

Visit to Red Fort

The students of class II were taken to The Red Fort. They were told about history of Red Fort and were taken around Red Fort where they were told about Deewan-e-aam, Deewan-e-Khas and Rang Mahal etc. Children were very excited to stroll through Meena Bazaar where they could see various craft items for sale. They were also shown the place from where The Prime Minister of India gives speech on Independence Day. It was a rich learning experience for children as such trips not only enhance knowledge but also helps to create awareness about our national monuments.
