Glimpse of the Event

Objectives:

The primary objective of the inter-house poetry competition was to

- raise awareness about Independence Day by having students create slogans that promote positive messages.
- encourage students to creatively express their thoughts and ideas on a specific theme.
- enhance students' ability to use language effectively and persuasively.

“Freedom is never dear at any price. It is the breath of life. What would a man not pay for living?” Mahatma Gandhi

MBS International School organised a Slogan Writing Competition. The competition aimed at engaging students in creative expression, allowing them to convey important messages on Independence Day through concise and impactful slogans.

Here, participants were given a time frame to write their slogans. Each student was instructed to bring materials such as sheets, markers, and they could also bring their own tools for decoration if desired.

Participants worked diligently to craft slogans that were concise, memorable, and aligned with the theme. The atmosphere was one of concentration and creativity, with students presenting and refining their ideas.

After the allotted time, the slogans were collected and displayed for judging. The judges reviewed each submission, assessing them based on the predefined criteria.

The slogan writing competition was a valuable and engaging activity that successfully encouraged students to express their ideas creatively while raising awareness about Independence Day. The competition met its objectives, and the positive feedback from participants highlights its success.
