

WORLD RAINFOREST DAY 2024

CLASS: VI- XII

DATE: 22nd June 2024

World Rainforest Day 2024: Empowering the World in Defense of Our Rainforests

Observed annually on June 22, World Rainforest Day raises awareness about the critical role rainforests play in our planet's health and the urgent need for their protection.

At ITL Public School, we honour this day by educating our community and promoting sustainable practices.

- Tree planting campaigns
- Educational programs
- Sustainable consumption
- Advocacy for forest protection
