DIGITALOCK- Cyber Safety Quiz

“Digital security is a social responsibility. We all have a role to play.”

— Magda Chelly

Dear Parent

Our society is more technologically reliant than ever before. Today, the internet extensively impacts people's lives through improved communications, interactions, and the exchange of information. At the same time, it also generates significant negative issues. Therefore, there is a need to create awareness about cybersecurity to protect students from cyber-bullying, online fraud, and being targets of prejudice.

We, at QVS, believe that knowledge and education on cybersecurity should be given at a young age to cultivate a culture of cyber-safety awareness on a global scale. In order to inculcate the same, we are organising DIGITALOCK- Cyber Safety Quiz for classes XI & XII on Monday, January 31, 2022 on MS Teams from 4:00 pm to 5:00 pm.. You are invited to attend the meeting via MS Teams Calendar and encourage the participants.

Heartiest congratulations to all the finalists.
