TESTIMONIALS BY PARENTS

Ransh Sinha(Nursery A)

We, the parents of Ransh Sinha (Nur-A), would like to thanks Rajni ma'am & Rashmi ma'am for all the luv n guidance to Ransh. They have been working so hard in present scenario and I understand it's not easy to teach online, taking care of each child, being creative and making kids understand the concepts.....but both have made this possible 🙌🙌.

We as Ransh parents are very happy with his performance and appreciate all your hard work.

Ranvir Dudeja (Nursery C)

I would like to take this opportunity to express my gratitude to you. I didn't want to leave without letting you know of my appreciation. The words from Ms. Sheba Thapar, Headmistress was a music to hear as she has shared her vision of "Communication & Confidence". I have literally seen Ranvir to grow into a very confident child in the last few months. He was having a hard time to adjust to a new online environment in the beginning of the session. Ms. Neha was a great help. Her endless encouragement to boost up his interest made him love her class. Ms. Neha and Ms. Mamta both have a great way in tackling every student to do their best in everything they do. Thank You again for providing the children with such quality Education.
