ITIHAAS WALK

er for the first for the first

The first of out of

Students of JMIS had a great opportunity to visit some of the well recognized places in Delhi with ITIHAAS team.. They had a well organized plan for the students. They engaged the students with some activities like shading work from the engraved designs on the pillars of some of the Historical Monuments.

Students enjoy a lot and come back with lot of knowledge and new information about the places they visit.
