A Glimpse of the Event

Objectives:

- To create a sense of responsibility among students for environmental conservation, sustainable practices, and the significance of a clean and green environment.
- To Stimulate critical thinking skills by posing questions that require students to analyze environmental problems, evaluate potential solutions, and understand the consequences of their actions on the environment.

“Cleanliness is a state of purity, clarity, and precision.” – Suze Orman

A quiz competition was organised for the students of Class XI by the Eco Club at MBS International School, Dwarka, New Delhi on 28 August 2024 in the school premises, with a motive to create awareness about cleanliness and greenery. It is each citizen’s responsibility to keep their surroundings clean. The quiz themed “**Green India Clean India**” served as an effective platform for engaging class XI students in learning about environmental issues and solutions. It provided an opportunity for students to showcase their knowledge, critical thinking skills, and understanding of the importance of environmental conservation. The Quiz Competition contributed in raising awareness about environmental sustainability among students.

The quiz concluded with a reminder of the collective responsibility of all Indian citizens to work towards creating a cleaner and greener India for present and future generations.
