

PRATAP INTERNATIONAL SCHOOL Grade – V(October –December 2023)

SYNOPSIS : *Students in school engage in a variety of enjoyable activities , fostering both academic and personal growth. Children enjoyed a lot and also participated in subject related activities and co-curricular activities as well:*

- ❖ **NAVRATRI CELEBRATION**
- ❖ **S.St ACTIVITY- NATURAL REGIONS OF THE WORLD**
- ❖ **CHILDREN'S DAY CELEBRATION**
- ❖ **GANDHI JAYANTI**
- ❖ **HALLOWEEN PARTY**
- ❖ **S.St ACTIVITY- EARTHQUAKES AND VOLCANOES**
- ❖ **GURU NANAK JAYANTI**
- ❖ **SCIENCE ACTIVITY-NEWTON'S DISC**
- ❖ **CHRISTMAS CRAFT**
- ❖ **WINTER CARNIVAL**

❖ **NAVRATRI CELEBRATION :**

The spirit of Navratri was elevated as students gathered to worship Goddess Durga during this auspicious occasion. The school echoed with devotional hymns and prayers as students offered their reverence to the divine. The atmosphere was infused with a sense of spirituality and unity as the students came together to celebrate the strength and grace of Goddess Durga.

❖ **NATURAL REGIONS OF THE WORLD:**

The presentation on various landforms offered a captivating journey through the diverse physical features shaping our planet's surface. Students meticulously highlighted prominent landforms like mountains, plateaus, plains, valleys, and coastlines, elucidating their formation processes. With detailed explanations and compelling visuals, the audience gained insight into the forces of nature, such as tectonic activity, erosion, and weathering, that sculpt these formations over time. The presentation seamlessly navigated from the grandeur of mountain ranges to the gentle undulations of plains, showcasing their ecological significance and impact on human civilizations. By comprehensively exploring these landforms, the students fostered a deeper appreciation for the intricate landscapes that define our world.

❖ GANDHI JAYANTI

The Gandhi Jayanti celebration at the Pratap International School was a vibrant event filled with inspiring plays and soulful songs, paying homage to the Mahatma's principles of peace and non-violence. The theatrical performances portrayed key moments from Gandhi's life, emphasizing his commitment to truth and justice. The songs, echoing messages of unity and harmony, resonated with the audience, creating a memorable tribute to the Father of the Nation.

❖ CHILDREN'S DAY CELEBRATION

Celebrating Children's Day at Pratap International School was a joyous affair! Teachers filled the air with melodious tunes, delivering motivational speeches that resonated with our youngminds. The festivities reached a sweet crescendo with a heartwarming cake-cutting ceremony and refreshing treats for our little stars. A day filled with laughter, inspiration, and the pure joy of childhood!

❖ HALLOWEEN PARTY :

School hosted an enchanting Halloween party, where students experienced a delightful blend of spookiness and sweetness. Dressed in an array of imaginative costumes, the students gathered for a celebration filled with laughter and excitement. The classrooms and halls were adorned with spooky decorations, creating an immersive Halloween ambiance.

The highlight of the party was the distribution of goody bags, each filled with a tempting assortment of treats and surprises. From ghoulish candies to themed trinkets, the goody bags added an extra layer of joy to the celebration. Students eagerly exchanged their loot, enhancing the sense of camaraderie and shared delight.

❖ Earthquakes and Volcanoes

The presentation on earthquakes and volcanoes was a riveting exploration into the powerful geological forces that shape our planet. Students meticulously detailed the mechanics behind earthquakes, explaining tectonic plate movements, fault lines, and seismic waves. They highlighted the catastrophic impact of earthquakes on landscapes and communities, emphasizing preparedness and mitigation strategies. Transitioning to volcanoes, the presentation delved into the formation of these majestic yet potentially hazardous structures, elucidating magma chambers, volcanic eruptions, and their influence on the environment. Through vivid visuals and real-life case studies, the audience

gained a profound understanding of these natural phenomena, their causes, effects, and the crucial role of scientific monitoring and preparedness in minimizing their impact.

❖ GURU NANAK JAYANTI

❖ NEWTON'S DISC

In the experiment exploring Newton's color spectrum, student aimed to understand how colors combine to form white light. Using a homemade spinning disc divided into vibrant segments representing various colors of the rainbow, students observed that when spun rapidly, the colors seemed to merge, ultimately creating the illusion of white light. This phenomenon, known as the persistence of vision, highlighted how our eyes perceive the amalgamation of colors due to their rapid succession, aligning with Newton's groundbreaking discovery that white light is composed of a spectrum of colors. Through this experiment, they gained insight into the nature of light and its colorful composition, reinforcing Newton's pivotal findings.

CHRISTMAS CRAFT

The Christmas craft activity at school was a delightful celebration of creativity and festive cheer. Students enthusiastically engaged in crafting charming Christmas-themed items, including Santa Claus figures, snowmen, and festive caps. Using vibrant colors papers, and craft supplies, they brought these creations to life, infusing each piece with their unique artistic flair. The jovial atmosphere echoed with laughter as the students meticulously designed and assembled their Santa Claus figures, complete with red suits and fluffy white beards. The festive caps, adorned with jingle bells were a testament to the students' imaginative spirit. The activity not only fostered creativity but also spread holiday joy throughout the school community.

WINTER CARNIVAL

The winter carnival in our school was a festive extravaganza that seamlessly blended the joy of Christmas . The campus radiated with twinkling lights , festive decorations and an air of anticipation as students , staffs and families came together to celebrate. Christmas carols echoed through the halls as students presented heartwarming performances, showcasing their talents and spreading cheer.
