepared by our little chefs using puffed rice. It was an overall hit among all the children.

Session 3 - Children thoroughly enjoyed tantalising sweet treats “Murmure made of puffed rice and miniature laddus. followed by tangy and spicy “Nachos Chat”

“

“Cooking is about harnessing imagination, empowerment and creativity”.

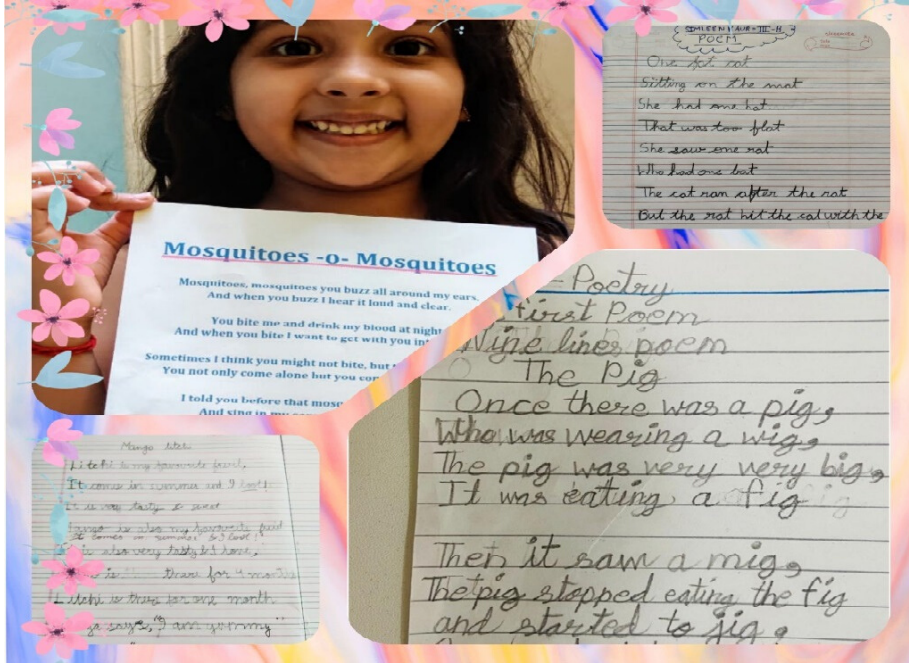

“

“Cooking is like painting. Just as there are only so many colours, there are only so many flavours—it's how you combine them that sets you apart”

# BECOMING A POET

66

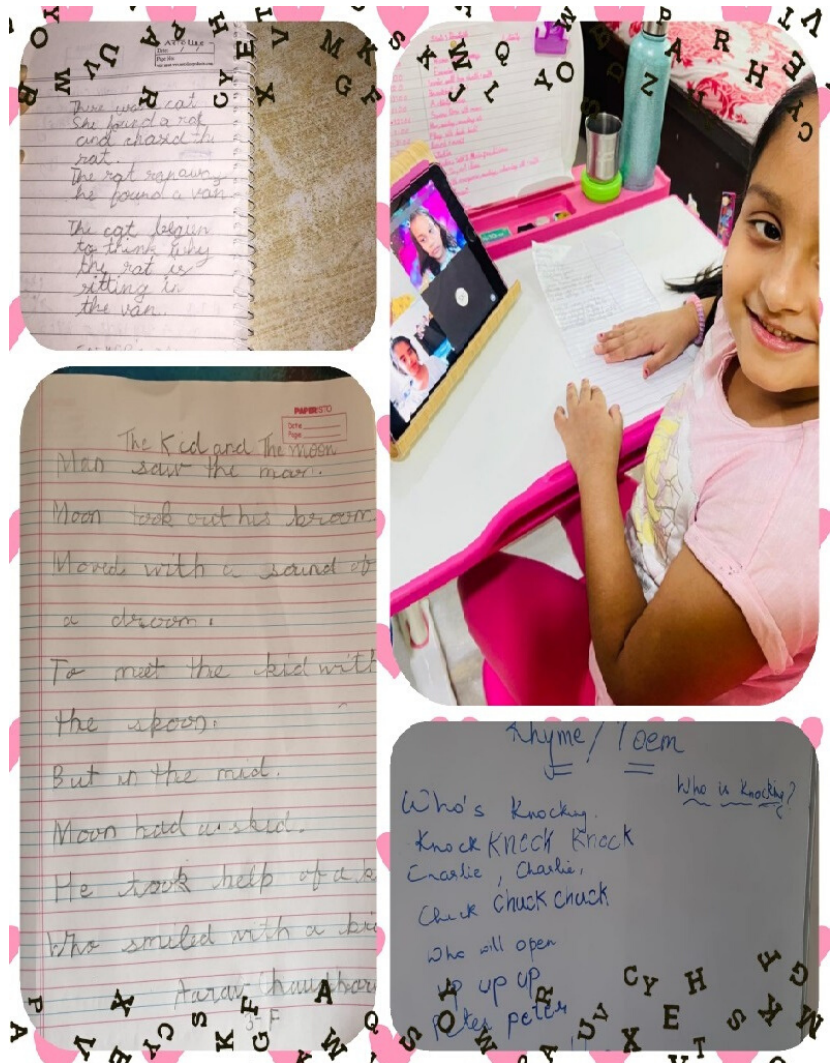

“Poetry can be interpreted by the heart before it’s fully interpreted by the mind”

## THURSDAY - LEARNING TO BECOME A POET

Session 1 - Children were introduced to poetry and got a glimpse of all the famous poets of the world and were also introduced to the various forms of poetry.

Session 2- The various rhyming houses and their families were discussed in depth. The children had lot of fun with rhyming words.

Session 3 - During the final class everyone shared beautifully composed and meaningful poems.

# ZUMBA

## FRIDAY - ZUMBA

Session 1 - The class started with stretching and warm up exercises followed by an energetic session where the children danced their heart out to the latest Bollywood and Hollywood hits.

Session 2- An energetic zumba workout was conducted. The class was concluded with relaxation and cooling down exercises.

Session 3 - The last Zumba session was thoroughly enjoyed by all the participant as this session included a dance party.

# TABLE MANNERS

“

Good manners are just a way of showing respect to other people

## SATURDAY - TABLE MANNERS

Session 1 - Our first class based on table manners for children, this summer was based on the correct and appropriate usage of spoon settings.

Session 2-This was followed by the placement of the water glass. The activity was conducted using bread slices with butter/jam and a butter knife.

Session 3 -In the final class conducted on table manners, the children explored activities like setting of table, maintenance of hygiene at all times.

“

Friends and  
good manners will carry  
you where  
money won't go.”

# FEEDBACK

The poetry classes were enriching experience for the kids. I never thought that Daksh would enjoy writing poetry but he did with great enthusiasm under your guidance. Thank you.

Ms Neha Kaushik  
Mother of Daksh Kaushik, 3A

I believe it was a great idea to introduce poetry and sonnets to our little kids. Aahaan liked the classes very much. It was taken in a brilliant manner by you. I can see trying him composing new poems. ...

Ms Ritu Katyal.  
Mother of Aahaan Katyal 3A

Thanks for such a wonderful poetry session. Torsha specially enjoyed writing her first poetry in your class! And we believe this was extremely informative class for kids who could relate to use of rhyming words.
