'When you face difficult times, know that challenges are not sent to destroy you. They're sent to promote, increase and strengthen you.'

In the times where we were wondering what will happen!!!! St Xavier's High Sector 49 took the initiative not only to continue to protect our children but also to engage them in such pursuits that they were led to explore the world of technology and once they were engaged in their exploration, they excelled by nearing yet another successful culmination of the academic year. As usual, leaving no stones unturned and using the tool of a high technological challenge it brought the world of teachers and children closer. The school stood through the tough times keeping its head held high by not only continuing to engage all its staff but the management ensured to extend its reach and made the personal connection by being the pillar of strength to both parents and teachers. We truly became one big family when we sang Happy Birthdays together no matter how far we were and by empathising in the loss at such difficult times.

The pursuit of excellence encouraged at Xavier's rests on the positive belief that every child has the ability to excel.

Along with well-structured learning imparted through the curriculum, the prime focus continued to be on addressing the holistic development of the personality of the students. Xavier's provides with the platform that perfectly embodies the character of the school; developing minds that grow up into enlightened human beings who achieve success yet are firmly grounded on earth. That is what true education is all about.

Our virtual classroom programmes offer opportunities for children to engage in a range of cultural and sporting activities. The teachers adopt new teaching techniques. Concepts were cleared with the use of models, graphics and virtual modules. Reiteration and recapitulation were stressed so that the classes can cater to each individual and as a whole too. Leaving as little for the parents to worry about their little ones.

Commitment to quality, innovation and continuous improvement in education has been and will continue to be the abiding principles guiding our institution. We are grateful to everyone in and around our school who has contributed to our stupendous success. Given the most the competitive environment in which we are placed, it has been and will continue to be our endeavour to adopt national and international standards in education and to groom our students to reach for and face the challenges at a global level.

Colloquy

"Children are the Priority. Change is Reality. Collaboration is the Strategy"

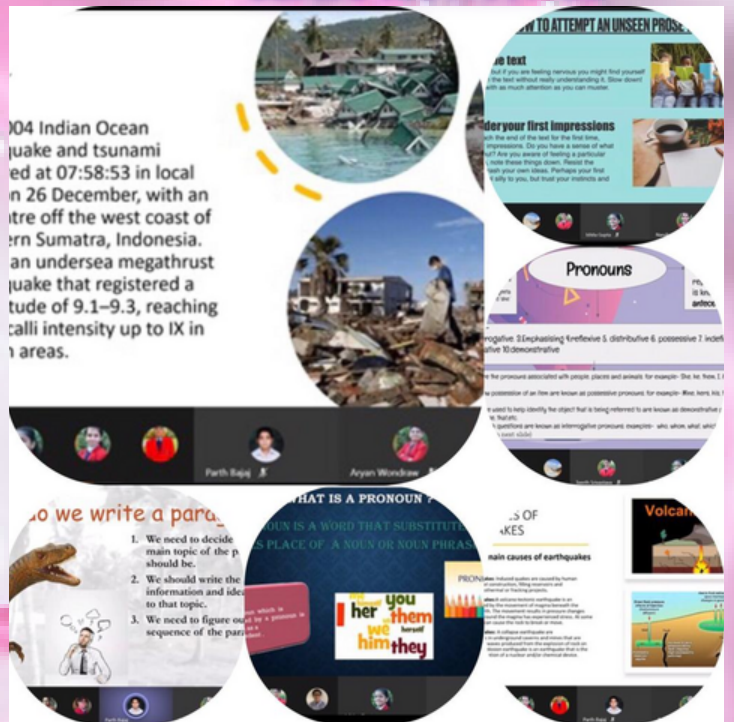

COLLOQUY

To acquaint the parents about the forthcoming assessments and answer their queries pertaining to the academic assessment cycle scheduled in December, a conjoint session was conducted on Saturday, 21st November 2020 from 9:30 am to 10:00 am for the students and parents of Grade VIII. The panel included the Headmistress and the teaching faculty of Grade VIII. We, at Xavier's, strongly believe that together we can give our children the roots to GROW and the wings to FLY

CLOTHES DONATION DRIVE BY ST XAVIERS HIGH SEC 49

LET THE LESS FORTUNATE FEEL YOUR LOVE

Cloth Donation Drive at St. Xavier's High School

"To be able to serve the needy with no sense of recompense is the greatest and the noblest deed for a human"

Students are like the blank pages of a diary and the impression they form with the ink remains with them for a lifetime. It has to be beautiful calligraphy all the time so that when you flip the pages of life it gives you memories to cherish and treasure. Sudha Murthy once very beautifully said "When God gives you a better income, increase the standard of your giving and not just the standard of your living"

This quote has been an inspiration for everyone who read it and what else could be a better occasion than Christmas to imbibe this in our life. To care and share the load of winters.

The learners of St. Xavier's came forward and contributed generously for the Annual Cloth Donation Drive organized by the school from 23rd December 2019 till 27th December 2019. The clothes collected were shared with the needy on the New Year Eve. The recipients had a respite from the biting cold and blessed the students for a progressive step towards humanity. Students felt elated as they could bring a smile to many. They also recalled the lesson that the universe is required to be in perfect harmony and only humanity can help it achieve. The year ended on a noble note with an inspiration that new beginnings are on its way.

"Being human is given. But keeping our humanity is a choice because the greatness of humanity is not in being human, but in being humane"

"We make a living by what we get. We make a life by what we give."

Virtual Assembly

Best Regards-Manpreet

FRESH BEGINNINGS: NEW RESOLUTIONS

Presented by - Grade 7A

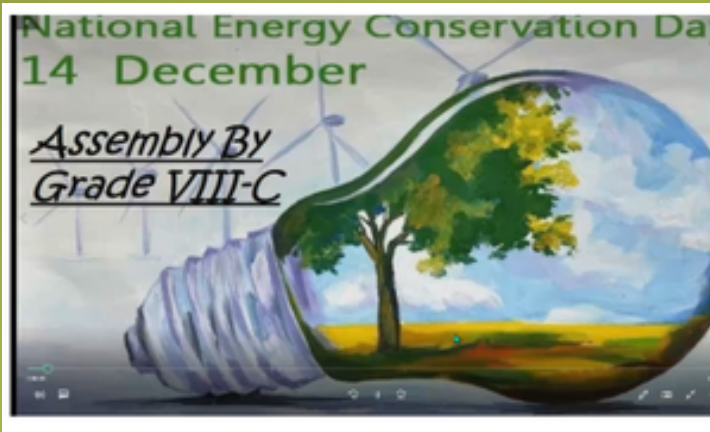

The new year brings new hopes, beginnings and resolutions. Making resolutions reaffirms our spirit to amend any mistake made in past or to start something afresh. With the same motivation in mind and heart, students of grade VII-A presented an assembly on the topic - Fresh beginnings - New Resolutions. Students vowed to be better than before, make this world more peaceful and sustainable, pledge to bend towards a healthier lifestyle and shun the negative emotions. The assembly was then addressed by the guest Parents - Mr R.K Pandey and Mr Vishal Mehta. The encouragement given by them to the learners through their kind words of appreciation was remarkable. In the end, our dearest headmistress ma'am, Mrs Geeta Kanwar addressed the virtual gathering and motivated the students with her encouraging words of wisdom. The assembly culminated with the School Song and the National Anthem.

Education opens up the mind, expands it and allows you to improve your life in so many ways.

Virtual Assembly

“Every act of energy conservation is more than just a common sense, it is an act of patriotism.”

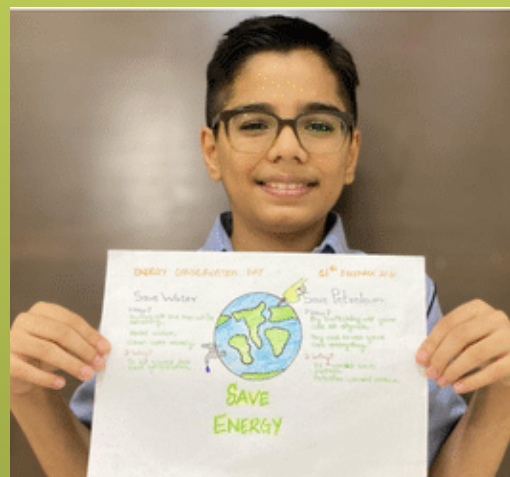

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality.

The serene early morning hours were started by grade VIII C students on 14th December with Lord’s prayer, followed by the word of the day, thought for the day and news headlines. Energy Conservation is unquestionably of great importance to all of us. In this assembly, the students brilliantly created the awareness that energy supplies are limited and, to maintain a good quality of life and to save energy for our future generations, we need to conserve them efficiently. The assembly included video on our duties towards nature by energy conservation accompanied by contribution of

fellow Xavierian’s towards mother Earth. This was followed by debate on conservation of Nonrenewable resources and pledge to make us aware of our responsibilities.

One of our students’ mother, Ms. Noopur Saxena also shared her views on this topic which made this assembly more special. Lastly the Headmistresses of the Middle school (III – VIII), Ms. Geeta Kanwar addressed the session and thanked all the children for spreading awareness on energy conservation and bringing the event alive by their special assembly.

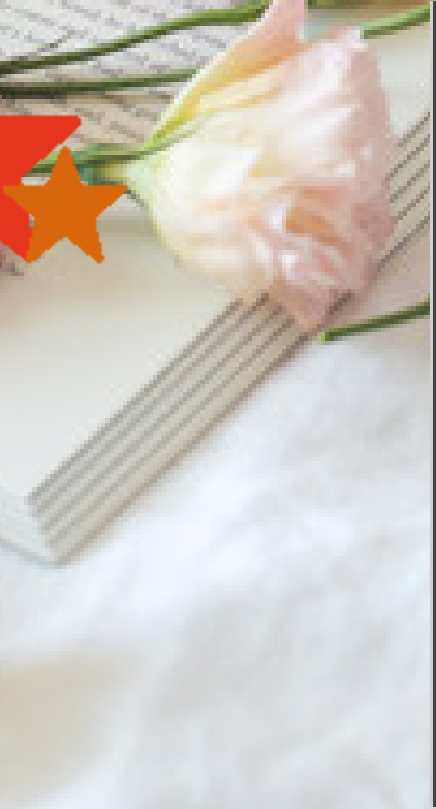

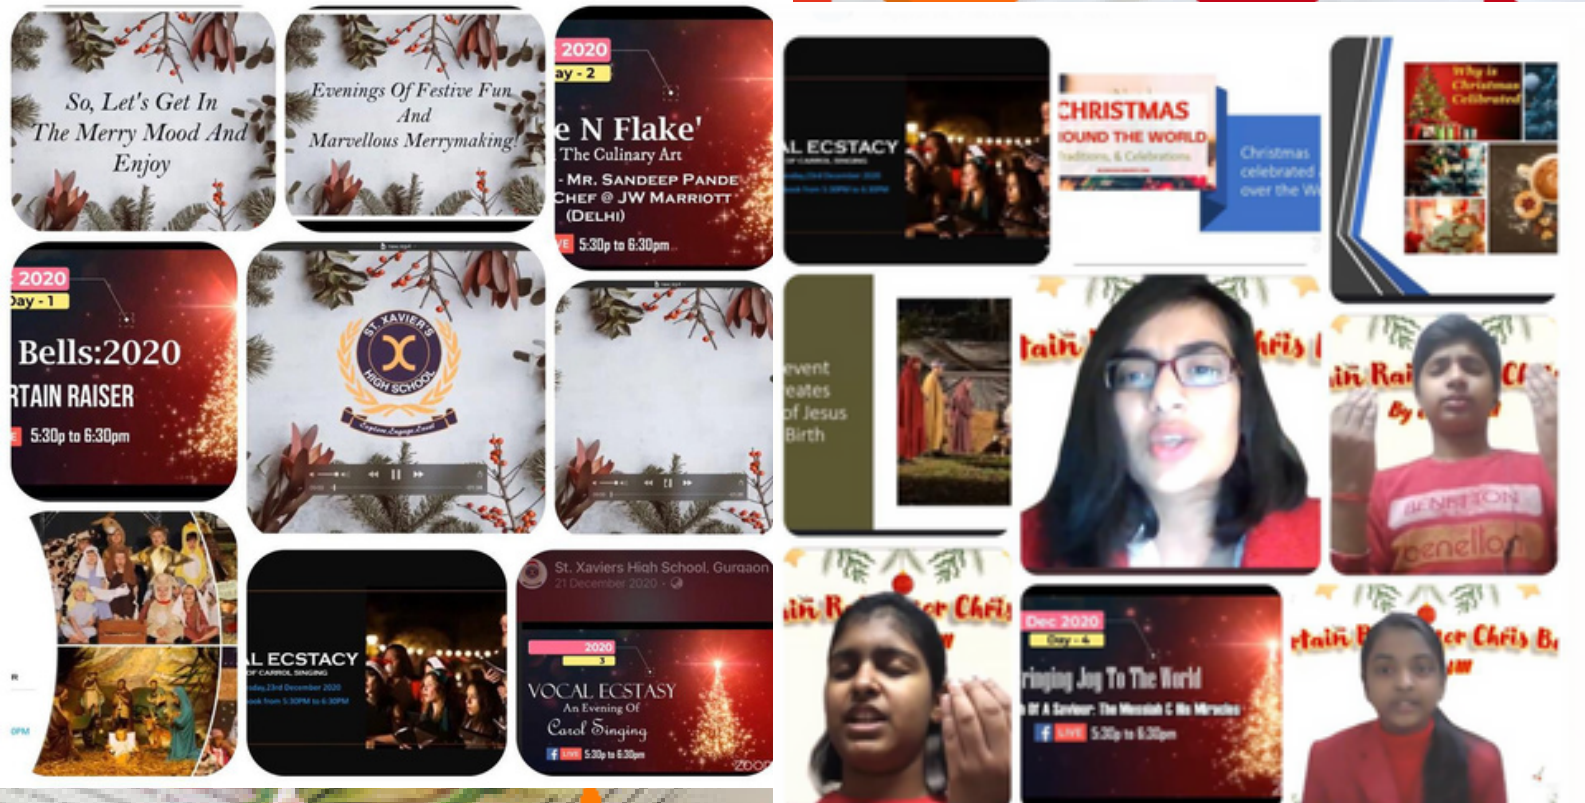

The session was every bit exquisite and therefore bagged applauds and appreciations. The assembly concluded with the school song and the National Anthem

“The man who does not read books has no advantage over the one who cannot read them.”

Christmas Cantata

VIII D

Christmas waves a magic wand over the world, and behold, everything is softer and more beautiful.

The much-awaited festival of Christmas was celebrated with fervour and zeal by Grade VIII D on 21st December 2020. The students presented an array of interesting programmes. Although it was celebrated virtually by the students online the school echoed with Christmas carols sung melodiously by the students sitting at home and sharing their recorded voice which compiled in a video to bring out the festive feelings, reliving in the festive season. The programme began with the Lord's Prayer followed by a thought, news of the day, which comprised of National, International, and weather report. This assembly also marked the beginning of the four days of virtual celebrations of Christmas. A special 'Talk Show' was also a part of the assembly where students spoke about the history, importance and the significance of Christmas signifying that Christmas was more than just Santa, cards, toys or gifts under the Christmas tree. The assembly brought forth the true meaning of the Yuletide spirit which lay in the joy of giving and helping those who are less fortunate. This was followed by a self-composed poem by Saanvi Kamari "Christmas Cantata". The children were filled with joy and excitement as Class choir played the video that they had compiled which had a parody comprising of the famous and traditional songs like 'Joy to the world', 'Christmas came alive' and 'Jingle Bells'. The assembly came dancing to the tune of the carols.

The Headmistress of the Middle school (III - VIII), Ms Geeta Kumar wished the children and their families Merry Christmas and a very Happy New Year. She thanked all the children for spreading joy and cheer by contributing wholeheartedly and bringing the event alive by their special assembly.

The message of the assembly was loud and clear— Come let us embrace the spirit of Christmas by bringing joy and happiness into someone's life.

"Education opens up the mind, expands it and allows you to improve your life in so many ways."

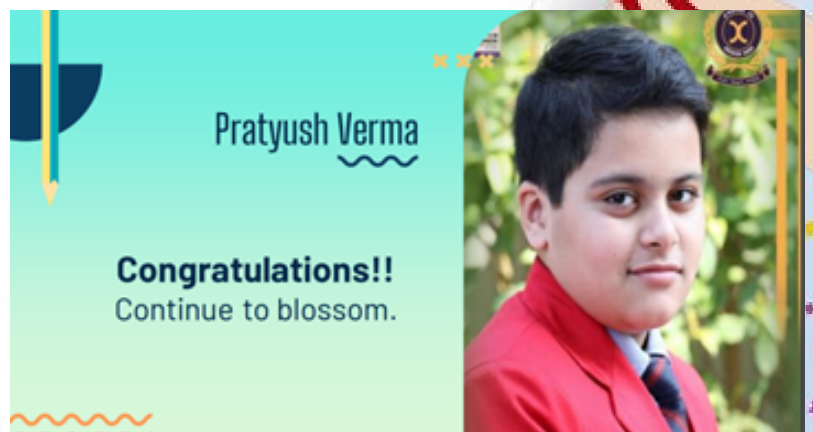

SCHOLAR'S DAY

Aficionado GRADE VII A

"Originality is the essence of true scholarship. Creativity is the soul of the true scholar."

Awards are a way to encourage a good attitude and attribute in the progress of a student. St Xavier's High School had organised a Virtual Scholar's Day celebrations aiming to encourage these little scholar's. These were categorised in Six different categories, i.e, academics, sports, arts extracurricular activities (including art, debate, exhibitions etc) and 100%Attendance. These awards were announced and E- certificates were distributed to the students through virtual platforms. Parents and students were extremely appreciative for organising this event and were happy to receive their E- certificates.

UNIVERSAL CHILDREN'S DAY

Universal Children's Day

A child is a beam of sunlight from the Infinite and Eternal, with possibilities of virtue and vice-but as yet unstained.

November 20th is an important date as it is the date in 1959 when the UN General Assembly adopted the Declaration of the Rights of the Child. Since 1990, Universal Children's Day also marks the anniversary of the date that the UN General Assembly adopted both the Declaration and the Convention on children's rights.

Around the world, children are showing us their strength and leadership advocating for a more sustainable world for all. Mothers and fathers, teachers, nurses and doctors, government leaders and civil society activists, religious and community elders, corporate moguls and media professionals, as well as young people and children themselves, can play an important part in making Universal Children's Day relevant for their societies, communities and nations.

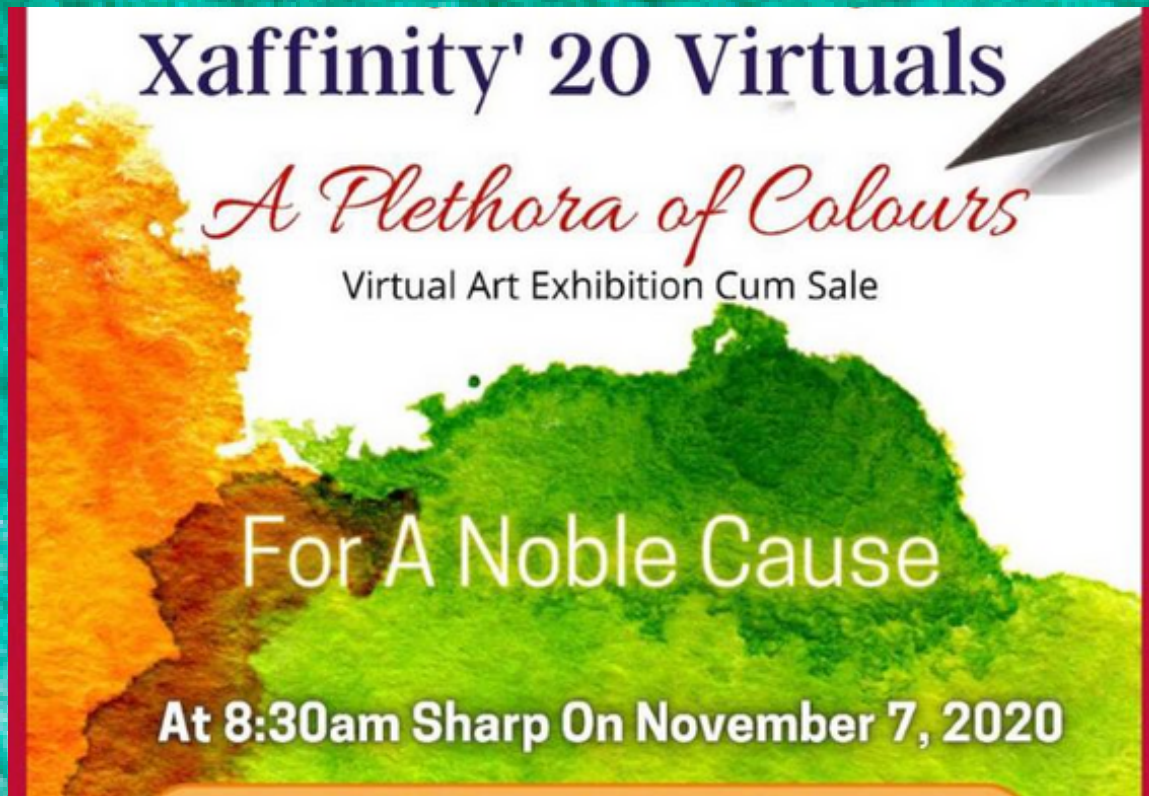

Universal Children's Day offers each of us an inspirational entry-point to advocate, promote and celebrate children's rights, translating into dialogues and actions that will build a better world for children. When leaders came together in 1989 in a moment of rare global unity to make a historic commitment to the world's children to protect and fulfil their rights, there was a real sense of hope for the next generation.

In the three decades following the adoption of the Convention on the Rights of the Child, in spite of an exploding global population. The number of children missing out on primary school has reduced by almost 40 per cent. The number of stunted children under 5 years of age dropped by over 100 million. Many of the interventions behind this progress – such as vaccines, oral rehydration salt – have been practical and cost-effective. The rise of digital and mobile technology and other innovations have made it easier and more efficient to deliver critical services in hard-to-reach communities and to expand opportunities.

It's become the most widely ratified human rights treaty in history and has helped transform children's lives around the world. There are only two lasting gifts we should give our children, one is roots and second is wings. Let's pledge a better future for the makers of tomorrow.

"Education opens up the mind, expands it and allows you to improve your life in so many ways"

XAFFINITY 2020 ART FOR HUMANITY'S SAKE

XAFFINITY 2020: A NOBLE CAUSE

St. Xavier's High school, Sector 49, Gurgaon, carrying a legacy of bringing smiles on the faces of the underprivileged for the third year in the row, organised one of a kind art exhibition cum sale, Xaffinity'20 Virtual on 7th and 8th November 2020.

The virtual exhibition had a myriad of beautiful paintings, contributed by students, parents and teachers which made the art connoisseur' eyes shine with ecstasy. The uniqueness of this exhibition was that it not only aimed at exhibiting the talent of the students and parents but also the motive behind the sale of the paintings was a noble cause. The money collected from the sale of paintings would be further donated for a noble cause.

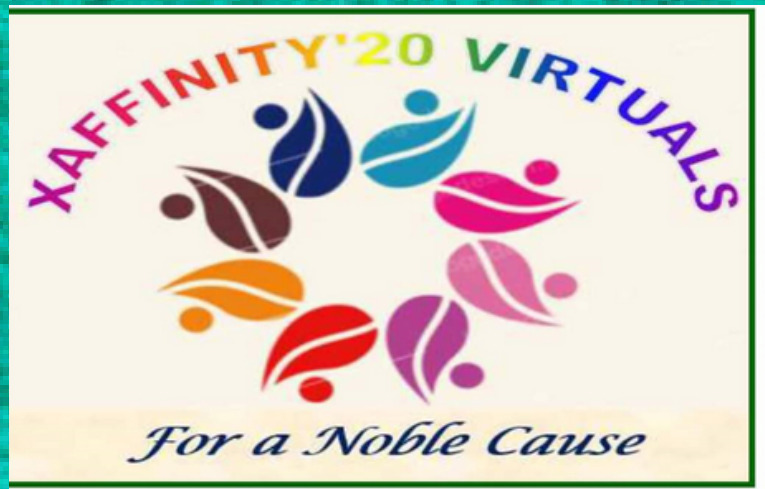

The event's vibrant opening ceremony was LIVE on the school's Facebook page, beginning with the lighting of the lamp, followed by an address by the school Principal, Mr Stanley Anthony. He declared the exhibition open aard in this benevolent act.

Each year the parents and students at St. Xavier's high are exceptionally generous in their support for the noble cause. The exhibition held the audience in awe and left them enchanted as the exhibition culminated. Keeping the current COVID situation in mind, art lovers are picking up their benevolent purchases from the school at an allotted time. The school has also provided the facility for home deliveries of these paintings.

"Every artist dips his brush in his own soul, and paints his own nature into his pictures."

Dhruv Bakshi (VIII D)

The Model UN was organised by our school St. Xavier's High in cooperation with Concord Collective from 26th December to 27th December 2020. MUN is an activity in which students typically roleplay delegates to the United Nations and simulate UN committees. This activity takes place at MUN conferences organised by schools and colleges. Students from different schools participated with great enthusiasm.

There were three main agendas for the MUN:

1. AIPPM - DELIBERATION OF FREEDOM OF SPEECH WITH SPECIAL EMPHASIS ON SEDITION LAW
2. UNESCO - HARNESSING EMERGING TECHNOLOGIES FOR THE ACHIEVEMENT OF SUSTAINABLE DEVELOPMENT GOAL 4
3. UNCSW - EMPOWERING WOMEN THROUGH ENTREPRENEURSHIP

ORGANISES

Q- CIPHER

AN INTER CLASS MATHEMATICS QUIZ FOR THE STUDENTS OF

GRADES : III-VIII
ON
29th DECEMBER 2020

VICTORY IS IN HAVING DONE YOUR BEST.
IF YOU HAVE DONE YOUR BEST, YOU'VE WON.

He was the founder of Kerala School of mathematics and astronomy. His main contribution is in field of infinite series – sine, cosine, tangent, arc cos, etc. In astronomy he discovers a procedure to determine the position of moon every 36 minutes.

MATH QUIZ - Q CIPHER

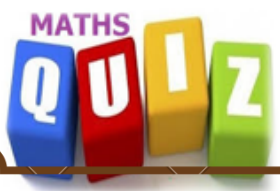

"Mathematics is all about becoming a creative thinker not a calculator."

Quiz competitions help the students to think from a different perspective. It also promotes many good qualities like teamwork, problem solving skills, time management, ~~collaborative~~ ~~in~~ ~~order~~ ~~to~~ ~~test~~ the knowledge of the basic concepts Math Quiz - Q Cipher was conducted in our school on 29/12/2020. Students from Grade 8 participated in the Quiz. From each section 6 students were selected ~~on the basis~~ of their performance in the preliminary round.

There were six rounds – MATH-E-MECHANISM (formula round), AXIOMINATION (mathematical terms), MAP THY MEMORY (visual round on famous mathematicians), MIND TWISTERS (Brain Teasers, Riddles and missing operation), COMPUTE - N - CONQUER (calculation round), THE BUZZING BLAZE(rapid fire) The main objective of the quiz was to develop interest in mathematics in a different way.

Through this Math Quiz we learned so many things in a edutainment way and we are very thankful to our school for giving us this opportunity.

He was born in the year 1114 in Hampur in Karnataka. He was an Indian mathematician and astronomer and is known as the greatest mathematician of medieval India. His main work Siddhanta Shromani (Crown of Treasures) has laid foundations for many theories in arithmetic, Algebra, mathematics of the planets and spheres. On 20 November 1981 the Indian Space Research Organization (ISRO) launched the satellite honoring the mathematician and astronomer.

GUIDELINES FOR Q-CIPHER

- Round 1- MATH-E-MECHANISM
- Round 2- AXIOMINATION
- Round 3- MAP THY MEMORY
- Round 4- MIND TWISTERS
- Round 5- COMPUTE & CONQUER
- Round 6- THE BUZZING BLAZE

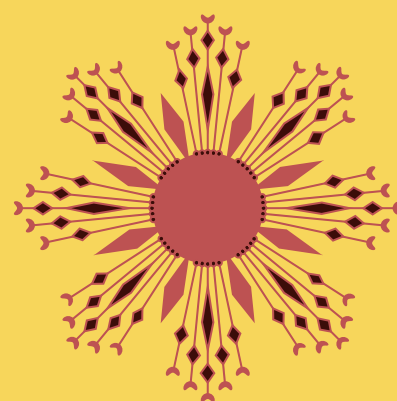

Number of Teams There will be four teams (one from each section) consisting of 6 participants, that is, 6 for each round in each team.

No negative marking in any round for any wrong answer.

FACTS THAT MAKE WATER A PRECIOUS RESOURCE

Continued...

Typical Household Water Use

Metamorphosis Of Ants In Real Life

Is water important to us?

Without water, we can't survive. We can't even think without it. We get it from the air and the ground. We use it to grow food and to keep our bodies healthy.

Indoor Household Water Use

FORM THIS CHART YOU GET AN IDEA ABOUT HOW MUCH WATER DO WE NEED A DAY

Toilet	13.7%
Other	3.8%
Shower	16.7%
Other Water	31.7%
Washing Machine	18.7%
Hand	1.7%
Dishwasher	1.4%

Water distribution

The distribution of water on the Earth's surface is extremely uneven. Only 1% of water on the surface is fresh, the remaining 99% is either in the ocean, as fresh water, 4% is frozen in glaciers, ice sheets, and snow, and less than 1% is located in lakes, rivers, and streams.

WAY OF COLLECTING WATER

Water Cycle

WE SAID THAT WE ARE WASTING WATER, THERE IS SCARCITY OF WATER WE USE PER DAY! DOES THIS MAKE YOU THINK THAT WE OWE WATER? IT IS NOT SO, WE THINK THE WATER WILL BE OF WATER CYCLE, THERE ARE 7 STEPS OF THE WATER CYCLE:

Great things never come from comfort zones.

Maths Project

Expectations of the day

In this slide, I write how much I expect to sell each ice cream and how much profit I will gain in a day

Ice Cream Name	No. of ice cream expected to sell	Profit/Loss
Tasty Tutti-Frutti	5	Profit: Rs.250
Rookie Cookie and cream	5	Loss: Rs.25
Vintage Vanilla	30	Profit: Rs.300
Rocking Raspberry	20	Profit: Rs.30
Choco Chipple	5	Profit: Rs.250
Odd Orange	25	Profit: Rs.275
Peanut Waznut	5	-
Mad Mango	20	-
Amazing Almond	5	Profit: Rs.300
Creamy Choco Fudge	25	Profit: Rs.300
Total	85	Profit: Rs.1508

Profit in a month from office cream sold: **Rs.1508*30 = Rs.45240**

EXOTIC FLOWERS Free Shipping

Red Rose Bouquet: Rs.1000
White Rose Bouquet: Rs.500
Pink Gold roses in heart shaped box: Rs.1500
Admirable Pink Lilies: Rs.1000

Free Cash on delivery (Cash on hand)

Types of Ice Cream Sold

Tasty Tutti-Frutti, Rookie Cookie & Cream, Vintage Vanilla, Creamy Choco Fudge, Choco Chipple, Odd Orange, Peanut Waznut, Mad Mango, Amazing Almond, Rocking Raspberry

Sales per month

Bouquet Sold	Amount (Rs)
50 Red Rose Bouquet	50,000
20 White Rose Bouquet	10,000
30 Pink Gold roses in heart shaped box	45,000
20 Admirable Pink Lilies	20,000
Total Sales	125,000

Details of expenses per month

Nature of Expense	Amount (Rs)
Shop Rent	10,000
Flower cost	80,000
Electricity	2,000
Employee salaries	5,000
Shop decor and cleaning	3,000
Total Cost per month	80,000

Don't miss it!

St. XAVIER'S HIGH SCHOOL

Happy Gandhi Jayanti
October 2

"The day the power of love
overrules the love of power,
the world will know peace."

Mahatma Gandhi

www.stxaviershigschoolgurgaon.com 9910238318/19

"It only takes one voice at the right pitch, to start an avalanche."

How apt is this quote in today's world! Having opinion and keeping it wisely is the most eminent quality of strong personalities. Through these open discussions, one acquires unique educational benefits, as you learn and polish skills far beyond what can be learnt in any other setting. It creates leaders. Leading requires skills such as intelligence, vision, empathy and efficiency. Analysing and studying both the sides of the coin cultivates these essential leadership skills in young children. St. Xavier's High School, Sector-49 Gurugram, is delighted and ecstatic to invite you to an online colossal discussion on 'The Relevance of Gandhian Philosophies in the 21st century' by students of grades VII & VIII. Our enthusiastic XAVERIANS express their opinion and evaluate Mahatma Gandhi's doctrine in the modern times. What better way of celebrating and paying tribute to Bapu on his 151st birth anniversary, where we remember Gandhiji's mission and vision.

Don't wish it were easier; wish you were better.

LENDING AN EAR: IMPROVING LISTENING SKILLS BY MS JAYASHREE ARORA

“Of all the skills of leadership, listening is the most valuable — and one of the least understood. Most captains of industry listen only sometimes, and they remain ordinary leaders. But a few, the great ones, never stop listening. That's how they get word before anyone else of unseen problems and opportunities.” St. Xavier’s High School brings to all of you Ms. Jayshree Arora, an Indian film, stage and television actress, and a trained dancer of Kathak and Manipuri dance. She has played supportive roles in numerous Bollywood films and Hindi soap operas. She had been acting in theatre since the age of 9. It's an honour for Xaverians having Ms Jayshree Arora as our eminent guest speaker in conversation with the shining stars of Grade VII and VIII for the Live Facebook Webinar 'Lending an Ear: Improving Listening Skills' to be held on 17 October 2020 from 1pm-2pm.

Don't wish it were easier; wish you were better.

CONFLATION - A UNIQUE BLEND OF THE PROFOUND SAGA OF RAMAYANA

22nd October 2020 | 1 pm - 2 pm

THE LEGEND OF SITA AND THE GOLDEN DEER IN RAMAYANA
Abandon the attraction as attraction leads to attachment that creates traps and sufferings.
By the Students of Grade IV & VII
21st October 2020 | 1 pm - 2 pm

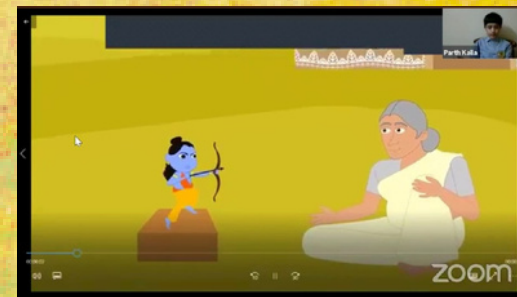

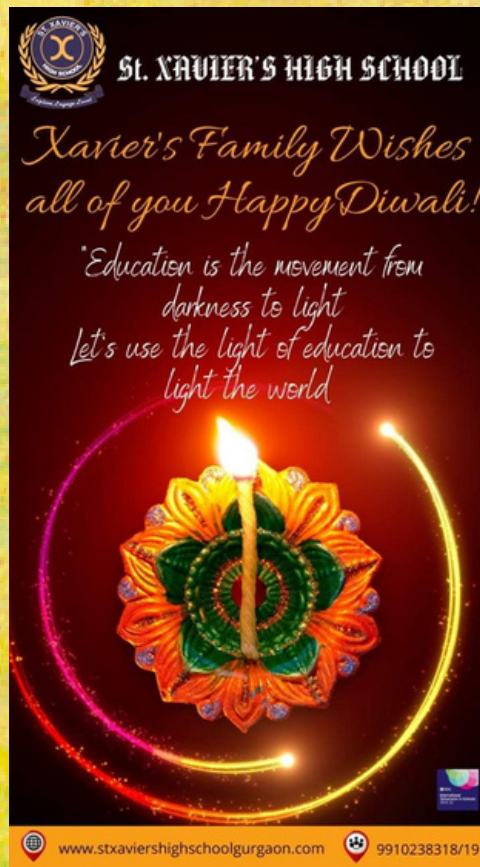

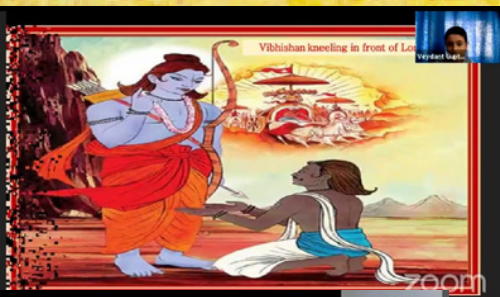

Kama (lust)
Krodha (anger)
Moha (delusion)
Lobha (greed)
Mada (pride)
Maatsyasya (envy)
Manas (mind)
Buddhi (intellect)
Ika (will)
Ahankara (the ego)

DEATH OF RAVANA AN END OF A GREAT SCHOLAR.
Ego and pride lead you to destruction and only education can open your doors to success in its truest sense.
By the Students of Grade V & VIII
24th October 2020 | 1 pm - 2 pm

JATAYU & VIBHISHANA - LOYALTY VERSUS RIGHTEOUSNESS
Inside each of us, there is the seed of both good and evil. It's a constant struggle as to which one will win.
By the Students of Grade V & VIII
23rd October 2020 | 1 pm - 2 pm

"Grief destroys one's courage. It destroys one's learning. It destroys one's everything. There is no enemy greater than grief."

CONFLATION- A UNIQUE BLEND OF THE PROFOUND SAGA OF RAMAYANA

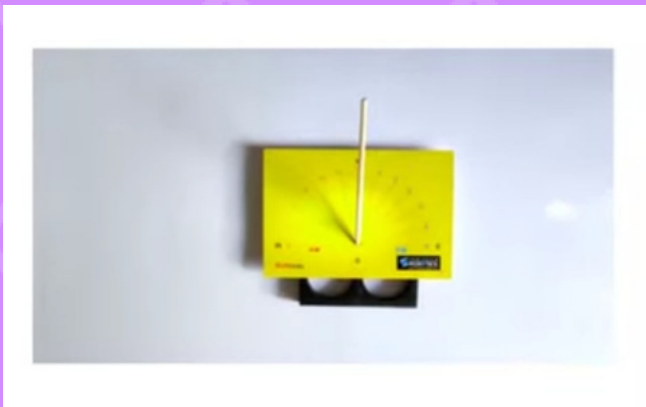

DIWALI - The Festival of lights is celebrated on the New Moon Day which is the darkest day of the year. With so much of lights and diyas being lit up, there is barely any darkness. This signifies that it is very important to use our wisdom to eliminate the inner darkness that is holding us back and light up the mind and soul with positive and encouraging thoughts. Whatever the external circumstances, stay positive and always try to find solutions. Education is such power and light in one's life. It is just like, light in complete darkness; it enlightens the path of movement from darkness of ignorance to a roseate, radiant future. Diwali is a time for newness. It signifies a new beginning. It is a happy occasion for making new pledges. It signifies that it is never too late to make a new beginning. Motivate yourself to push past whatever is holding you back and sky would be the limit to achieve your dreams. Beautifully quoted by F. Scott Fitzgerald "It's never too late to become who you want to be. I hope you live a life that you're proud of, and if you find that you're not, I hope you have the strength to start over." So, let us make this Diwali an experience to not just celebrate the Festival outwardly, but the diya within. Let us light the diya to make our and everyone's life a celebration.

"Those who have knowledge of dharma say that Truth is the highest dharma."

INDIA INTERNATIONAL SCIENCE FESTIVAL- GUINNESS WORLD RECORD

MOST PEOPLE ASSEMBLING SUNDIAL KIT SIMULTANEOUSLY ONLINE

"Your limitation—it's only your imagination."

INDIA INTERNATIONAL SCIENCE FESTIVAL- GUINNESS WORLD RECORD

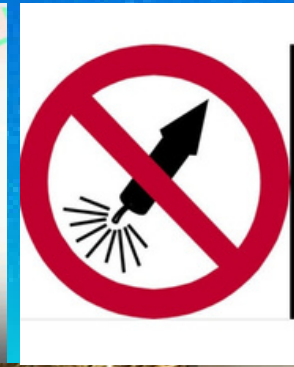

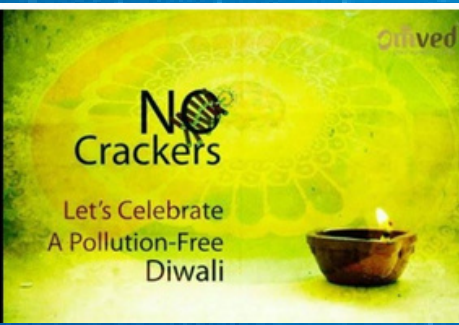

"Opportunities don't happen. You create them."

-- Chris Grosser

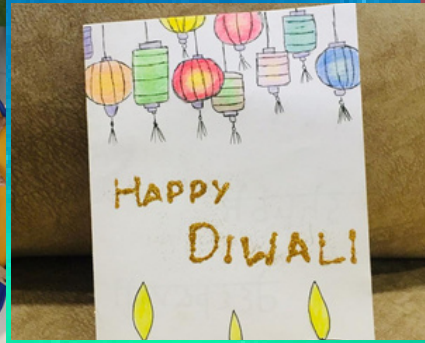

The 6th India International Science Festival 2020 (IISF 2020) was organized by the Ministry of Science and Technology, Ministry of Earth Sciences & Vijnana Bharati (VIBHA) from 22nd to 25th December 2020 in New Delhi through virtual mode and was hosted by the Council of Scientific and Industrial Research-National Institute of Science, Technology (CSIR) and Development Studies (NISTADS), New Delhi. IISF provided a platform for young scientists, students, and technocrats to exchange knowledge and ideas. The theme of IISF-2020 was 'Science for self-reliant India and Global welfare to support the Government's initiative of making Atmanirbhar Bharat'. In spite of the pandemic situation due to COVID-19, the IISF-2020 was organized, which signified the indomitable spirit to celebrate scientific temper and motivation to involve the common people to improve their scientific understanding, temperament, and appreciation towards various Indian achievements in the field of Science & Technology. Like every year this year also, during the festival 5 Guinness world records were supposed to create and out of five records the first one was most people assembling the sun dial kit virtually scheduled on 22nd December 2020. Our prestigious school was also a part of that mega event. Total 23 students of grade VII and 72 students from grade VIII heartily participated in this mega event. They had to assemble the sun dial kit in 15 minutes while keeping their video on and after the assembling of kit they had to check the sun-dial with torch whether they were working or not. They successfully completed the activity in the allotted time. Excellent coordination, prompt response by all participants and timely execution of this entire project made it successful. This mega event led the whole educational fraternity and gifting this once-in-a-lifetime opportunity to our budding generation nationwide. Watching our students performing an impressive record attempt on the International Platform GWR was indeed a memorable event of pride and honour.

"Your limitation—it's only your imagination."

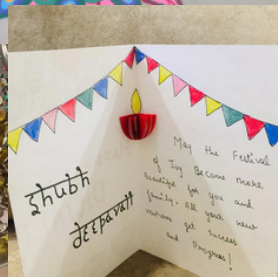

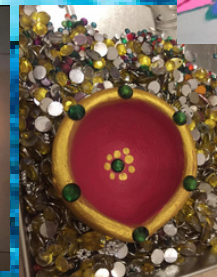

GLIMPSES OF FESTIVALS

Firecrackers have become an integral part of every celebration. Infact special events are now incomplete without bursting them. Everyone loves the spectacular visions and colours in the sky. Its illumination brightens up every occasion. However, all this show is only stunning to look at. The impact it has on the environment and the health of the people is worrisome. We need to take measures to control the use of firecrackers so we do not hamper the ecological system and lives of living beings. Say no to fire crackers. Let's celebrate an eco friendly and green Diwali this year. Let's not pollute the environment any more.

"Just like the sweet aromas of Diwali sweets and savories fill the home with festive flavor, may the brightness of Diwali lights fill you with joy and cheer!"

"Your limitation—it's only your imagination."

CHRIS BELLS 2020- CELEBRATING THE FERVOUR OF CHRISTMAS

'Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful.' Christmas is just not a season, it is a feeling and at this stressful time for everyone it is heart warming to have something positive to look forward to. Keeping this spirit, St. Xavier's High School, Sector-49, Gurgaon (Middle School) organised 'CHRISBELLS - 2020' to celebrate the fervour of Christmas.

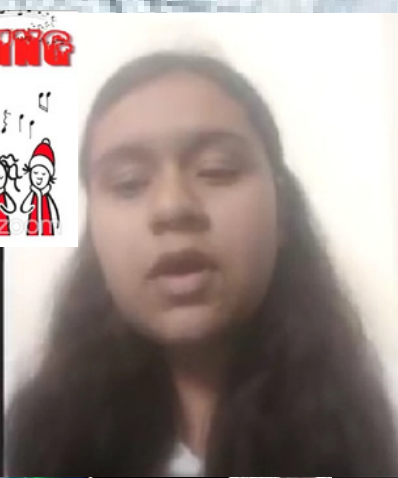

"Anybody can make you enjoy the first bite of a dish, but only a real chef can make you enjoy the last."

"Your limitation—it's only your imagination."

CHRIS BELLS 2020- CELEBRATING THE FERVOUR OF CHRISTMAS

23RD DECEMBER
2020

Invites You To Join For

CHRISBELLS: 2020
Vocal Ecstasy
An Evening of Carol Singing
5:30 pm-6:30 pm | Grades III - VIII

The idea of Christmas caroling brings to mind jolly bands of churchgoers, dressed in shawls and top hats, going door-to-door, to spread the spirit of Christmas through hymns. To keep up the spirit of Christmas with the Carols and entice you with their euphonious voices, the young Xaverians of Grade III- VIII invite you all to the Vocal Ecstasy,

And the shining star it was...

**"Let us have music for Christmas...
Sound the trumpet of joy and rebirth;
Let each of us try, with a song in our hearts,
To bring peace to men on earth."
It's time to deck the halls and embrace all things merry and bright. But, Christmas is incomplete without the traditional Christmas story. So, here we are on Day 'FOUR' with 'Bringing Joy To The World: The Birth of a Saviour - The Messiah & His Miracles'**

St. Xavier's High School

RESONANCE FROM THE PARENTS' HEART

Many congratulations to all who were involved in making this enormous task successful ☒ ☒ applauded and appreciation for each one's effort . Thanks a ton Xaverian faculty members for participating in this event and making our school/kids feel proud.😊

Many congratulations to each one of the Xavier's family who made this happenTrying times ! But making everything happen! All teachers and the management deserves a "RED CARPET" welcome !!!!Kids can bang on for life ☒ with this environment!

Many congratulations to entire faculty of St Xaviers for their determination to make this happen And kudos to all children for following their teachers to make this world record

Thanks a lot for the efforts.
Coordinating for such an event is not an easy task☒☒☒☒☒☒

This is the rear moment when I witness kids enjoying mathematics. It enhanced their knowledge and logical thinking etc. Thanks to teachers for organizing such an amazing quiz competition online.
Pooja Mehta (mother of Pal Mehta)

Wearing A Mask Could Be A Task but Remember it can save not only your life but of many

RESONANCE FROM THE PARENTS' HEART

I absolutely loved the way Dusshera had been celebrated by Xaverians. There was sharing of insight, wonderful videos, and amazing presentation. The orating skill of these children is stunningly perfect! My own daughter participated in the webinar, and I saw the effort the teachers put into all of this. It's amazing, how all the children and class teachers have come together and prepared a wonderful webinar including the stories of Dusshera and the various lessons we've learnt. They not only showed the evil in Ravan, but also the positives in him, which impressed me a lot!

**Shalini Verma
(Mother of Anushi Pandey)**

I would really like to thank school management and teachers for conducting math quiz. It was a great experience witnessing the quiz online. It was keeping kids more occupied and giving knowledge side by side. More such quiziz should be organized.

Mother of Dhruv Bakshi

"Success is not final; failure is not fatal: It is the courage to continue that counts."
