

# PRATAP INTERNATIONAL SCHOOL

## Grade – (MT – PREP)

### JULY(2024)

**SYNOPSIS:** Students in school engage in a variety of enjoyable activities , fostering both academic and personal growth. Children enjoyed a lot and also participated in subject related activities and co-curricular activities as well:

- ❖ WELCOME BACK TO SCHOOL
- ❖ RASNA PARTY
- ❖ LIBRARY VISIT
- ❖ GURU PURNIMA
- ❖ KARGIL DIWAS
- ❖ INTERNATIONAL TIGER DAY

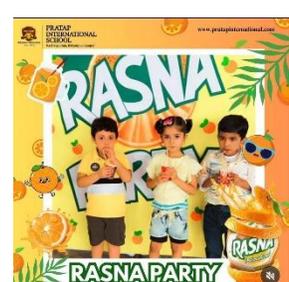

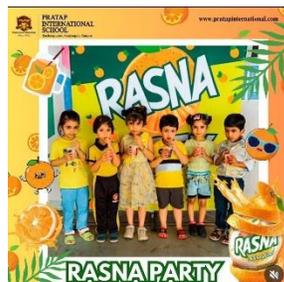

#### ❖ WELCOME BACK TO SCHOOL:

The wait is finally over, and we were thrilled to welcome our student back to school! A new academic year brings new opportunities, challenges and experiences. Our halls were once again filled with the sound of laughter, learning and friendship. Our dedicated teachers and staff were ready to inspire and guide you every step of the way whether you are returning student or joining our community for the first time, we were excited to have you on this journey with us. Let's make this year one to remember

#### ❖ RASNA PARTY:

School is back in session, and so are the parties! Rasna Party celebrations are underway!

## ❖ LIBRARY VISIT:

Lost in the pages of good book, as students are creating their own stories of success!

In the spirit of P.N panickers, who championed the cause of literacy and education. Our school library stands as a beacon knowledge and discovery. As our students read, learn, and grow, they were honoring the legacy of a true visionary who believed in the power of books to transform lives. With every turned page, they unlocked new words exploring new ideas and developed a love for learning that would stay with them forever.

## ❖ GURU PURNIMA:

Happy Guru Purnima!

Every day, we honor the selfless dedication and guidance of our teachers, mentors, and gurus. They illuminate our path to knowledge, wisdom, and success.

At Pratap International School, we celebrated the special bond between teachers and students, and recognized the profound impact they have on our lives.

Let us express our heartfelt gratitude to our gurus, who inspire us to reach new heights and become the best version of ourselves.

## ❖ KARGIL DIWAS

Saluting Courage, Honoring Victory: Kargil Vijay Diwas

Our students commemorated Kargil Vijay Diwas with patriotism and pride!

To help them understand the significance of this day, our teachers showed a documentary video highlighting the bravery and sacrifices of our Indian Armed Forces during the Kargil War.

By learning about our nation's history and the heroes who shaped it, our students will grow up to be responsible citizens and courageous leaders.. □

## ❖ INTERNATIONAL TIGER DAY:

*Roar for the Tigers: Celebrating International Tiger Day*

*Our young wildlife enthusiasts at Pratap International School marked International Tiger Day with a creative and interactive play, highlighting the importance of conservation and the devastating impact of hunting.*

*Through this engaging performance, our students learned valuable lessons about protecting our majestic national animal and preserving the delicate balance of our ecosystem.*

*Kudos to our teachers for inspiring the next generation of wildlife guardians!*

## ❖ CLASS ENRICHMENT:

**Class MT:-**

- **Hand Print Activity:-**

Creating handprint activities with child is a fun way to nurture their fine motor skills. Students will get to have some sensory fun with paint creating hand prints, and coming up with a sentence about what their hands do for them.

This handprint activity is one of the best kids' activity that will provide hours of fun and flexibility of ideas.

- **Fun with Numbers-**

Counting helps children learn number sequence—but they need to develop a basic understanding of numbers first.

Learning math promotes working memory, improves attention, and increases other basic cognitive skills. Additionally, studies have shown that a child's math skills upon entering kindergarten can strongly predict their future academic performance in both math and reading throughout the elementary grades.

## **Class KG**

- **Sorting of Fruits and Vegetables**

This activity not only helps kids learn to differentiate between fruits and vegetables but also encourages healthy eating habits and a love for nutritious foods.

- **Hop n Jump Activity(what comes after)**

Learning about numbers is so much fun, and knowing what comes after is an important step in growing our maths skills. Who is ready to play and learn together ? let's go! We encourage parents to continue the learning at home by practicing what comes after with their children. Together we can help our little ones become confident and successful learners.

## Class PREP

- **Let's play with Blending Words( bl sound):**

This activity lays the groundwork for fluent reading and accurate spelling by making children comfortable with the concept that letters represent sounds that can be blended to create words.

- **Gross Motor Activity(pass through the ring):**

The "pass through the ring hula hoop" activity is a fun and engaging group exercise that promotes teamwork, coordination, and physical activity.
