

CHILDREN'S DAY CELEBRATION

Date- 14 Nov 2022

Pandit Nehru once said, “the children of today will make the India of tomorrow. The way we bring them up will determine the future of the country.”

14th of November is celebrated every year as Children's day. The 14th November date is of great importance because it is the birth anniversary of Pandit Jawaharlal Nehru. He was the first Indian Prime Minister of independent India. He was very fond of the children and had great affection for them. He liked very much to be among children as well as talk and play with them. Children used to call him Chacha Nehru to show their love and respect.

Air Force School Camero also celebrates “Children's day” with great zeal and enthusiasm every year. The teachers performed a special morning assembly for the children. Mrs Kavita and Mrs Shweta enacted like kids and recited rhymes. Then all the teachers danced to a mashup of popular fun songs. There was an on the spot game for the students “Pehchaan Kaun” which the children enjoyed thoroughly. Last but not the least , teachers sang a medley of peppy kids songs.

After this fun filled assembly, the students moved to class and there they were presented one book each as a “Children's day gift” by the class teacher.
