“Poetry comes alive through recitation.”

Dear Parents,

Poems are an integral part of the teaching – learning process. They teach language in its poetic form.

Through poems children enhance their musical and aesthetic awareness, as well as oratory skills.

QVS is giving an opportunity to the Li'l Queens to showcase their poetic talent through an English Poem Recitation Competition.

The competition will be held in two rounds.

- **Final Round** on **14th December 2023** (Thursday).
- **The Poem selected should be of 8-10 Lines.**

Note: The children selected in the first round will go to the final round. Costume and props are not required in the first round.

Judgement criteria for final round - • Selection of poem, clarity of speech, confidence, use of props and costume (compulsory).

Looking forward to your cooperation
