DATE: 28th AUGUST 2024

"Knowledge is the true power that shapes the future."

ITL Public School held an exciting Inter-House Quiz Competition on 28th August 2024! The event kicked off with a written prelim round for all four houses, narrowing down to an intense buzzer round finale between the top two. Students demonstrated their quick thinking and vast knowledge in topics like Science & Technology, World Geography, and Politics.

We were privileged to have the renowned quiz master, Mr. Arindam Bhattacharya, as our Chief Guest, who graciously honoured the event. Congratulations to the winning house and all participants for their brilliant efforts!
