FLICKS AND CLICKS: Web Designing

Dear Parent

A website provides a quick and easy way of communicating information. The purpose of a website is to convey specific and helpful information to users for their perusal. HTML is the most widely used language to create web pages of a website.

To enhance the skill of creativity in our queens, QVS is organizing '**FLICKS AND CLICKS: Web Designing**' for the students of class VII on 19th January, 2022 (Wednesday) on MS Teams from 4:00 p.m. to 5:00 p.m.

You are invited to join the meeting via MS Teams Calendar and encourage our young coders.

Heartiest congratulations to all the short-listed students.
