20.04.2012: TERI & TETRA PAK CARTON CRAFT COMPETITION / EXHIBITION

The Energy and Resources Institute (TERI) in collaboration with Tetra Pak India Pvt. Ltd. initiated Project SEARCH (Sensitisation, Education and Awareness on Recycling for cleaner Habitat) to conduct awareness and sensitisation drives in schools in order to instill a habit of reducing, reusing, refusing and recycling amongst students, teachers and school community.

TERI organized a Teri and Tetra Pack Carton Craft Competition on 20th April' 2012 at Indian Habitat Centre in New Delhi. Various schools from Delhi participated in this competition. Amongst the forty leading schools of Delhi Queens Valley School participated and bagged the first prize.

27.07.12: Weave - A - Tale Competition @ Indian Heights

"Weaving a tale of success or competition is the mother of invention."

A story telling competition was organised at 'The Indian Heights School' on 27th July' 2012 where the queens of **Queen's Valley School** outshone the other participants and brought scintillating laurels to the school. Our queens stood third in the event in which twenty five other schools of Delhi /NCR also participated. The girls of QVS presented their innate talents and the audience squealed in delight at every twist in the tale that they wove with their ideas, creativity and imagination. The girls were judged on their fluency, pronunciation, voice modulation, expressions and giving an appropriate title to their tale. The tale presented by the students enlightened the audience. The schools of Delhi showcased a plethora of talent to the stage showing different expressions, settings and excellent speech delivery.

The queens of QVS are unmatched in their quest for excellence. The event was an enriching experience for the participants as well as the audience. The girls who made the school proud are:

Name of Participants	Class

03.08.12-04.08.12: QVS brings laurels in CBSE Regional Level Science Exhibition 2012-13

Our girls participated in CBSE Regional level Science Exhibition 2012-13 held in Bloom Public School, Vasant Kunj on 3rd and 4th August' 2012. As many as 85 CBSE affiliated schools from south-west Delhi region displayed approximately 130 projects/exhibits on various themes. The theme of the exhibition was 'Science, Society and Environment.'

Out of the 130 projects on display only 15 projects were selected for the next level i.e. National-Level. The judgment was based on the involvement of the child's own creativity and imagination, originality and innovation, scientific principle, technical workmanship and craftsmanship, utility and educational value for layman and children, economic aspect, portability, durability and, explanation and demonstration.

Name of the Student	Class
Apoorvi Dwivedi	X-B
Tanmaya Murthy	XI-B

The model 'Soil Moisture Sensor' under the theme 'Agriculture and Food security' was selected for the NATIONAL LEVEL SCIENCE EXHIBITION. The exhibit aimed to conserve soil, sense its moisture requirement for better irrigation practices. Judges showed keen interest in the project and appreciated it for its uniqueness, low monetary inputs and great utility for the agricultural sector. The girls were awarded certificates for their outstanding performance at the exhibition.
