Dear Parent

It is said that charity begins at home and it is further reinforced in school. Keeping this in perspective, the school in association with **NGO Ek Mutthi** is organising a grain collection campaign to help the less fortunate. Students are requested to generously donate only rice and pulses to their respective class teachers latest by **27.08.2024 (Tuesday)**.

Let us join hands to do good for the needy and deserving members of our community.

**We rise by lifting others!**
