**Dear Parents  
Namaskar!**

It is rightly said that it takes a village to raise a child, and your partnership with us exemplifies this perfectly. Together, we have created a nurturing and dynamic environment where our students are blossoming in a holistic way.

As we continue to navigate through this academic year, we are pleased to share significant achievements and milestones that our students have attained and made the entire SVIS family very proud.

SVIS once again is the winner of the **Championship Trophy 2023-24** among 200+ schools of Zone 21 South West 'B' in the Cultural, Literary, and Sports activities 2023-24.

In C-Fore School Surveys, SVIS is ranked **No. 12 at the Delhi level** and **No. 38 at the India level**. In the individual parameter, SVIS received an **All-India Rank 07** with 91/100 marks in **Academic Rigour**, **Rank 10** in **Co-Curricular activities**, **Rank 10 in Leadership / Governance** & **Rank 10 in Parental Participation and Education**. We do hope to improve these rankings further.

In the Education Today's North India's School Merit Awards, SVIS has achieved the **Best School Award in Holistic Education in Delhi and NCR with Rank 1 in the category of Excellence in Assessment**.

SVIS also bagged the **Aesthetic School Award** by Learning Feet in the category of 'Innovative Experiential Learning Programs'.

Kuval Anand of Grade VIII has bagged the title of **Dwarka City Word Pro Champ 2024** after securing the **First Position** in the Spell Bee Championship.

Our six students, after winning the regional level round, have qualified for the **National Level Round of India Spelling Bee**, which is scheduled to take place on August 25, 2024. We are thrilled to share that SVIS has more qualifiers from the regional stage than any other school in India.

In the Sports arena, our students have achieved the **First Position in South Asian Rope Skipping Championship 2024** and will represent **Team India in the World Skate Games 2024**. In the **Delhi State Cadet Taekwondo Championship 2024** and **Delhi State Junior Taekwondo Championship 2024**, our students bagged the **first and second runners-up positions**, respectively. In the **District Badminton Championship 2024**, SVIS bagged **two Gold medals** in Under 15 Single and Double Categories.

During the months of June and July, SVIS hosted three significant events—**Inter-School MUN, TEDxYouth, and National Maha Behes**—all of which were meticulously organized by our students and played a crucial role in instilling and fostering leadership qualities among them.

Considering **career counselling** as extremely crucial for the students of Senior Wing for enabling them to make informed academic and career decisions and preparing them for future challenges, a number of career guidance sessions have been organized. **Indo-Global Uniconnect Education Fair** with more than 20 universities from India and abroad, **3 Career Fairs** in association with Jitin Chawla's Centre of Career Development, Career Counselling workshop by **Tokyo University** and Career Guidance Workshop by **Master's Union** have been organised till date.

The School vested the newly selected Student Council 2024-25 with their responsibilities in the Investiture Ceremony. The pinning ceremony sought allegiance from the Prefectorial Board in terms of leadership, self-reliance, mutual respect, cooperation, and commitment.

SVIS hosted a series of significant celebrations, each contributing to the school's vibrant cultural and educational environment. A highlight was the event **Tagda**, featuring **Major General G.D. Bakshi** in collaboration with Dainik Jagran, which offered a distinguished platform for military and civic discourse.

The school also held Cultural and Appreciation Days for various grades, showcasing performances such as '**Pinocchio**' for Pre-Primary, '**Shravan Kumar**' for Grade I, '**Alice in Wonderland**' for Grade III, and '**Shakespeare**' for Grade VIII. Additionally, Appreciation Days recognized the achievements of Grades VI-VIII, IX, and XI, further fostering a sense of accomplishment and pride.

SVIS also engaged in impactful **community outreach programs**, each playing a vital role in supporting various causes for the less privileged sections of society. Two **grain collection drives** (in collaboration with Dwarka City's Ek Mutthi, and Robin Hood Army), Collection drives for bags & stationery items (with the Ayudham Society), and confectionery items (with the Pahal Organization) were successfully organised.

We believe that the synergy between parents and the school is indispensable in nurturing not only academic excellence but also emotional and social well-being. Your active involvement and support significantly contribute to this balanced growth.
