Our Script our character

Dear Parent,

Handwriting is the true reflection of one's character. With the aim of inculcating the art of good handwriting in our Li'l princesses, QVS is organizing an English Calligraphy Competition on **Wednesday, 8th November 2023** for the students of Pre-School and Pre-Primary. Pre-School princesses will write letters (done so far) for the competition and Pre-Primary princesses will write sentences. The sheet will be provided from school wherein the child needs to copy the letters or sentences (given in the sheet) in their best handwriting.

Looking forward to your co-operation.
