MORNING ASSEMBLY-VIII A

Morning assembly undeniably holds the numero uno position out of all the routine activities in a school. It offers a platform which boosts the confidence of the young minds towards public speaking and imbibes a feeling of team spirit.

Students of Grade VIII A presented a beautiful assembly on the theme – ‘Love For Learning’. The assembly started with the pious Lord’s Prayer, followed by the News Reading , Word for the Day and Thought for the Day.

The well-planned assembly showcased the story of Eklavya and his love for learning despite many hurdles. The skit was followed by an energetic dance performance ‘Following one’s Dreams’. The energy of the performance was contagious which left the audience in awe of them.

The Director-Principal, Mr. John Rafi, addressed the gathering and motivated the students with his encouraging words of wisdom. The assembly culminated with the rendition of the School Song and National Anthem.

It was indeed a pleasure to see students performing confidently and joyfully on the stage with a beautiful message for their fellow Xaverians.

MORNING ASSEMBLY-VIII B

Say No to Single-use plastic was the message conveyed by the students of class VIII in their special assembly. All the students worked together as a team and presented a melange of thoughts, ideas and expressions.

The assembly commenced with the Morning Prayer which is believed to provide peace and serenity to our minds and souls. The students performed mesmerizing dance performances on saying no to single-use plastic. The energy and the msg of the performance was contagious, leaving the audience in awe of them, followed by Nukkad Natak putting light on the current problems faced by the people by using plastic.

Every child was given the opportunity and the platform to display their talent and present themselves as individuals. Guided by their mentors, the assembly includes dance performance, Nukkad Natak, slogan, poetry recitation, harmful effects of plastic and its cure

The assembly delivered a strong message that we should not use plastic because the harm it is causing to the environment is dangerous.

The assembly came to its finale with the students delivering a vote of thanks to their mentors. This assembly was undoubtedly a result of the immense efforts put together by students and their teachers. It was once again proved that when students and teachers work together they surely create masterpieces.

MORNING ASSEMBLY-VIII C

The assembly, depicting the love of sibling- Rakshabandhan was conducted on 1st August, 2022 by students of class VIII C. The students showcased their dramatic skills to make others aware about the mythological history behind celebration of this auspicious festival. The students also affirmed through play that certainly Xavierians are different, so they portrayed special ways to celebrate this occasion. They thought of celebrating it not only with the family but also some thought of visiting our borders to celebrate the festival with the soldiers who protect us day and night, some decided to tie the knot to the doctors who were working day and night even risking their lives during Covid times.

Most of the times, these special people indeed warriors in a complete sense are not able to celebrate festivals because their duty calls them first. The play gave a strong message that this bond or festival is not just restricted to brother and sister but rakhi could be tied to anyone who makes you feel safe and protected be it a soldier, doctor, teachers, mentors who work selflessly to make you feel protected. In the end, the stage was set on fire by a fabulous dance performance on foot tapping numbers. The hall echoed by the continuous applause of the students and teachers.
