Glimpse of the Event

Objectives:

The primary objective of the inter-house poetry competition was to -

- encourage students to explore their creativity and express their thoughts and emotions through the art of poetry.
- boost students' confidence and improve their public speaking abilities. It provides them with an opportunity to overcome stage fear and present their work with poise.

"Genuine poetry can communicate before it is understood." — T.S. Eliot

MBS International School organised an *Inter-House Poetry Competition* for the students of class VI to showcase the creative talents of students, foster a love for poetry, and enhance their public speaking skills in a supportive and engaging environment.

The competition was held in a space thoughtfully arranged to accommodate the performers and audience. The event was structured in several rounds, including preliminary performances and a final showcase. Each participant had the opportunity to present their poems before a panel of an audience of peers and teachers. The competition featured a wide range of poetic styles and themes, from personal reflections and social commentary to humorous and imaginative pieces. The variety showcased the depth of talent among the students. The audience was highly responsive, offering encouragement and applause. The interaction between performers and attendees created an energetic and positive atmosphere.

Winners were announced in various categories after being assessed on pronunciation, voice modulation, body language and presentation. All participants received certificates of participation, celebrating their contributions to the event.
