

Report on the Educational Excursion to Movie 'Inside Out' and Park Visit

To provide students with an engaging and fun filled educational experience that combines entertainment and learning, JMIS organised a special screening of the animated movie 'Inside Out' followed by recreational activities in park, for the students of grades III – V on July 20, 2024.

The students were captivated by the vibrant animation and engaging story. Many students expressed empathy towards the lead character's struggle and found the personification of emotions insightful. After the movie, students visited DDA Park, Dwarka Sector 9, for a recreational outing. Many games were played like 'Poshampa' 'Lock and Key' etc, that led students build teamwork and social skills.

The combination of the 'Inside Out' movie screening and the park visit provided a balanced educational and recreational experience. Students not only learned valuable lessons about emotions but also had the opportunity to bond with their peers and enjoy the outdoors. Overall, the day was both informative and fun filled.
