**“When you are looking at your mother, you are looking at the purest love you will ever know.” —Charley Benetto**

**“Mothers are like glue. Even when you can’t see them, they’re still holding the family together.” —Susan Gale**

Mother’s Day is the special time of year when you get to celebrate your first best friend and the person you always turn to when you need advice. Mother’s Day is also a great time to show your love for all the other wonderful women in your life. Let's show our mother, grandmothers, or any other mother figure in our life how special we think they are.

Air Force School Camero celebrated Mothers' Day by organising various activities in the school.

- Making card for mother
- Watching a movie
