

29.04.16: Class IX & X Wonders of the World: Dance Continents Competition

Dancing is the loftiest, the most moving, the most beautiful of the arts, because it is not mere translation or abstraction from life; it is life itself.

- Havelock Ellis

Dance, which is both an art form and a method of communication in cultures across the world, is practiced by millions. It is an expression of emotions, feelings and opinions through the graceful movements of the body. Dancing contributes immensely to the personal development of a child and thereby boosts all types of skills that are required for better education.

Keeping up the spirit of 'International Dance Day', Queen's Valley School organized '**Wonders of the World: Dance Competition**' for the students of classes IX & X on 29th April, 2016. Divided into groups, the students employed sophisticated musical, choreographic and dramatic techniques, performing various dance forms from around the world. They were judged on the basis of technique, style, innovation, costumes & economy of expressions.

27.04.16 : Inter House KhoKho Competition

'Life is like a KhoKho game moving around in circles not knowing who will touch you when'

Kho-Kho ranks as one of the most popular traditional disciplines in India. The mainstay of the game is that rules are simple and require minimal infrastructure thus making it inexpensive yet enjoyable. Dodging, feinting and bursts of controlled speed make this game exciting and thrilling. To catch by pursuit - to chase, rather than just run- is the capstone of KhoKho. To promote sports friendly environment and inculcate all the above-mentioned qualities in our students, QVS organised an Inter House KhoKho competition on 27th of April, 2016 in the school premises for classes III to XII. The spirit of healthy competition among the four houses was quite evident. The queens of QVS participated with great fervour and exhibited their well-developed motor and coordination skills.

25.04.16: CLASS V Inter Class Chance to Dance: Solo Dance Competition

“Life is dance, sometimes you lead... sometimes you follow.”

Dance is the visual representation of the tradition, culture and music of a society. Varied dance forms are the reflection of the intermingling of devotion and art. Dance festivals and competitions have always been a platform to promote existing and novel talents and bring to the forefront the true form of this art.

With the aim of honing the dancing skills of the students, an Inter-Class Dance Competition was organized by Queen's Valley School for the students of class V on April 25, 2016, in the school campus. They came all dressed up for the occasion in their splendid costumes. The Queen's set the floor on fire and enthralled the audience by their captivating and scintillating performances on their favourite numbers. The fun filled extravaganza offered a wide variety of dance forms. The spectators bore witness to the enthusiasm and energy of the young Queen's and applauded their effort.

25.04.16: CLASS III TOONANZA: DEPICTION OF CARTOON CHARACTERS

“Disneyland will never be completed. It will continue to grow as long as there is imagination left in the world”

Walt Disney

Cartoons are an essential part of every childhood. They are, certainly, the most popular source of entertainment for children. With the help of cartoons, kids can learn about the world around them, about new emotions, life issues and other important things. They are associated with humour and fun. Important messages or values can be easily understood when it comes from characters that children love. They act as effective communicators. Keeping this in mind a ‘**Toonanza Competition**’ (depiction of cartoon characters) was organized in the Cultural Hall of QVS for classes III.

The students dressed themselves as their favourite cartoon character and dramatized their roles. A preliminary round for the same was conducted in their respective music and dance periods and the best students were chosen from each class. The selected students were given the opportunity to dramatize before a cheering audience and the esteemed judges. It seemed as if Disneyland had come to the school when we saw young queens dressed as Mickey Mouse, Popeye, Superman, Chhota Bheem, Doremon, Shizuka, Tom and Jerry etc. The event acted as a confident booster for our queens. It was a great learning experience for participants as well as for the audience. The competition was a huge success.

The Winners are:

NAME	CLASS-SECTION	POSITION
Meenal Raghav	III A	First Position
Shivika Manocha	III E	Second Position
Chetna Pawar	III C	Second Position
Diya Kapoor	III E	Third Position
Sweekriti	III G	Third Position

22.04.16: CLASS VII-C SPECIAL ASSEMBLY, EARTH DAY

**“Earth provides enough to satisfy every man’s needs,
but not every man’s greed.”**

Earth day celebrates our planet and the life that it provides for all living beings. We humans often forget that without the vital necessities our planet gives us, we would not be able to survive. The air we breathe, the water we drink is all here for us every moment of the day but we take it all for granted and keep polluting our Mother Earth.

Every year 22 April is celebrated as Earth Day. The students of class VII-C took the initiative and celebrated the same in the form of a special assembly. Students started the assembly by singing the school prayer. It was followed by the English thought, Hindi and French thought. The News and a few amazing facts gave us more information. A skit was presented on how we can save our earth from getting deteriorating day by day. Exemplary theatrical as well as dancing skills were displayed by the students in front of an enthusiastic audience.

Through the assembly, the students were successful in delivering the message of preserving and protecting our planet. They talked about the simple yet effective ways one can follow and save the earth. The assembly was enjoyed and appreciated by all. The students performed with utmost zeal, and it proved to be a learning experience for them.

The aim of the special assembly, to make our students aware of their environment and the need to protect it, was achieved.

21.04.16: CLASS VI SOUL OF MUSIC, GROUP SINGING COMPETITION

“Music binds soul, hearts and emotions”.

It is known fact that music is the best method of relaxation. In order to develop a love for music among the students, an Inter-Class Group Singing Competition was organized on 21st April, 2016 at Queens Valley School for class VI. An audition round was held and children were selected from the respective classes by the music teacher. The songs selected reminded us of our rich cultural heritage. Each group showed their mastery over voice modulation, rhythm and other important aspects of singing. The students sang with confidence and spread an aura of pleasant harmony which captivated the audience. Children gave a sizzling performance and enthralled the audience with their melodious songs. This fun-filled activity witnessed an enthusiastic participation of the students.

The final judgement was made by the judges Ms. Kuhu Mohan and Ms. Monica Sahdev. The judges lauded the singing talent of the students and advocated that music plays an instrumental role in inculcating humane virtues and getting rid of vices and social evils.

21.04.16 : CLASS VII INTER CLASS NATYASHASTRA: SOLO DANCE COMPETITION

Yatho Hasta thathoDrishti, YathoDrishtithathoManah YathoManahthathoBhaava, YathoBhaavathatho Rasa — Natyashastra

The NāṭyaŚhāstra is a detailed compendium of technical moves pertaining to all performing arts, notably dance, music and literary traditions in India. It is also notable for its aesthetic Rasa theory which asserts that the primary goal of arts and aesthetics is to transport the individual in the audience into another parallel reality, where they experience the essence of their own consciousness, and get an opportunity to reflect on spiritual and moral questions.

In keeping with its aim of promoting reflection and introspection in students, and at the same time, inculcating the spirit of healthy living, Queen's Valley School organized Natyashastra: Folk Dance Competition for the students of class VII on April 21, 2016.

The event helped to develop respect for ancient Indian dance forms in students, as well as helped them to understand the importance of the hybridisation process in dancing which allows unity and diversity to coexist. They were judged on the basis of technique, style, innovation, costumes and economy of expressions.

The result is as follows:

19.04.16: CLASS IV Saaz Aur Awaaz: Solo Instrument / Vocal Competition

“Music gives soul to the universe, wings to the mind, flight to the imagination and charm and gaiety to life.”

- Plato

Music fuels the creativity of the mind. It is a great tool for memorization. It has a universal language with no boundaries. It helps to communicate one's feelings in the purest form. It takes us on a journey where time seems to stand still. In order to give our students such a mesmerising experience, Saaz Aur Awaaz competition was organized for Class IV on 19th April 2016. The students exhibited their talent and pleased the audience.

The Cultural Hall of Queen's Valley School came alive with the applause for the students of class IV when they filled the air with the melody of their songs. The students sang a variety of songs like songs for children, patriotic songs, devotional songs etc. The melody, rhythm and their sweet voice appeased the senses of the audience. The competition was organized in two rounds: preliminary and final. Only the students selected in the preliminary round participated in the final round. They were judged on the basis of rhythm, melody, selection of song, confidence and presentation. The competition helped to build the confidence of the participants. It was indeed a treat to watch them showcase their talent.

19.04.16: Class VIII ACT-O-MANIA:DUMB CHARADE (BOOKS & AUTHORS)

“All the world's a stage, and all the men and women merely players; They have their exits and their entrances, And one man in his time plays many parts.”

- William Shakespeare

Word Games are a great way to build language, literacy, and counting skills in students. They can also help improve motor coordination skills, reinforce critical thinking and problem-solving skills, and teach children about winning and losing, taking turns, and team work. Acting games are a fantastic tool. They also help students get comfortable, warmed up and focused and also develop important skills required for acting and performing.

A game in which words or phrases are represented in pantomime, sometimes syllable by syllable, until they are guessed by the other players is called Dumb Charades. Dumb Charades involves explaining the phrases or the name of the movie, a personality, a book or a TV show, etc. through acting. This is one game that can really add lots of excitement and fun to the learning process in a student's life.

On the 19th April 2016, an Intra Class Act-O-Mania (Dumb Charades) Competition was organized for class VIII. This was a theme based activity for them on the topic- Books and authors. As we say, “a picture speaks a thousand words”, our students conveyed their ideas about books and authors without uttering a word. The game helped them to become familiar with the names of books (indirectly encouraging the reading habit) and enhance imagination. It was a fun event which was enjoyed by one all. The activity was conducted in three different rounds and each team was allocated time to enact and find out the assigned books and authors.

The scoring was done by awarding 10 points to the team for each successful guess of theirs within the timeframe (1 min.). The team from class VIII won with 50 points.

18.04.16 : TALENT HUNT

“Use your talent in any way you can. Don’t keep it for yourself like a miser. Spend it like a MILLIONNAIRE!”

- Lucy Mac Donald

In a bid to give wings to children to pursue their dreams and unravel the creative talent QVS organized a Talent Hunt Week for the students of Classes I and II from 18th April to 22nd April 2016 to teach the students about ‘creative education’, to recognize the talents of its queens and to make them ‘competent, confident and versatile’. The students came up with performances in the fields of public speaking, vocal and instrumental music, colouring, best out of waste and dance. The competition was held over a period of four days. There was a scintillating display of the prowess of the li'l queens. Their effort enthralled the audience as well as their teachers. Our queens put their best foot forward and left a lasting impression on the minds of their teachers and gained appreciative applause from them.

13.04.16 : CLASS VI-XII Inter House Judo Competition

"It is okay to not win a medal in a Judo Tournament, because you still beat everyone who lacked the courage to compete."

Judo is an art because it is a method of arriving at self-realization and true self-expression. It is also a science as it implies mastery of various laws of nature: gravity, friction, and momentum. It also cultivates the quality of sportsmanship, which lies in playing a game according to its rules and accepting defeat with a positive spirit.

Keeping in mind the safety and security challenge being faced by growing girls these days, Judo has been incorporated as an essential part of co-curricular learning at QVS. To evaluate their level of learning and to assess their strength, an Inter Class Judo Competition was held in the school on 13th April 2016 amidst a cheering crowd of enthusiastic spectators. The girls displayed amazing techniques and spell bounding use of arms and legs to overpower their opponent and put up an interesting show.

12.05.16: Inter House Badminton Tournament (VI-XII)

“Success is where preparation and opportunity meet.”

Sports are very important in everyone’s life as they inculcate pleasure, health, discipline, happiness, self-control and sporting spirit in learners. Through sports one can learn students’ physical co-ordination and social lessons about winning and losing. The importance of sports in the life of a young student is invaluable and plays a pivotal role in the makeup of a young athlete, especially in the middle school to high school years where student athletes are much more mature and mentally developed. Sports help in learning values like discipline, responsibility, self-confidence, sacrifice, and accountability.

Keeping the spirit alive, Queen’s Valley School organized a Badminton Tournament for the students of classes VI-XII on 12 May, 2016. Its objective was to develop in the students a sporting spirit and enable them to display their physical prowess. Famous Indian badminton players like – Prakash Padukone, Saina nehwal, Pullela Gopichand, Chetan Anand, etc. were a source of motivation for the young queens. The participants were injected with incalculable energy and stepped ahead boldly. All the participants as well as the spectators turned it into a successful event with their undying spirit and enthusiasm.

Our students showed an exemplary performance and the following emerged as winners.

Winners for Classes VI-VIII:

Name	Class-Section	House	Position
Pranati Naithani	VIII A	Truth	First position

Winners for Classes IX-XII:

Name	Class-Section	House	Position

11.05.16 : CLASS VI-XII INTER HOUSE BASKETBALL COMPETITION

“The strength of the team is each individual member. The strength of each member is the team.”

- Phil Jackson

Sport is an essential part of the curriculum which inculcates sportsmanship, discipline and team spirit in students. Keeping this in mind, Queen’s Valley organised Inter Class Basketball Tournament for the students of classes VI – XII on 11 th May 2015 and was met with great enthusiasm by the whole school.

Its objective was to develop in the students a sporting spirit, a venue to display their physical prowess and gain hands on experience for future. Basketball is a team sport. The fundamentals include working on the little things that make you better -- no matter what team or coach one plays for -or what offense or defense one is running. For example, by working on the fundamentals of shooting, one will get better no matter what team we play for. The fundamentals of shooting include proper foot alignment, leg bend, hand position, arm angle, and follow through. These are some of the little things that make a difference. The same goes for lays ups, foot work, post play, passing, jab steps, jump stops, pivoting, blocking out, and so on.

The day was scheduled to begin at 8 am where the students gathered in the basketball court. All the required arrangements were made and the students participated with great fervour. During the two days of the prelims, the basketball court at Queen’s Valley was packed with spectators and it was a nail biting sports bonanza which kept the audience hooked to their seats. The players played at their best. The students enthusiastically displayed fair play which was a wonderful experience.

The winners are as follows:

06.05.16-10.05.16 : Investiture Ceremony (2016-17)

A democratic body like the students' council voices the concerns and opinions of students, and empowers them with a sense of liberty accompanied with responsibility. A good students' council introduces activities and projects which act as testing ground for novel ideas which in turn, have the potential to lead the way to constructive change by balancing the long-term initiatives of past with the impending needs of future.

In order to prepare students to participate more fully in all facets of democratic life, the institution commemorated the spirit of the Indian Constitution by involving all students from classes IX –XII in the selection of the students' governing body. Technology was employed as an effective means to initiate the students in understanding the transparent and accountable nature of our democratic institution. In order to make the procedure voter-friendly the webpage displayed the photographs and names of all the candidates. The exercise empowered the students to intensively participate in decision making process and helped to inculcate the values of responsibility, academic integrity and exemplary moral conduct.

The Investiture Ceremony held on July 13th 2016, marked not just the formal announcement of giving away of titles to the newly elected students' council but also reasserted the belief that the reigns of maintaining a disciplined environment have been entrusted in competent hands. The ceremony was a significant step towards the fulfillment of our aspiration to see our students evolve into responsible individuals- individuals who value dignity of labour and display firmness of mind.

The ceremony commenced with the felicitation of the members of the students' council by the venerable Principal. This was followed by the students taking an oath of sincerity, dedication and transparency in discharging their duties and a reiteration of the significance of the school motto. The event concluded with the Principal's words of wisdom as she encouraged not only the members of the council to channelise their unbounded potential in a deeply engaging manner

06.05.16-10.05.16 : “Imagination is the soil that brings dreams to life.”

Queen's Valley School organized an **Inter-Class “MOVIE MANIA-MOVIE MAKING ON RENDEZVOUS WITH MACHINES”** competition for all the students of class X .

We at QVS believe that students should increase their skills and capabilities and enhance their learning experience. As a step to achieve this aim an Inter-Class competition was organized using Windows Movie Maker from 6th May to 10th May 2016. The Windows Movie Maker offers a number of effects and transitions to work with and is a perfect tool to create movies and photo slide shows. Students produced captivating movies on the given topic using a variety of options and movie making concepts. They were quite imaginative and creative in their skills. The event not only gave a chance to show their talent but also acted as a confidence booster for our queens. The creations of our queens were highly appreciated.

The winners-

NAME	CLASS	POSITION
MANSI MOHITA	X C	FIRST POSITION

10.05.16 : SLIDE GEEKS! : Give Your Writing an Eye-Appeal

“It always seems impossible until it’s done”

- Nelson Mandela

Queen's Valley School organized **SLIDE GEEKS! : Give Your Writing an Eye-Appeal** (PPT competition) for all the students of classes VI, VII and VIII on the 10th of May' 16. The topic on which the students were expected to make the presentations was “Save an Ailing Planet “. A Quiz to test the students’ skills at handling MS. PowerPoint was organized as the preliminary round for the said competition. One student from each section of classes (VI-VIII) was selected for the final round.

The relevance of the topic and the medium through which it was explored gave our queens a platform to showcase their skills. The students were supposed to include a combination of text, audio, still images, animation, or interactivity content forms.

The queens made most of the unique interface offered by the software to bring out the tussle between the print and the non- print media as it is evident today. It brought to the fore the importance, advantages as well the limitations of the two kinds of media with respect to the learning opportunities that each one of them can offer.

WINNERS:

NAME	CLASS-SECTION	POSITION
Laavanya	VII B	First Position
Rishika Bandyopadhyay	VII D	First Position
Murika Bajaj	VIII D	Second Position
Koyna Krishna Jha	VIII C	Third Position
Shubhi Srivastava	VI B	Third Position

09.05.16 : CLASS III-V INTER CLASS TRIGGER THE WIZ-QUIZ COMPETITION

The advent of the computer has proved to be a tremendous boon to humanity. Computers have made a massive difference to the various industries. They are being used in every field and we need to be masters in the subject. These days, computer skills are a necessity.

To check the familiarity of our queens with computers an Interclass “Trigger the Wiz- Quiz Competition” for classes III, IV and V was organized on 9th May, 2016. The response of the queens was extremely heartening. The Preliminary round of the competition was held in respective classes and the selected student from each section moved up to the final round which had multiple rounds and was held in the Cultural Hall. Through this competition the princesses not only gained knowledge but also improved their competitive skills.

The winners are as follow:-

06.05.16 : कक्षा -सातवीं ब विशेष प्रार्थना सभा, प्रकरण - रबीन्द्रनाथ टैगोर “युगपुरुष”

“संगीत दो आत्माओं के बीच के अनंत को भरता है.”

विश्वविख्यात कवि, दार्शनिक और साहित्य के क्षेत्र में नोबल पुरस्कार विजेता रबीन्द्रनाथ टैगोर, बांग्ला साहित्य के माध्यम से भारतीय सांस्कृतिक चेतना में नयी जान फूँकने वाले युगपुरुष थे। वे एशिया के प्रथम नोबेल पुरस्कार सम्मानित व्यक्ति थे और ऐसे एकमात्र कवि थे जिनकी रचनाएँ दो देशों में राष्ट्रगान स्वरूप आज भी गाई जाती हैं। भारत का राष्ट्र-गान “जन गण मन” और बाँग्लादेश का राष्ट्रीय गान “आमार सोनार बाँग्ला” गुरुदेव की ही रचनाएँ हैं।

रबीन्द्रनाथ टैगोर जयंती के उपलक्ष्य पर क्वींस वैली के प्रांगण में कक्षा सातवीं की छात्राओं द्वारा रंगारंग कार्यक्रम प्रस्तुत किया गया। जिसके अन्तर्गत रबीन्द्रनाथ टैगोर की जीवनी व रचनाओं का विवरण दिया गया। छात्राओं के प्रस्तुतिकरण ने सभी को भाव विभोर कर दिया।

रबीन्द्रनाथ टैगोर उन विरल साहित्यकारों में से एक हैं, जिनके साहित्य और व्यक्तित्व में अद्भुत साम्य है। अपनी कल्पना को जीवन के सब क्षेत्रों में अनंत अवतार देने की क्षमता रबीन्द्रनाथ टैगोर की खास विशेषता थी। इसी विशेषता को छात्राओं ने अपने कौशल द्वारा जीवंत रूप प्रदान किया अर्थात् छात्राओं ने रबीन्द्रनाथ टैगोर जी की प्रमुख रचना काबुलीवाला पर विशेष नाट्य मंचन किया।

छात्राओं द्वारा रबीन्द्रसंगीत की प्रमुख धुनों पर उत्साहपूर्वक नृत्य प्रस्तुत कर सभा को संगीतमयी बना दिया गया। अंत में राष्ट्रीय गान के साथ विशेष प्रार्थना सभा का समापन किया गया।

रबीन्द्रनाथ टैगोर का वैश्विक मंच पर मानवता का मूल्य निर्धारण करने वाला सार्वभौमिक विचार आज भी विचारणीय है।

“भारत के इस अनमोल रत्न को हमारा शत-शत नमन”

UNE: TEACHERS' WORKSHOP

Good teachers form the foundation of good schools and improving teachers' skills and knowledge is one of the most important investments of time. It is vital for a teacher to improve her teaching skills so that children can learn and comprehend the concepts in the utmost clear and interesting way. To facilitate this goal, the faculty of Queen's Valley School attended a series of workshops for development of its teachers on a both personal and professional level.

Personality Development by Promise

The first workshop was held on 20th June'16 by Mr. Kamalneet Singh, a soft skills trainer with Promise. The aim of the workshop was to help teachers incorporate a positive attitude in their daily lives for effective stress management. He laid emphasis on the motto- 'People who SMILE tend to teach, manage, and sell better' in order to tackle unpleasantness in a more positive and productive way.

The Art of Story Telling by Kathashala

For centuries story-telling has been used as a powerful communication vehicle. It is also useful in nursing education to enhance self-esteem, develop critical thinking, model behaviour and to teach cultural sensitivity and communication skills. In order to teach how a simple story can be used as a teaching-learning tool to make complex concepts simple, a story-telling workshop for teachers was organized on 21st June, 2016. It was conducted by Ms. Simi Srivastava, Founder Director and a story-teller from 'Kathashala.' The teachers were tutored to narrate stories with proper voice modulation, facial expressions and gestures.

Voice and Accent Training

Voice training aims to create an optimal and healthy voice for broadcasting, singing, acting and speaking. In spite of significant strides made by technology, our voice continues to remain the primary tool of communication. To hone the teachers' communication skills, an interactive four day training workshop for the teachers from 22nd June-25th June, 2016 was organised. It was held by Ms. Anubha Sehgal, a renowned voice and accent trainer who focussed on speech clarity, enhanced vocal dynamics and expressiveness and effective articulation. She also stressed on the need for teachers

to continuously strive to improve their vocal energy, voice quality, texture and tone.

Theatre Workshop

Learning is multi-sensory. It means that the involvement of more number of senses does not just result in better assimilation of knowledge but improves retention as well. Keeping the same in mind, a two-day workshop (23rd June-24th June, 2016) on performing arts was delivered by Mr. Hemant, a skilled theatre professional. His aim was to stimulate the creative impulses of the teachers through various theatre activities. The workshop focused upon the fact that when the teachers dramatise or emote and also involve students in role plays, it invigorates the students, thereby producing better learning outcomes. The teachers also learnt to utilise basic theatrical elements like theme, plot, spectacle and character in their teaching curriculum.

Female Health Awareness

In the present scenario, due to the stress of juggling a home and career, women are facing a lot of difficulties associated with their health. Lack of proper physical workouts and intake of unhealthy food are the prime reasons for the drastic deterioration of their health. On 27th June, 2016, Dr. (Maj) Harshita Surange, a qualified Radiologist and Ultrasonologist, visited QVS to impart her expertise on female health awareness for a lifetime of wellness. In her session, Dr. Surange stressed on the need to adopt a healthy lifestyle to prevent the feeling of helplessness against potentially deadly diseases such as cancer. She also advocated the need for regular vaccinations and advised the faculty to maintain personal hygiene to combat fatal viruses.

Professional and Personal Development by Times NIE

It is imperative for a professional to enhance and groom one's outer and inner self to bring about a positive change to his/her life. Each individual has a distinct persona that can be developed, polished and refined. Thus, to help the teachers reach the pinnacle of success by being the best version of themselves, a workshop on 'Personality Development' was organized. The resource person, Ms. Shoma Guha, a trainer with Times NIE, shared various valuable tips that teachers must embrace in order to maximize their potential.

Workshop on Behavioural Problems among Students

A workshop on behavioral problems among students was taken up by Ira Sehgal, a renowned counsellor with NIE on 30 June, 2016. With changing times, behavioural issues have become very common among the students today. Telling lies, playing the blame game, being emotionally weak, intolerant, aggressive and argumentative and using derogatory language are only a few to name. Some important tips were shared to tackle the students tactfully without losing their confidence. Special emphasis was laid on teaching the students to cope with conflicts in their lives and to increase their productivity by leading them towards the right direction as the children of today will be the future of the country tomorrow.

Books & Beyond- QVS Book Talk

Books are a man's best friend. They enlighten us and remove darkness of ignorance. Ralph Waldo Emerson rightly said that if we encounter a man of rare intellect, we should ask him what books he reads. QVS organized a 'Book Talk' for its faculty members, spanning from 20th June- 29th June, 2016. The teachers were encouraged to read books of their choice during the vacation with the point of view of reviewing it among their fellow teachers, post vacation. Our teachers turned up with reviews on books which were followed by a healthy discussion and appreciation. The genres ranged from biographies to fiction, paranormal to spiritual and mystery to romance. This exercise turned out to be a big source of dissemination of knowledge and encouragement to develop the habit of reading within us.

Teaching Demonstrations

It is important for a teacher to continue to gather knowledge and keep a scope for improvement. It should be our personal focus as committed professionals. So, in order to enrich the teaching skills of the faculty, the school conducted a series of teaching demonstrations from 20th June- 30th June, 2016, wherein the teachers got a chance to witness different teaching methodologies in the form of creative and innovative sessions and demonstrations. It also gave them a chance to experience classroom teaching from the other side of the table, as a result, giving way to constructive feedback and an opportunity to foster growth.

21.06.16 : INTERNATIONAL YOGA DAY

Yoga is a vision for a harmonious future for humanity.

- PM Narendra Modi

21st June 2016: Yoga is a holistic way of life that integrates the body, mind and soul. Along with the series of effective postures and breathing techniques, the art of yoga puts emphasis on the inner experience of meditation for the well-being of mind and other hidden elements of human existence. As a result of this, the journey through life becomes calmer, happier and fulfilling.

On the occasion of International Yoga Day, the personnel and students of Queen's Valley School were enthralled with the unique opportunity to enhance their existing yoga training with a procedural understanding of the asanas as an integral part of an organization's daily activities. Deriving motivation from the initiative taken by the honourable Prime Minister of India, the institution aimed at inculcating structured and systematic techniques to understand and effectively practice Yoga asanas in order to lead a physically, mentally and psychologically healthy life.

The benefits of practicing yoga and its significance in the personal and professional growth of teachers were discussed at length. The students, on the other hand, performed the exceptionally intricate asanas like Dhanurasana, Garbhasana, Gomukhasana and Matsyasana with commendable ease and effortlessness and thus proved their efficiency in varied fields of learning.

Through their performance, the Yoga practitioners emphasized the fact that Yoga is a way to freedom and by its constant practice we can free ourselves from fear, anguish and loneliness. All participants were motivated to adopt this healthy way of tranquil living which also enables one to have a lucid understanding of the self, as aptly written in The Bhagavad Gita: **"Yoga is the journey of the self, through the self, to the self."**

29.7.16: CLASS X Inter Class Brochure Making Competition: **TIMELINE OF INVENTIONS**

Invention is the root of innovation. Innovation is the major force for change in the future.

- Philippe Kahn

The world as we know it today is convenient and fun to be in because of certain inventions which have made all the difference from being medieval to being. In an era of constant innovation and discovery, we may not realize that most inventions take years to develop.

Queen's Valley School organized an Inter Class Brochure making competition: 'TIMELINE OF INVENTIONS' on 29th July, 2016 as a part of Science and Technology Month. The participants worked in groups to make unique and attractive brochures that highlighted the key dates and relevant data of major scientific inventions which provided fast information via timelines. Specific facts were seen at a glance with concise and accurate details of various inventions of world significance. Participants used pictures, images, cut outs from papers, magazine etc. to make the brochure eye-catching. It was a very informative experience and helped to widen the range of students' knowledge. The students were excited to showcase the best of their work. All the brochures displayed unique illustrative styles and the competition witnessed an enthusiastic participation by the students.

29.07.16: CLASS VI-XII Inter Class Yoga Competition

“Yoga adds years to your life and life to your years.”

- Alan Finger

As Sri Sri Ravi Shankar says, “Health is not a mere absence of disease. It is a dynamic expression of life – in terms of how joyful, loving and enthusiastic you are.” A person is healthy when he/ she is not just physically fit but also mentally and emotionally balanced.

A regular practice of yoga helps to relieve stress, boosts immunity and improves concentration. It increases flexibility and gives a better posture. A calm and relaxed mind helps us to cope with stressful situations by taking right decisions. It regulates adrenal glands and increases blood flow to all the organs of the body.

Realizing the importance of yoga in our daily life and to develop a habit among our students to practice yoga everyday, Queen’s Valley School organised a yoga competition for the students of classes III – XI. A prelim round was taken and the students were tested on the basis of their front bending, back bending and balance. The best student from each class was chosen for the final round. The final round took place on 26 July 2016 for classes VI - XI and on 29 July 2016 for classes III – V. The students who performed paschimottanasana, dhanurasana and chakrasana with proper posture and maximum flexibility along with good balance were declared as winners.

28.07. 16: विशेष प्रार्थना सभा विषय - विश्व प्रकृति संरक्षण दिवस कक्षा - सातवीं 'अ'

प्रकृति का न करें हरण, आओ बचाएँ पर्यावरण।

वर्तमान में कई प्रजातियाँ, जीव-जन्तु और वनस्पतियाँ विलुप्त होने की कगार पर हैं। इन्हीं विलुप्त होते जीव-जन्तुओं और वनस्पतियों के संरक्षण के उद्देश्य से विश्व प्रकृति संरक्षण दिवस (WORLD NATURE CONSERVATION DAY) की संकल्पना की गई थी।

‘पर्यावरण’ शब्द ‘परि+ आवरण’ से बना है, जिसके अन्तर्गत वायु, जल, भूमि, पेड़-पौधे, जीव-जन्तु, मानव व उसकी विविध गतिविधियों के परिणाम आदि सभी का समावेश होता है। विज्ञान के क्षेत्र में असीमित प्रगति तथा नए आविष्कारों की स्पर्धा के कारण आज का मानव प्रकृति पर पूर्णतया विजय प्राप्त करना चाहता है। इस कारण प्रकृति का संतुलन बिगड़ रहा है। औद्योगिकीकरण और शहरीकरण के कारण प्रकृति का लगातार दोहन हो रहा है। अतः इस पर्यावरण दोहन के कुछ दूरगामी दुष्प्रभाव हैं, जो अत्यन्त घातक हैं। स्वच्छ वातावरण, एक शांतिपूर्ण व स्वस्थ जीवन जीने के लिए बहुत आवश्यक है। पर्यावरण के संरक्षण से ही धरती पर जीवन का संरक्षण हो सकता है। इसी बात को ध्यान में रखते हुए विश्व प्रकृति संरक्षण दिवस के उपलक्ष्य पर ‘क्वींस वैली विद्यालय’ के प्रांगण में विशेष प्रार्थना सभा का आयोजन ‘कक्षा- सातवीं अ’ की छात्राओं के द्वारा किया गया। छात्राओं ने एक लघु नाट्यांश के माध्यम से प्रकृति दोहन व प्रकृति संरक्षण के ऊपर प्रकाश डाला। छात्राओं ने ‘पञ्चमहाभूतम्’ गीत पर नृत्य प्रस्तुत करते हुए अपने कार्यक्रम का शुभारम्भ किया। छात्राओं ने नाट्यांश के माध्यम से सबको इस विचार हेतु विवश कर दिया कि यदि प्रकृति का संरक्षण नहीं किया गया तो मंगल ग्रह आदि ग्रहों की तरह धरती का जीवन चक्र भी एक दिन समाप्त हो जाएगा। भावाभिव्यक्ति तथा भाषाभिव्यक्ति के माध्यम से छात्राओं ने इस बात पर भी प्रकाश डाला कि प्रकृति संरक्षण के लिए जन भागीदारी अत्यन्त आवश्यक है। पर्यावरण संबंधी एक गीत पर नृत्य प्रस्तुत करके इस कार्यक्रम का समापन किया गया।

अंत में निष्कर्ष स्वरूप यही कहा जा सकता है कि प्रकृति के संरक्षण के माध्यम से पर्यावरण को बचाया जा सकता है। अगर हमें पर्यावरण की गुणवत्ता में सुधार लाना है तो केवल एक ही उपाय है, सबको सम्मिलित करना।

महात्मा गाँधी ने भी कहा है “पृथ्वी सभी मनुष्यों की ज़रूरत पूरी करने के लिए पर्याप्त संसाधन प्रदान करती है, लालच पूरा करने के लिए नहीं।”

पर्यावरण का रखे ध्यान, तभी बनेगा देश महान।

28.07.16: CLASS IX, PAMPHLET MAKING ON “HEALTHY LIVING”

“A happy mind is a healthy mind, and a healthy mind is good for the body.”

– Dalai Lama

Good health is not just the absence of diseases, but involves healthy lifestyle, healthy mental attitude, and healthy ways of relating to all living beings and nature. But healthy living ways are harder to develop, though easier to live with. Inculcating healthy ways in our students has been a continuous effort at Queens Valley.

So, we at **QVS**, organized a ‘**Pamphlet Making Competition**’ for all the students of class IX on 28th July' 16 as a part of Science and Technology month. The aim of this competition was to develop awareness about healthy habits and ways of living among our students. Their imaginative and artistic skills added an edge to the competition. The competition was a success. Our queens participated with full zeal and made attractive as well as inspiring pamphlets on the theme given. The event gave them a chance to showcase their skills and encouraged them to follow healthy living habits.

The Winners:

Name	Class-Section	Position
Ankita Kumari, Ankita Arora Jaishree, Shaurya Singh Bhadauria	IX B IX D	First Position
Deepti, Harshita Goswami, Arushi Arora, Anushka Kaur	IX D	Second Position

28.07.16 : PRE-SCHOOL-PRE-PRIMARY PAGE TO STAGE RHYME RECITATION COMPETITION

Rhymes enjoy an undisputed importance in the life of any kindergarten student. Teaching of nursery rhymes not only develops speaking skills but it also helps children to express their feelings using facial expressions and gestures.

QVS organized 'Page to Stage' English Rhyme Recitation Competition for Pre-School on 27th July 2016 and for Pre-Primary on 28th July 2016 to enhance the oratory skills of the Queens. The children charmed their teachers and classmates with their poise and grace. They recited rhymes with confidence and enthralled every one with their articulation and memory skills. The result of the competition is as follows:-

25.07.16: CLASS VIII A SPECIAL ASSEMBLY, TOPIC : PED BACHAO, DHARA SAJAO

To sensitize and mobilize public opinion and to elicit their interest and active support for Saving Trees, the students of class VIII-A organized a special assembly on 25th July 2016. The assembly began with the school prayer conducted melodiously by the queens. After the prayer, the topic of the special assembly was introduced. Our queens showcased the importance of Trees through the medium of a Street Play followed by a song and dance. The street play showcased that cutting trees indiscriminately is not only harming our environment but also the wild animals who are losing their shelters. The assembly concluded with a dance on the song 'Save Trees'.

The involvement of the students in their different roles encapsulated the learning objective of the assembly.

The assembly fulfilled its purpose to mesmerize the audience and everybody appreciated the efforts put by the students of class VIII A by giving a huge round of applause.

25.07.16 : MIND OVER MATTER-SCIENCE QUIZ COMPETITION

"I love anything quiz related"

- Natasha Hamilton

The quizzes evaluate the knowledge, understanding and mental skills of the students irrespective of their ability to express it. In this way the assessment by quizzes is likely to represent the knowledge and understanding of participants in the subject covered by quiz more accurately. Because of large number of question included in the quiz, the performance of participants is less dependent on the probability of question on specific topics. Keeping all this in mind, QVS held a science quiz competition-Mind over Matter for class IV. The aim of the competition was to test the knowledge of the students related to science and create more interest for the same. The preliminary round of the competition was held on 15 July 2016. Students selected after the preliminary round took part in the final round on 25 July 2016. The final round had four rounds- identification, rapid fire, MCQ's and True or False round. It was a learning experience for the participants as well as for the audience. The audience too appreciated the efforts of our queens. At the end the winners were announced as mentioned below-

The Winners:

Name	Class	Position
Agnideeta, Anshika Raj, Manchint Kaur, Nupur Dutt	IV D	First Position
Amulya Sharma, Anika Gahlot, Manya Mehta, Tanushka Jain	IV B	Second position
Guntaas Kaur, Jiya Yadav, Shirin Moza, Uma Jangra	IV A	Third Position

23.07.16: Science Exhibition "INNOVENTIONS-2016"

"Imagination is more important than knowledge. Knowledge is limited. Imagination encircles the world."

"Science is taught to provide training in and knowledge of Scientific method, which is useful in the life pursuits. So this needs a School base of Science education". **Prof. H.E. Armstrong**

Visionaries know the power of perspective. Perspective changes everything. What we feel or think about something can dissolve or flip the other way round just by changing perspective. They are the ones who are willing to use their minds without prejudice and without fear to understand things that clash with customs, privileges or beliefs. New ideas grow in the minds of children. Exhibitions are opportunities where ideas will begin to bloom for the development of the world.

With an Endeavour to promote scientific attitude among budding young students, **"INNOVENTIONS"** was hosted by Queen's Valley School on 23rd July The event saw young enthusiastic participants from different classes putting up participatory exhibits comprising of innovative working models ,investigation based projects, showcasing the JOURNEY FROM FIBRE TO FABRIC through summarization, displaying their magic tricks by a magic show (SCIENCE WIZARD)and a COSTUME PARADE (Techno mania) . The exhibits by different students were indeed eye openers on various topics related to Hydroelectricity ,Rain alarms, solar Housing, Hydraulic Lift, Night Lamp, Electric candle, Electric fuse, purification of water by corn cobs. The exhibition was open to parents and they showed keen interest in the work of future scientists. The effort put in by the students were appreciated by all.

The exhibition covered the three main fields in Science, namely- Physics, Chemistry and Biology. It presented the students with a great opportunity to showcase their talent and bring out the 'Innovator' and the 'Inventor, in every young individual.

The principles of scientific inquiry, innovation and experimentation were brought to the forefront by creating exceptionally novel and utilitarian scientific models. The Exhibition was a huge success. Enthusiasm and effervescence overflowed amongst students, their teachers and parents!

21.07.16 : CLASS PRE-SCHOOL-PRE-PRIMARY : GARBAGE TO MASTERPIECE COMPETITION

Oh! What a delight it was to see a novel end product created during the Garbage to Masterpiece competition held in QVS on the 21st of July 2016 for Pre-School and Pre-Primary respectively. It was mesmerizing for the teachers to watch tiny creative hands working steadily to create a masterpiece. The Queens used simple waste products to create amazing new products. Most of them worked on their own and were able to maneuver pearls, bindis, crystal, tooth picks (to name a few things), beautifully to create the first masterpiece of their school life. The result as follows:-

20.07.16: CLASS VI-XI Inter House Sports Quiz

Life is a Sport, Make it Count.

– Anonymous

Sports activities and interests provide many positive opportunities for children. Good sportsmanship provides guidelines that can be generalized to classroom and lifelong achievements. Participation in challenging sports contests teaches children to love classroom challenges. They also teach children to function in a competitive society.

The advantages of participating in a sports quiz are that they not only help the students to amass ample knowledge and wisdom regarding sports but they can also appreciate the value of researching and learn how to work as teams. Quizzes enable students to think from different angles or simply 'to think out of the box' and on 'their feet'.

Keeping all this in view, an Inter-House Sports Quiz competition was held at Queen's Valley School, Dwarka for classes VI to XI on 20th July, 2016. The competition was conducted in two rounds. The preliminary round was conducted for all the students. Those who excelled went on to participate in the final round.

The competition was a success as the students participated in it with great zeal and zest.

20.07.16 : CLASS V- INTER CLASS SCIENCE WIZARDS: MAGIC SHOW

"Any sufficiently advanced technology is indistinguishable from magic."

- Arthur C. Clarke

The talented princesses of class 5 manifested their flair in the brilliant amalgamation of science with a streak of magic. It was a new and a nifty exposure for the students to explore the virtuosity of magic in the world of science. An interesting competition was organized where the students enjoyed the boring concepts of science with the tang of a magical background...."ABRA-CA-DABRA" and the young magicians performed a plethora of experiments and tricks which were based on mere concepts of elementary science, corroborating the finesse of the eclectic mixture of science and magic. The event was successfully conducted on 20th July 2016 and helped the students develop a foresight for the futuristic advancements in the contemporary era. The students enjoyed participating in the competition as much as the judges enjoyed observing it. It was undoubtedly, a very tough decision for the judges due to the tough and healthy competition amongst the young scientists with wizardly saga city. Of course, there were some who outdid and excelled in the competition.

18.07.16: Class VI Inter Class Innoventions – A Scrutiny of Science

"Everything is theoretically impossible, until it is done."

- Robert A. Heinlein

With a view to encourage and inculcate a scientific temper amongst students, QVS conducted an Inter-Class Model/Project Making Competition as part of 'Science and Technology Month' on 18 July, 2016 for students of Class VI. It was a platform for the students to exhibit, share and display their passion for science through interaction with peers and audiences.

During the competition, students got an exposure to various hand-on-activities around the scientific concepts. As the students emulated like scientists while demonstrating the projects using scientific principles, they learnt the values of inquiry, logic, critical analysis and experimentation.

The competition saw enthusiastic participants putting up their projects and models comprising of innovative working models like 'Cranky Skipper', 'Electronic Candle', 'Water Fountain', 'Simple Toy boat', 'Electric Fan' and 'Marker Pen Torch'.

18.07.16 : CLASS III INTER CLASS TECHNO MANIA COSTUME PARADE

Technology is best when it brings people together.

- Matt Mullenweg

We, at QVS, believe that the importance of technology in this rapid changing world is undeniable. This is due to the fact that in today's dynamic world, life without technology is meaningless. Therefore, QVS organised a competition 'Techno Mania', a costume parade, for children of class III to give them an opportunity to unleash the creative spark in them and come up with the most unconventional and ingenious conceptions on technology, spun with their wit and imagination. Children grabbed this opportunity to showcase the pinnacle of their potential at the Techno Mania - costume parade held on 18th July. Their passion for science and technology manifested itself in the form of zealous participation. Through this competition students gained knowledge and the audience and the judges were left mesmerized by the young students who walked the ramp in the most gorgeous dresses ever seen.

The Winners:

15.07.16 : L'il Picasso Colouring Competition

“The purest and most thoughtful minds are those which love colour the most”

Colouring is all about fun and self expression. QVS organized the L'il Picasso Colouring Competition for the queens of Classes I and II on Friday, 15th July, 2016 with the aim to enhance the creativity, eye hand co-ordination and self expression. Our queens looked pretty busy in their own world of colours and concepts. During the Competition, the queens explored their imagination while choosing the colours of their choice to colour the given pictures. They created a vibrant atmosphere and gave meaning to the phrase “Colour in a picture is like the enthusiasm in life.” The result was a kaleidoscope of colours and strokes. The enthusiasm shown by all the participants was mesmerising. Their effort and participation was appreciated by all.

The best performers are-

14.07.16 : CLASS VII Inter Class – SCIENCE CONSPETUS: Summarization Competition

Summarisation is a performing art, an outlet for self-expression, and a way of learning. It is an effective learning tool because it involves the student intellectually, physically, socially, and emotionally. It helps to develop the creative potential in the participants and develops critical thinking skills. It provides students with an outlet for emotions, thoughts, and dreams that they might not otherwise have means to express. A student can, if only for a few moments, become another, explore a new role, try out and experiment with various personal choices and solutions to very real problems-problems from their own life, or problems faced by characters in literature or historical figures.

“Science is the poetry of reality.”

Anonymous

As part of the same goal to infuse minds of pupils with the practical dimension of the learning process, an Inter class – SCIENCE CONSPETUS :Summarisation competition was organised for class VII on 14 JULY, 2016. Each class had to summarize the science chapter ‘Fibre to Fabric’. They learnt from each other through discussions and observation of each other’s performances. In the summarization, they used different props, which made it creative and captivating. The winners were selected through a gruelling process of judgement and were judged on the basis of content, stage presence, diction, intonation and props. The students performed with utmost zeal, and it proved to be a learning experience for them. It was an excellent display of talent and creativity. We hope that the contribution, sensitization, enthusiasm and awareness generated by our queens would encourage others in developing a scientific temperament as well. The children enjoy summarizing a topic using their gestures and body movements. This gave them a platform wherein they learn the lesson during the class without getting bored.

The Winners:

Class-Section	Position
VII A (All the Students)	First Position

14.07.16 : CLASS VIII INTER CLASS SLOGAN SINGERS: SLOGAN WRITING COMPETITION

“To keep the body in good health is a duty, otherwise we shall not be able to keep our mind strong and clear.”

- Buddha

Many of us do not realize, and often underestimate the importance of good health. Health, as they say, is wealth. However, health is not only about alleviating and being free from physical aspects of health. Exercise is extremely important to stay healthy both in body and mind.

Therefore, Queen's Valley School organized an Inter-Class **“Slogan Writing”** competition for all the students of class VIII on 14th July' 16 as a part of Science and Technology month.

Each section of class VIII was given a different topic to display their ideas and creativity. The topics given were - **Go Organic, Know Your Nutrients, Healing Herbs; Junk the Junk Food and Fitness First.**

The competition was held in their respective classrooms. Students wrote very attractive slogans on the given topics using a myriad of colours, chart papers and other decorative materials. All the students were quite imaginative and creative. The event not only gave them a chance to show their talent but also acted as a confidence booster for our queens. The creations of our queens were highly appreciated.

The Winners:

Name	Class-Section	Position
Sania Kataria	VIII B	First Position
Bhavya Saxena	VIII D	Second Position
Mehak Yadav	VIII A	Third Position

Astronomy Club students were given a unique scientific opportunity that enabled them to participate in a space mission through the Sally Ride EarthKAM (Earth Knowledge Acquired by Middle school students) Project, a NASA-sponsored education programme on 14th July 2016. Under this program, experts explained about the International Space Station (ISS) and EarthKAM projects and guided the participants to select a location of interest through the EarthKAM web interface, and then submit the request for photos.

Astronomy Club students got the opportunity to control a digital camera on board the International Space Station (ISS), and photograph locations of their choice on Earth from the perspective of space. During the process they gained exposure of tools such as Google Earth, and learnt about orbital mechanics and mapping.

Participants were fascinated after this workshop and felt a part of a real space mission. For many, being a part of this workshop was a once in a life time experience and they were excited to explore more about space and satellite missions. Students were enthralled to receive photographs especially clicked by ISS for them!

13.07.16 : SPACE Explorers Workshop on Rocket 1, 2, 3... Go!

A workshop named "Rocket 1, 2, 3... Go!" was conducted in Queen's Valley School on July 14, 2016 for students of grade 1 and 2. 84 Students attended this workshop. The duration of the workshop was 90 minutes.

In this workshop, Students came to know about the concept of action and through various activities. Through a simple balloon this principle was introduced to them, without actually stating the same.

They, then, recapitulated the concept while playing various games employing different gadgets like balloon rocket, balloon car, straw spinner and straw rocket in the spirit of competition.

Learning Outcomes of the workshop:

1. Students realised that rocket is a space vehicle.
2. Students learned about the concept of Newton's Third Law of law of motion i.e. action-reaction principle without actually stating it but through activity.
3. This principle was reinstated when they participated in various competitions like balloon rocket race, straw rocket race, balloon car race spinner activity with these gadgets working on Newton's 3rd law.

13.07.16 : WORKSHOP ON SMART VOCABULARY: MENMONIC USAGE AND FUNCTIONAL ENGLISH

One forgets words as one forgets names. One's vocabulary needs constant fertilizing or it will die.

- Evelyn Waugh

Human memory, in its limited ephemeral state, allows for the retention and storage of only limited vocabulary concepts, the ones which get processed over a period of time through usage and modification. In such a competitive scenario wherein deliverance of sophisticated vocabulary has become not just a norm but also a prerequisite for survival, it is significant to introduce innovative techniques of language learning. The contemporary times require not the application of gargantuan idioms to fabricate intelligence but the employment of interesting methods and techniques to incorporate meaningful vocabulary usage located beyond the limitations of prescriptive language teaching and learning.

To enable students to imbibe eloquent, yet simplified vocabulary in their regular language usage, Queen's Valley School organized a WOWCABULARY building workshop by Ms. Neha Wahi, certified behavioural trainer and specialist in Linguistics, Psychology, people and processes. The event took place on July 13 2016 in the Cultural Hall wherein a variety of innovative techniques were employed by the resource person to equip students to learn language through use of mnemonics, audio- visual support aid, hinglish and etymology. Mnemonics is a linguistic system such as a pattern of letters, ideas, or associations which assists in memory retention of useful terms and concepts.

The students participated enthusiastically and understood the significance of manifesting effective oratory skills through simply drawing the practical ingredient from the field of entertainment. The workshop helped them to look at language learning differently and reasserted the importance of effective language usage as a preparation into the larger urban world.

CLASS PRE-NURSERY – PRE-PRIMARY, LI'L PICASSO COLOURING COMPETITION

Colouring is all about fun and self expression. Little hands at work look pretty, holding a crayon, busy in their own world of colours and concepts.

Each one gives a different meaning to the picture in front of the eyes. That is how the princesses of Pre -School and Pre-Primary appeared, as they filled colours in the picture during the Li'l Picasso Colouring Competition held in QVS on 11.07.16. The aim of the competition was to give an opportunity to the children to showcase their colouring skills. The li'l queens took their time and did not seem to be in a hurry to complete the colouring. 31.08.2016 CLASS X : Democracy and Corruption (Debate Competition)

Is corruption the greatest challenge for democracy?

“It is better to debate a question without settling it than to settle a question without debating it.”

The beauty of democracy is that it crafts a space for discussions, deliberations and debating to reach a consensus. The process of debating or questioning starts when a child begins to speak and continues for the rest of her/his life. Unfortunately, at times this innate quality is not utilized to the fullest; as a huge mass just believes blindly in the words of others' without introspecting or pondering over it. Hence, they do not have their own opinion or views.

We live in the age of information where knowledge is power and debate is all about how to turn knowledge into power. It provides students with the opportunity to research a topic, work as a team, practice public speaking skills, and use critical thinking skills. The debate is one of the academic activities that give students creative room to express what they feel and think.

At QVS we believe in the holistic development of a child and what better than a platform where they can express their views on the given topic. On 31st August, 2016 the school organised a debate competition over the topic 'Democracy and Corruption' for Class X. It gave them a chance to feel proud of their abilities to debate in public and become better critical thinkers and communicators. Overall, it was an enthralling experience for the participants, students and teachers. The competition helped the students to improve their public speaking skills and gave room to their expression of thoughts.

The results are:

Name	Class	Position
Ishika Budhiraja	X C	First Position
Ananya Gaur	X B	Second Position
Nupur Singh	X A	Second position
Shruti Rana	X A	Third Position
Sanskruti Jagga	X B	Third Position

29.08.16: Report on Roleplay: Social and Religious Reformers

Human greed for power, authority and superiority has led to exploitative practices being adopted in different parts of the world. The so-called higher caste people would exploit the so-called lower caste persons; a white would exploit a black; a follower of one religion would like to downgrade other religions and males would tend to dominate females. Every country, in its history of evolution, has had numerous bright individuals who have lived and worked for the progress and upliftment of the downtrodden in the society; and due to their efforts, it became possible to abolish several extreme social evils such as racism, sati pratha etc.

The commendable work done by the great social and religious reformers of the world needs to be appreciated and thanked by all. And what better way than to let children emulate these famous and extraordinary men and women who, through their enlightened thinking and consistent efforts, have made this earth a better place to live in.

With this view in mind, the school organised an inter-class 'Roleplay competition on Social and Religious Reformers' for students of class 7 on 29th August 2016.

Students did an excellent job, dressed up in perfect costumes, in order to resemble and speak out the ideologies of Raja Ram Mohan Roy, Dr. B.R. Ambedkar, Vivekananda, Mahatma Gandhi, Anne Besant, Sarojini Naidu, Vinoba Behave, Martin Luther and Baba Amte.

The student audience had a great time cheering for their favourites and also guessing the winners in the end. It was a great learning opportunity for all present.

The results are:

NAME	CLASS-SECTION	POSITION
Naina Sehrawat	VII C	First Position
Prajna Gon	VII E	Second Position
Pratishtha Shukla	VII E	Third Position

26.08.16: Judo Zonals

Life is an unpredictable gift. Nothing feels better than knowing you can take care of yourself while facing unexpected situations. Being able to protect yourself in all situations is a confidence booster as much as it is a reassurance, a reassurance that can only be gained through the knowledge of self-defence.

Judo is more than knowing how to fight back against a physical attack. It not only develops your awareness and skills of assertion but it also enables you to deal with your fears and feel more empowered in life.

It was a matter of honour for Queen's Valley School to host the prestigious tournament of Judo Zonals for Zone 21 on 26th August, 2016. The Director of Education, Mr. Devinder Singh, was the Chief Guest for the day. He addressed the gathering with a few words so as to infuse the fervour of the moment into the young minds of the sport stars. The event was also attended by eminent dignitaries like the Zone SP, Ms. Roshni Gulati, the Zone Secretary Mr. NL Meena and the Zone Committee Member, Mr. Rakesh. Mr. Ravinder Dahiya, a revered member of the Judo Federation of India, who has refereed countless sports events at international level, was the referee of this tournament too.

For the opening ceremony, the queens of our school amplified the energy with their back to back dynamic performance on rhythmic beats demonstrating yoga, gymnastics and judo.

The QVS Judo Nationalists, namely, Niharika Negi, Manini Singh, Prachi, Nancy and Kanchan Bist, who have clinched various medals at different tournaments, were also commended for their hard work and efforts. With the meet declared open, the participants sought the blessings of their trainers and coaches and fearlessly stepped forward to display their prowess in the field of Judo. They showcased the best of their abilities and proved that this skilful martial art form produces advantages far beyond the winning of glittering trophies.

26.08.16: CLASS VI INTER CLASS INTERNATIONAL FOOD FRENZY COMPETITION

There is no love sincerer than the love of food

- George Bernard Shaw

Food is an essential part of international travel and anyone who passes from one country to another but only eats at the recognizable joints is definitely missing out on an important cultural experience. It is over a meal that we truly get to know the people who live in a country. Only by eating at that particular place we experience authentic flavours that are masked in the tourist areas of a country or a city. Friendships and business relationships are created over communal meals.

Queen's Valley School organized an Inter-Class **"INTERNATIONAL FOOD FRENZY"** competition for all the students of class VI on 26THth AUGUST'16 as a part of SOCIAL SCIENCE month. Each section of class VI was given the task of preparing cuisines from a country that they had been allotted.

The countries that were allotted to class VI were-India,Italy,USA,China,Brazil The competition was held in BIO TECHNOLOGY LAB. Students participated with great zeal and vigour which was quite evident in their presentation as they not only prepared the cuisines but also they performed on the traditional dance of their respective country and some of them even recited poems. The event not only gave them a chance to show their talent but also enabled them to know more about the various aspects of the countries all over the world. The creations of our queens was highly appreciated.

The winners are:

COUNTRY REPRESENTED	CLASS & SECTION	POSITION
Brazil	VI F	First Position
India	VI E	Second Position
USA	VI D	Third Position

18.08.16: CLASS IV FANCY DRESS COMPETITION - ENACT A MONUMENT

Monuments are a symbol of a significant time in history. Monuments represent life, death, success, and struggle. They have become as important to society as the events they represent. They bring history alive to new generations and memories to those who experience them firsthand. Monuments create a bridge between generations. We can get a glimpse of the past through these monuments with their elaborate superfluities and wonderful architecture.

In order to make our Queens familiar with the various historical monuments across the world and their importance, a fancy dress competition- Enact A Monument, was organized in the school for the students of class IV.

The prelim round was held on 8th August and the final round took place on 17th August. Children came dressed up as different monuments and spoke about their significance as well. They chose monuments such as TajMahal, HawaMahal, Statue of Liberty, EiffelTower and many more. Some of them carried a model of the same and others brought props associated with that particular monument.

They were judged on the basis of the choice of the monument, content, presentation and their dress or related props. A variety of monuments were chosen by the Queens and it seemed as we had a glimpse of miniature world under one roof.

Although all the Queens were looking spectacular but the winners of the day were-

NAME	CLASS	POSITION
Aena Verma	IV C	First Position
Ayana Singh	IV E	Second Position
Vijaya Rani	IV B	Second Position

12.08.16: CLASS III INTER CLASS SHOW AND TELL: FESTIVALS OF INDIA (FANCY DRESS)

Festivals promote diversity, they bring neighbours into dialogue, they increase creativity, they offer opportunities for civic pride, they improve our general psychological well-being. In short, they make cities better places to live.

- David Binder

With diverse religious and cultural backgrounds, India as a nation gets to celebrate festivals of different types. Festivals are associated with traditions, food and celebrations. This is what makes festivities in this country so special to experience. To salute the spirit of festivities, a Fancy Dress Competition titled 'Festivals of India' was organised on 12th August, 2016 for the Queens of class III.

The competition was meant to ignite the interest of the students in their country and teach them about our rich cultural heritage. The Queens participated enthusiastically in the competition and enthralled everyone with their performance. Their excitement was unmatched. It was an enjoyable experience for the participants as well as for the audience. The event acted as a booster for their confidence and creativity.

The effort made by our queens for their commendable performances was heartily appreciated. Queens were judged on the basis of their creativity, confidence, content and presentation.

The result of the competition is as follows:

12.08.16: CLASS V INTER –CLASS PPT COMPETITION (SAARC NATIONS)

SAARC is an economic and political organization of eight countries in Southern Asia. Historically it was a trade bloc for southern Asian countries. Some main objectives of SAARC that contribute to their societies is:

1. to promote the welfare of the people of South Asia and to improve their quality of life.
2. to accelerate economic growth, social progress and cultural development in the region and to provide all individuals the opportunity to live in dignity and to realize their full potential.

Its member states include Afghanistan, Bangladesh, Bhutan, India, Nepal, the Maldives, Pakistan and Sri Lanka.

Queen's Valley School organized an Inter-Class “SAARC NATIONS - a Power Point Presentation” competition for all the students of class V on 12th AUGUST 2016. The students included a combination of text, audio, still images, animation and interactive content forms to create astonishing power point presentations.

The relevance of the topic and the medium through which it was explored gave our queens a platform to display their presentation and multimedia skills which is an integral part of creating effective presentations.

Students produced effective presentations on the given topic using a variety of options and presentation concepts. They were quite imaginative and creative and managed to captivate the judges with their skills.

The winners are-

Name	Class & Section	Position
AKHILA MULUKUTLA	V-E	First position
NISHTHA BEJWAL	V-C	Second Position

TANVI SINGH	V-D	Third Position

10.08.16 : Independence Day Celebrations

Freedom in the mind, faith in the words, pride in our souls. Let's salute the nation on this auspicious day.

Independence Day celebrations at Queen's Valley School were colourful and high on spirits as the students of Classes IX and X showcased a rhythmic and patriotic show on the theme – 'An Ode to National Anthem' on 10th August, 2016.

The entire school joined their hands celebrated the completion of 70 years of India's hard attained independence. The celebration was presided over by our revered Chairman, Mr. S.K. Sachdeva and the other prestigious members of the Managing Committee.

To commemorate the sovereignty of our nation, Chairman Sir unfurled the symbol of our national pride, our flag. The beautiful spectacle of the fluttering flag conjured patriotic emotions among the spectators and gave them an opportunity to salute the heroic sacrifices of our freedom fighters with a hopeful heart and a smile that yearns for a better tomorrow.

After the flag hoisting ceremony, our Chairman addressed the gathering so as to infuse the fervour of the moment into the young minds of the student body. He conveyed the real motive behind celebration of such festivals and made us understand the importance of freedom and its essence in life.

The crescendo of patriotic fervour was initiated on a beatific note as the queens joined their hands in humble prayer to the Almighty. Following it was a musical ballad on the theme 'An Ode to National Anthem' that was showcased through an aesthetic blend of music and dance performances. Our national anthem 'Jan Gan Man', which has been saluted by billions of people for many years, was written by Rabindranath Tagore as a tribute to the unique diversity in India. Our queens succeeded in vibrantly showcasing this diversity and displaying the very essence of the different cultures of India, namely Punjabi, Gujarati, Marathi, Bengali etc.

The grand finale was performed on the unsung stanza of the anthem and was a spectacle to behold. It definitely made us realise that as long as we believe in our anthem and its sovereignty, we are empowered to rise against any thought or action intended to divide us. The honoured dignitaries released balloons to mark the release of age old chains and symbolise prosperity, progress and betterment of the nation.

08.08.16: CLASS VIII INTER CLASS CARICATURE MAKING: FAMOUS POLITICAL PERSONALITIES

We at QVS believe that art is the basic essence that makes the children more imaginative, hence giving them a liberal way of thinking rather than a restricted one. Art gives wings to children; it makes the world their play board, giving the power to create the unthinkable.

Keeping the same thing in mind we conducted an interclass caricature making competition of famous political personalities. The competition was held among the class VIII students on 8th of August 2016. We were amazed to see the way the queens performed. They were caricatures of various political leaders like Narendra Modi, ArvindKejriwal, Mamta Banerjee, Obama etc. The caricatures made by the Queens were amazing, thanks to their art teacher. Though it was very difficult to pick the winners but as it was a competition, winners had to be chosen.

Although the winners were chosen, but every queen gave a worth winning performance.

28.09.16 : Class III-C Special Assembly Report

At Queen's Valley, we believe that the school assembly is one of the most essential aspects of a school's curriculum. It powerfully nurtures the development of intrapersonal intelligence. It demonstrates the value of each individual pupil including their individual thoughts and abilities and provides each child with an opportunity to share the stage and gain confidence.

A Special Assembly of class III-C was organized on 28th September 2016 on the topic "**Honesty & Truthfulness**".

Values are personal qualities that each individual should possess in order to live harmoniously with others in a community. One important value that is essential in our day to day life is honesty. In essence, honesty and truthfulness always uphold integrity even when challenged otherwise. In life, there is always a way to be honest.

The students of III-C were dressed according to their roles. The students began the day by reciting the school prayer which was followed by the English & Hindi thoughts, English News, GK facts and Jokes also comprised a part of the assembly. Thereafter, the students dramatized a short skit on the same topic wherein they enacted various roles.

The Queens delivered their dialogues with great poise and perfection. It was a well conducted assembly and the queens gave the message that honesty and truthfulness are always rewarded. The assembly proved a good way to showcase their talent. Our queens looked beautiful in their eye catching costumes. Each one of them enjoyed their role. The sense of accomplishment was evident in each one of them as they mesmerized the audience with their speech and expression. Their performance was felicitated through a big round of applause by the audience.

The special assembly proved to be a great success and left a smile on everyone's face.

26.09.16 : SPECIAL ASSEMBLY – XII

“If we don't end war, war will end us. “

- by H.G. Wells

The Invisible Man is a science fiction novel by H.G wells published in 1897. Originally serialized in Pearson's Weekly in 1897, it was published as a novel the same year. The Invisible Man of the title is Griffin, a scientist who has devoted himself to research into optics and invents a way to change a body's refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse the procedure.

On September 23 and 26, students of all sections of Class XII presented a special assembly based on the sci-fi novel “THE INVISIBLE MAN”. The themes of the novel like Science and Humanity, GoodScience and Bad science were brought out beautifully in form of a radio show interviewing the author. Musically endeavored, the play gave a basic gist of the plot focusing on the character development through effective use of props and dialogue delivery.

All students participated in the assembly and displayed exemplary qualities like team work, passion and dedication. The script was written by the students and everybody took part enthusiastically to make it a success. In a bid to ensure maximum engagement the audience, the students had prepared a computer presentation for the backdrop, made use of light and darkness, produced sound effects, employed elaborate props and paid great attention to costumes. It was much appreciated by everyone. The activity helped the students to discover their creative potential and at the same time, made them explore the themes inherent in the novel. The play was finally concluded with a message of the importance of the constructive dimension of science as central to development.

21.09.16: CLASS III-V Inter Class Table Tennis Competition

“Learn from your defeat and you’ll be a winner.”

Education without sport is incomplete. The significance of sports in a child’s life cannot be overlooked. It facilitates the development of a child’s mind and body. It fosters team spirit, discipline, responsibility, self-confidence, sacrifice, accountability and encourages the development of social skills. Practising sport also helps the child to become increasingly autonomous and attain higher self-esteem. It instills confidence to resolve problems and face challenges.

Table tennis is a fun-filled physical activity, which is easy to play but difficult to master. Table Tennis improves hand eye-co-ordination and stimulate mental alertness, concentration and tactical strategy.

Keeping this in mind, Queen’s Valley School organized an Inter-class Table Tennis Competition for classes 3-5. The competition was conducted on 21st September 2016. The queens participated with great zeal and enthusiasm. They maintained the sportsmanship spirit throughout the game. The spectators enjoyed the game and appreciated the effort by cheering their friends.

The results of the competition are:

WINNERS:

21.09.16: Visit to the District Court

The South West District Legal Services Authority, with the approval of Ld. Chairperson, South West, DLSA organised a visit to courts for the students of Queen's Valley School, Dwarka on Wednesday, 21st September 2016. The students of class XII belonging to the Humanities and Commerce streams were taken to thirteen courts including a Mediation Centre, Traffic court and Mahila court among others.

The visit allowed the students to gain a firsthand experience of court proceedings as they sat through multiple hearings pertaining to various kinds of cases. It was followed by an interactive session wherein Sh. Bharat Chugh, Ld. MM (SW) elaborately discussed not only about their experience and related queries but also, the challenges and functioning of the legal system. The students benefitted greatly from the session as they realised the gravity of the responsibility associated with the profession in the contemporary scenario.

19.09.16 : कक्षा - पाँचवी, हँसी की फुहार हास्य कविता प्रतियोगिता

हँसमुख व्यक्ति अपने चारों ओर प्रसन्नता का संचार करता है।

छोटे-छोटे बच्चों की हँसी हो या किसी बड़े व्यक्ति के मुख पर आई छोटी-सी मुस्कान, दोनों ही पलभर में अपने चारों ओर प्रसन्नता का संचार करने लगती हैं। हँसमुख व्यक्ति अपने सम्पर्क में आने वाले प्रत्येक व्यक्ति के जीवन में सकारात्मक विचारधारा का स्रोत बनता है। कहते हैं ...हँसी न हो तो जीवन मिट्टी जैसा सख्त हो जाए। हँसी जन्नत को धरती पर ले आती है।

"जिंदगी में बहुत गम हैं, हर कदम पर हादसे ,रोज कुछ समय निकालो , मुस्कुराने के लिए"

आज हँसाकर रोगी का इलाज किया जाता है। हँसी-खुशी दोस्त मिलते हैं। जिन्दगी के पलों को यादगार बनाते हैं। सूरज की पहली किरण, धरती के असंख्य फूलों को हँसाती है।

इन सभी से प्रेरणा ग्रहण कर भारत की प्रगति में अपना योगदान देने हेतु सोमवार(19.9.16) को "क्वींस वैली विद्यालय" के प्रांगण में "हिंदी दिवस" के उपलक्ष्य में "हँसी की फुहार" हास्य कविता प्रतियोगिता का आयोजन किया गया। जिसमें कक्षा पाँचवी की छात्राओं ने भाग लिया। छात्राओं के उत्साह एवं उमंग ने प्रतियोगिता को सफल बनाया।

१४ सितंबर : क्वींस वैली स्कूल हिन्दी दिवस: विज्ञापन निर्माण

"हिन्दी भाषा" हिन्दुस्तान की शान है। हिन्दी भाषा में गंगा-सी तरलता और पवित्रता है तो हिमालय-सी सजीव व अडिग भी है। अन्य भाषाओं की अपेक्षा हिन्दी भाषा का कलेवर प्राचीनतम एवं विशाल है। अब हिन्दी भाषा केवल भाषा का ही रूप धारण न करके बल्कि आज के आधुनिक परिवेश में प्रसार-प्रचार तथा जनसंचार का सशक्त माध्यम भी बन गई है। इसीलिए पत्र-पत्रिकाएँ, समाचार पत्रों तथा विज्ञापन जैसे अनेक क्षेत्रों में हिन्दी भाषा ने अपना परचम फहराया हुआ है।

छात्राओं को हिन्दी भाषा के कुछ अनछुए पहलुओं तथा बहुआयामी महत्व से अवगत कराने के लिए "क्वींस वैली स्कूल" में हर वर्ष १४ सितंबर को "हिन्दी दिवस" के रूप में मनाया जाता है। इसी अवसर पर कक्षा दसवीं की छात्राओं ने विज्ञापन - निर्माण प्रतियोगिता में भाग लिया। इस नवीन एवं कलात्मक विषय ने सभी छात्राओं को अपनी ओर आकर्षित कर उत्साह के साथ भाग लेने के लिए बाध्य कर दिया।

12.09.16: CLASS III-XII INTER CLASS ROLLER SKATING

Roller Skating is travelling on surfaces with roller skates. It is a form of recreational activity as well as a sport. It is a lifetime fitness sport, well suited for both children and adults. It helps in building cardiovascular fitness and also contributes to the development of balance and coordination.

Queen's Valley School organised an Inter-Class Roller Skating Championship for the students of classes IX-XII on 22 August, VI-VIII on 26 August and for III-V on 29 August. Students participated with full vigour and zeal. The participants displayed fair play in an electrifying atmosphere. Stunning skating performances left the spectators as well as the judges speechless. The participants displayed their forte in various skating variations like quad roller skates, inline skates and tri-skates. They challenged each other with their impeccable speed and balance. The skill at display was a treat to watch. The championship was successfully organised and it gave our young athletes a great platform to exhibit their talent and hard work.

08.09.16: CLASS VIII, INTER-CLASS POETRY RECITATION COMPETITION

“Poetry is the journal of a sea, animal living on land, wanting to fly in the air”.

Poetry is the art of rhythmical composition, written or spoken, for expressing imaginative or elevated thoughts.

Beauty is the realm of poetry. The children enjoy the beauty of expression, thought, feeling, rhyme, rhythm, and music of words. Taking all these facts into consideration and to inculcate the art of poetry recitation in its queens the school organized an inter-class French poetry recitation competition for class VIII. It was organized to give a platform to our young speakers to recognize their talent and speaking skills. The topic given to the students was “RENDEZ-VOUS AVEC LE POESIE FRANÇAIS-A MEET WITH FRENCH POETRY”. Our queens participated earnestly in the competition. They came up with a number of poems and recited them with enthusiasm.

The judges were mesmerized on seeing the confidence and performance of the queens. It was extremely difficult for the judges to choose a winner.

07.09.16: CLASS III B - SPECIAL ASSEMBLY ON CLEANLINESS AND TIDINESS

It is rightly said "Cleanliness is next to Godliness." Cleanliness means keeping our body, mind and our surroundings clean. Cleanliness refers to the habitual acts of keeping the dirt away, to maintain good health, following both personal and environmental hygiene practices.

To enforce the importance of cleanliness, the students of class III-B presented a special assembly on cleanliness and tidiness on 7th September 2016. Students started the assembly by singing the school prayer. It was followed by the English and Hindi thought. The News and a few amazing facts were also presented. The skit was about a boy Mike who had a habit of littering around and how his mother made him understand the importance of keeping his surroundings and environment clean.

Exemplary theatrical as well as dancing skills were displayed by the students in front of an enthusiastic audience. Through the assembly, the students were successful in delivering the message of keeping our surroundings and environment clean. They talked about the simple yet effective ways one can follow to keep the environment clean like by throwing garbage in the dustbin, saving water and electricity etc. The assembly was enjoyed and appreciated by all. The students performed with utmost zeal and it proved to be a learning experience for them.

The aim of the special assembly, to make students aware of keeping our environment clean and the need to protect it, was achieved.

05.09.16: Teacher's Day Celebration

"If a country is to be corruption free and become a nation of beautiful minds, I strongly feel there are three key societal members who can make a difference. They are the father, the mother and the teacher."

- APJ Abdul Kalam

On 5th September, 2016 students of Queen's Valley School celebrated Teacher's Day with great exuberance while gratefully remembering and celebrating the birthday of a timeless teacher, the great educationist and the former President of India - Dr. Sarvepalli Radhakrishnan. His dream was that "Teachers should be the best minds in the country." Hence, Teacher's Day is very important for everyone, the students and even the parents, as the teachers lay the foundation for creating enlightened citizens for the nation.

Students always look forward to Teacher's Day with a lot of anticipation, for the sheer spirit of the occasion. Acting as teachers, they get a fair idea of the responsibility, so efficiently handled by their teachers. It requires a lot of hard work and dedication to be a good teacher and earn the affection of students at the same time.

Students of class XII got a chance to not only dress up as the teachers but also teach in classes allotted to them. Similarly, the students of class XI presented a cultural program that consisted of a vibrant array of performances like dance, music and drama. All the teachers were presented with a token of appreciation for their hard work and constructive support.

All the activities of the day made the teachers nostalgic by reminding them of their own school days. Over all, it was a celebration for everyone! The efforts put in collectively by the students to make it a memorable day for teachers were highly praised and appreciated by everyone.

29.11.16: CLASS VIII-C Nukkad Natak 'Jal Sanrakshan'

The wars of twenty –first century will be fought over water'

- Ismail Serageldin

Serageldin very aptly focuses our attention towards the alarming state of water scarcity which can lead to conflicts over water around the globe in the near future. Every country in the world today is aware about the importance of the natural resource called 'water', its multidimensional utility in our daily activities which keeps the Earth going. Is it possible for any one of us to imagine even a single day without water? Certainly, No.

Keeping this in view, the students of class VIII-C presented a **Nukkad Natak**(street play) on the topic '**Jal Sanrakshan**' (Water Conservation) on **29th November, 2016** in order to sensitize the audience regarding this crucial topic of saving water. It dealt with the issue in great detail covering the aspects such as over-population leading to rise in demand of water and causing acute water shortage, repercussions dearth of water, reckless usage of water resources by the masses, ways and means to safeguard this 'life saver' resource etc. The medium of street play was quite attention-grabbing as it evoked the interest of the audience towards this grave issue in a very entertaining way. Slogans such as '**Jal hai toh kal hai**', '**Jal se milta sukh apaar, mat karo isko bekar**' etc were raised on the stage, followed by a song and dance performance by the students.

The involvement of the students in their respective roles fulfilled the learning objective of the assembly and the audience was enlightened about their collective effort required in saving water. Everyone appreciated the efforts put in by the students with a huge round of applause. Such initiatives by the students are praise-worthy in awakening us from our apathy and negligence on such important issues related to life.

02.09.16: कक्षा -छठी - 'अ' विषय - गणेश चतुर्थी

**वक्रतुण्ड महाकाय, सूर्यकोटिः समप्रभः
निर्विघ्नं कुरु मे देव, सर्वकार्येषु सर्वदा ॥**

गणेश चतुर्थी भारतवर्ष में बड़ी धूमधाम से मनाया जाता है। इस दिन समस्त विघ्न बाधाओं को दूर करने वाले भगवान शिव और पार्वती के पुत्र श्री गणेश का जन्म हुआ था। उन्हीं के स्वागत के लिए यह पर्व मनाया जाता है।

इन्हें कई नामों से जाना जाता है। जैसे गणपति, लम्बोदर आदि। भारतीय परंपरा के अनुसार किसी भी शुभ कार्य के आरंभ होने से पहले इनकी स्तुति की जाए तो सभी कार्य भली - भाँति सफल हो जाते हैं।

हिन्दू पचांग के अनुसार प्रत्येक वर्ष **भाद्रपद मास के शुक्ल चतुर्थी** को यह पर्व मनाया जाता है। इस महापर्व पर लोग गणेश जी की मिट्टी की प्रतिमा स्थापित करते हैं तथा दस दिन तक विधिपूर्वक पूजा करते हैं। तदनन्तर अनन्त चतुर्दशी के दिन उस प्रतिमा का विसर्जन किया जाता है।

इसी के उपलक्ष्य पर क्वींस वैली के प्रांगण में विशेष प्रार्थना सभा का आयोजन किया गया। सर्वप्रथम गणेश वंदना द्वारा इस कार्यक्रम का शुभारंभ किया गया। तत्पश्चात गणेश संबंधी विशेष जानकारी प्रदान की गई। छात्राओं द्वारा एक लघु नाटिका भी प्रस्तुत की गई। अन्त में गीत पर नृत्य प्रस्तुत करके इस सभा का समापन किया गया। छात्राओं ने अत्यधिक उत्साह एवं हर्षोल्लास के साथ मंच पर प्रस्तुतिकरण किया। अंत में राष्ट्रीय गान के साथ विशेष प्रार्थना सभा का समापन किया गया।

28.10.16: CLASS VI SPECIAL ASSEMBLY

'Shadows of a thousand years rise again unseen, Voices whisper in the trees, "Tonight is Halloween!"

- Dexter Kozen

Halloween has its roots in the ancient, pre-Christian Celtic festival of Samhainor "End of Summer", which is celebrated on the night of October 31. The Celts believed that on this harvest festival the dead revisit the land of the living and that communal fire was needed to ward off all evil. Halloween comes from All Hallow Even, the eve (night before) of All Hallows day. Therefore, Halloween is the eve of All Saints Day.

A special assembly was conducted by the Students of Class VI Bof Queen's Valley School on the 28th October, 2016 on the occasion of Halloween. Witches, Zombies, Ghosts and Ghouls were seen in the corridors of Queen's Valley School. The audience was thrilled to see them walking on the stage in their scary and dreadful attire. The horrifying spirits singing and dancing on stage made the audience shiver.

After a captivating performance, the students imparted a powerful message to the audience- 'The Lord is my light and the one who saves me. I'm not afraid of anyone', left them spellbound.

26.10.16: Inter-Class Gymnastics Competition

“Everything is about your movements and precisions and timings, which is what gymnastics is about.”

- Shawn Johnson

Gymnastics is a sport involving the performance of exercises requiring physical strength, flexibility, agility, coordination and balance. Participation in gymnastics helps children become physically active, stay fit and healthy. Gymnastics helps students learn new skills by engaging the mind and body.

Keeping this in mind QVS organized an Inter-Class Gymnastics competition on 26.10.2016 in the school premises ensuring maximum participation and mesmerizing performances by the flexible queens of the school. The young gymnasts warmed up the stage with floor exercises, cart wheels, routines on the balancing beam and trampoline and rhythmic gymnastics. The audience was left spell bound as they witnessed a variety of difficult exercises.

They successfully proved that gymnastics helps children build a range of motor and coordination skills. Whether it is recreational gymnastics or competitive, skills learnt in gymnastics can benefit a child's overall development.

It dealt with the issue in great detail covering the aspects such as over-population leading to rise in demand of water and causing acute water shortage, repercussions dearth of water, reckless usage of water resources by the masses, ways and means to safeguard this ‘life saver’ resource etc. The medium of street play was quite attention-grabbing as it evoked the interest of the audience towards this grave issue in a very entertaining way. Slogans such as ‘**Jal hai toh kal hai**’, ‘**Jal se milta sukh apaar, mat karo isko bekar**’ etc were raised on the stage, followed by a song and dance performance by the students.

The involvement of the students in their respective roles fulfilled the learning objective of the assembly and the audience was enlightened about their collective effort required in saving water. Everyone appreciated the efforts put in by the students with a huge round of applause. Such initiatives by the students are praise-worthy in awakening us from our apathy and negligence on such important issues related to life.

04.11.16 : CLASS XI THE CANTERVILLE GHOST

“Death must be so beautiful. To lie in the soft brown earth, with the grasses waving above one’s head, and silence to listen. To have no yesterday, and no tomorrow. To forget time, to forgive life, to be at peace.”

- Oscar Wilde (The Canterville Ghost)

The Canterville Ghost (novel) written by Oscar Wilde is a parody featuring a dramatic spirit, Sir Simon and the Otis family living in the Canterville Chase. It is a ghost story with an inverted plot wherein the ghost instead of scaring the family gets scared himself. Oscar Wilde’s genius is visible in how he has skillfully brought the theme of love being stronger than death and life, to the fore.

Students of all sections of class XI conducted a special assembly on this novel from 27th October, 2016 - 4th November, 2016. They enthusiastically took up the entire work right from writing the script to producing it along with finalizing costumes, making boards, preparing a presentation for the backdrop, using props, etc. on themselves.

Their hard work paid off well as the assembly was a huge success. The audience was enthralled by the students’ performance. Students exhibited laudable traits like teamwork, passion and dedication. This activity not only helped them explore their talents but also helped them understand the novel thoroughly.

Oscar Wilde’s intended message of love being the strongest of all was beautifully portrayed in the assembly.

27.12.16: MATH QUIZ – REPORT

Mathematics as an expression of the human mind reflects the active will, the contemplative reason, and the desire for aesthetic perfection. Its basic elements are logic and intuition, analysis and construction, generality and individuality.

- Richard Courant

The Math Quiz tests one's knowledge of significance of mathematics in our day to day life, from finance to culture, religion to entertainment, in almost every aspect of life. Unlike any regular quiz, the math quiz hosted by Queen's Valley School on 27th February was unique in itself, comprising of fun and entertaining interactive sessions. It provided an opportunity to the young quizzers to light up their grey cells while having fun at the same time.

In the Preliminary Round the students were asked questions based on logical reasoning and basic mathematical concepts. Seven teams consisting of 2 students each from Class III and IV contested in the final round. The quiz comprised of different questions extracted from different topics such as:

- Reasoning
- Shapes
- Shopping
- Round The Clock

The brightest and the most sagacious minds battled it out to be the ultimate winner.

23.12.16: कक्षा - सातवीं 'ई' विशेष प्रार्थना सभा 'किसान दिवस'

**'छत टपकती है उसके कच्चे घर की,
फिर भी बारिश की दुआ करता हैवह'**

किसान हमारे अन्नदाता हैं। हमारा जीवन उनके बिना अधूरा है। यदि वेना हो तो संसार अन्न से वंचित हो जाए। खेती बाड़ी ही उनके जीवन का आधार है। अपना खून-पसीना बहा कर व अनेक पारिवारिक और सामाजिक समस्याओं का सामना करते हुए भी वे अपने दायित्व का निर्वाह करते हैं। उनका यह समर्पण प्रशंसनीय है। उनके इसी समर्पण भाव को कक्षा सातवीं 'ई' ने क्वींस वैली के प्रांगण में विशेष प्रार्थना सभा द्वारा प्रस्तुत किया।

छात्राओं ने बड़े हर्षोल्लास के साथ भाग लिया। कर्ज में डूबते हुए किसानों की जीवन व्यथा का अत्यंत मार्मिक व संवेदनशील वर्णन छात्राओं द्वारा किया गया।

चौधरी चरण सिंह जी ने भारतीय किसानों की समस्याओं को समझते हुए उनकी सहायता हेतु अनेक योजनाओं का गठन किया व छात्राओं ने अत्यंत सजीव चित्रण प्रस्तुत कर भारतीय किसानों की समस्याओं की विस्तृत झाँकी प्रस्तुत की। छात्राओं ने अत्यंत रुचि एवं आनंद के साथ प्रस्तुतिकरण किया।

22.12.16: KNOW THY AUTHOR/ POET- DUMB CHARADE COMPETITION

“Only the very weak-minded refuse to be influenced by literature and poetry.”

- Cassandra Clarke

Literature is a vital component of all languages. It provides pleasure and experience to its readers and listeners. It is not only relaxing but also helps to develop enthusiastic readers and improves achievement among students. Young learners can expand their horizons through vicarious experiences gained by reading books. They are also provided with a language model for the correct usage of the language. Thus, it supports all areas of the curriculum. The children get the opportunity to hone their listening skills, develop thinking skills and express their thoughts, feelings and reactions. Hence, one can say it's the foundation of life.

Keeping in view the importance of reading books for recreational purposes and to check the awareness of our students about the famous authors and poets in the English language, a dumb charade competition was organised for the Queens of class V on 22 December 2016, Thursday in the Cultural Hall. The motive being to allow students to express the name of the author/ poet through actions depicting some famous character, novel, story, theme or poem, so that other members of their team could guess the name right. A team of five members was selected in the preliminary round from each class based on their expression, knowledge and awareness about the different authors and poets. It was a treat to watch young Queens expressing the name of the author/ poet without uttering a word and making use of only expressions for the same. The audience cheered for all the participants with a loud round of applause.

07.12.16: AD LIBITUM EXPRESSION: EXTEMPORE COMPETITION

An extempore, as a stage performance carried out without preparation or forethought employs effective application of the technique of stream of consciousness and calculated expression.

In order to create impressive speakers by developing the essentials of public speaking, Queen's Valley School organised Ad Libitum Expression, an interclass extempore competition for students of class XI and XII on December 07, 2016. The event was aimed at triggering the creative skills of learners by spontaneously providing them with a plethora of thought provoking topics from the domains of education, psychology and environment, to social, ethical and visionary. The choice of topics was made taking into account the interest, learnability and feasibility of learners while sensitising them about the immediate environment and developing language skills. At the same time, it was an endeavour to encourage the students to indulge in the observation and analysis of the challenging issues they were presented with and to voice their ideas with precision.

To create a substantial level of connectivity with the audience, the speakers also engaged in a constructive discussion with them and thus enabled multiplicity of opinion to prevail.

Amidst loud cheering and appreciation of the efforts of all the performers by the audience, a really tough and close call on the results was taken. They were declared on the basis of content, diction, pronunciation, time limit adherence, spontaneity, confidence and stage presence.

05.12.16: INTER CLASS SPELL BEE COMPETITION

“An investment in spellings pays the best interest.”

- Benjamin Franklin

Spellings help lay the basic foundation that a child needs throughout his education and life. Spelling is important because it aids in reading. It helps cement the connection that is shared between sounds and letters. The Spell Check Competition not only provides a valuable educational experience for the child, but also allows them to engage in healthy competition. As **Linda Wood, an ex-judge at Scripps Spelling Bee** highlighted, spelling competitions do not merely involve rote learning of words. Rather, preparation for a competition is a comprehensive learning process that allows the child to learn the definition, pronunciation, and roots of the word.

The spelling competitions allow children to develop a range of cognitive skills including the ability to handle pressure. The learning process accompanying the spelling bee is likely to enhance the child's memory and allow the child to develop better learning skills, which can prove to be highly beneficial during higher education. A child's confidence level is usually boosted after entering into such competitions. So, keeping this in mind an Inter Class Spell Check Competition was organized in school on 9th December 2016. Initially, a prelim round was conducted on 5th December 2016 and accordingly students from each section were selected for the final round. Selected students were given a topic 'Natural Disasters'. A questionnaire was prepared, in which different questions (Jumbled Words, Tick the correct spellings, Insert the missing letters etc) related to the topic were asked.

Our Queens participated with great zeal and enthusiasm. The event acted as a confident booster for them. It enhanced their skills and gave them a chance to showcase their talent and knowledge.

The winners are:

FIRST POSITION	NISHIKA YADAV (III-C), DEVANSHI DAHIYA (III-F), AVNI WALIA (III-G)
SECOND POSITION	SNEHAL SAMAL (III-A)
THIRD POSITION	DIYA KAPOOR (III-E), ISHA GUPTA (III-G)

21-01-2017: ANNUAL FUNCTION AND ANNUAL PRIZE DISTRIBUTION

The Annual Function is a perfect platform to inculcate moral values and foster intellectual creativity in students through a well-rehearsed series of entertaining programmes.

The 21st day of January, 2017 brought with it a dazzling display of festivities as Queen's Valley School, hosted its ANNUAL FUNCTION AND ANNUAL PRIZE DISTRIBUTION' in the school grounds.

The theme of the Annual function was 'The Lost and Found happy Endings'. As the revered guests approached the stage amidst a shower of flowers, the proceedings for the day commenced. The gathering of guests comprised of honourable Chairman- Shri S.K. Sachdeva and members of the managing committee.

The programme initiated on a spiritual yet empowering note as the young queens sought the benediction of Goddess Saraswati with all humility and grace. They displayed an array of elegant movements, imploring the divine mother to remove all obstacles to wisdom and provide strength and refuge to those who seek to learn.

The revelries proliferated as our esteemed Chairman Shri. S.K. Sachdeva unfurled the national flag. A crowd of over 3,000 onlookers, standing together for the national anthem and pledging to stand united with the true Indian spirit, was a spectacle to behold. The significance of the moment was further enhanced by the prized thoughts of Chairman Sir, who encouraged the children to take a vow to protect this nation from the manacles of prejudice and realize their responsibility towards the society.

The release of the 4th Annual Edition of the school magazine- 'QUINTESENCE' was the next event. This souvenir, giving a panoramic view of all the wonderful moments and laurels of the school, was released by respected Chairman Sir.

Thereafter approached the most awaited event of the day- The Prize Distribution Ceremony-wherein certificates and trophies were conferred to the students for their tireless efforts in academics and co-curricular activities in the bygone session. The blessings of our guests not only invigorated them as winners but also stimulated the spectators to heartily

applaud their determination, toil and success. The trophy for the 'Best Wall Magazine' was bagged by Truth House whereas the 'Best House' trophy was claimed by Courage House.

Further, the school Principal, Dr. N. Sharma presented the Annual School Report, giving a significant account of the various achievements of the school and its meritorious students in the previous session. She highlighted the growth and vision of QVS, thanking the management for their constant support.

It was time to introduce the story tellers of the day! Mini and Bookasur embarked on a voyage in search of 'THE LOST HAPPY ENDINGS', presenting a harmonious ensemble of twisted fairy tales and an action packed fable titled 'KHALI BANA BAJRANGBALI'. This musical expedition concluded with a message for the masses, encouraging them to opt for sustainable development, thereby meeting the needs of the present without compromising the ability of future generations to meet their own needs.

The crescendo of patriotic fervour was set by our queens through a beautiful spectacle. The grand finale on the evergreen verse of 'Vande Mataram' recounted the stupendous saga of India's struggle to achieve freedom, reminding us that 'Every tale has an end, but in life every ending is a new beginning'!

The day's events were culminated by the release of tri-colour balloons by the esteemed guests. The effort, staging and management of the teaching and non-teaching staff were greatly applauded. A Vote of Thanks was proposed and all the guests and the parents were thanked for their benign presence and enthusiastic participation, making the day a resounding success.

06-02-2017: CLASS VI-VII: 'MIND STIMULATION LIVE – SUDOKU'

**Mathematics is the art of giving the same name to different things
(The brain is a wonderful thing to stretch.)**

Recreational activities have a great role in learning of mathematics. It helps to acquire competencies on mathematical concepts and skills which help in the all round development of a child. To mark February as 'The Month Of Mathematics', activities like Olympiads, Mathematical Rangoli, Poster Making, Quiz, Sudoku etc are taken up in Queen's Valley School.

As we are celebrating month of February as Mathematics month, students of CLASS VI and VII participated in MIND STIMULATION LIVE-SUDOKU COMPETITION wherein a tricky but interesting Prelim round was conducted on 6th February. Students were asked to solve a Sudoku which was a 3 by 3 grid of nine squares, each subdivided further into nine squares. A few squares contained numbers in them. Participants were required to fill in numerals from 1 to 9. They had to ensure that every horizontal and vertical line and every large 3 by 3 square should contain only one instance of each number. Two students from each section qualified round 1. Participants were judged on the basis of accuracy and time taken by them.

In round 2, the selected students were made to solve another complex Sudoku on 9th February and the best three students were declared as the winners of this final round.

09-02-2017: CLASS I & II ENGLISH CALLIGRAPHY

"The art of writing is the art of discovering what you believe"

By-Gustave Flaubert

Calligraphy is a cultural essence which must be handed down from generation to generation. It helps children to improve their gross and fine motor skill. It is a very good exercise for their eye and hand coordination. So, to enhance their presentation skills and to inculcate the habit of good handwriting among students, Queen's Valley School organized English Calligraphy Competition for classes I & II on 9.2.17. The Competition aimed to encourage children to write neatly in the Marion Richardson Script (school script) and present the content in proper manner.

The main objective of this competition was to motivate children to write neatly and to make students aware of correct formation of letters. All the students were excited to showcase their handwriting. The competition witnessed an enthusiastic participation by the students. It was very difficult to select the winners but some of them wrote more beautifully than the others. The judgment was done on the basis of good hand writing, accurate script and correct spellings.

The winners are:-

15-02-2017: CLASS III-E SPECIAL ASSEMBLY

"When you see a person without a smile, give them one of yours because Sharing is Caring"

At Queen's Valley, we believe that the school assembly is one of the most essential facets of a school's curriculum. It nurtures the development of intrapersonal skills and inculcates the qualities like devotion, dedication, team work in them. It demonstrates the value of each individual pupil including their individual thoughts and abilities and provides each child with an opportunity to share the stage and gain confidence.

A Special Class Assembly of class III-E was organized on Wednesday, 15th February 2017 on the theme – "Sharing is Caring".

The greatest gift you can give to yourself and everyone around you is the gift of caring and sharing. This small gift will allow you to see unlimited opportunities for yourself to achieve all your dreams and that there is enough abundance around to share opportunities with the people around you.

The more people you can help to get what they want, the easier it will become for you to get what you want.

This thought was represented by the students through the means of a story "The kindest giant".

The assembly came to an end with a dance performance of the Queens on the song "Sharing is caring for someone else".

The involvement of the students in their different roles encapsulated the learning objective of the assembly. Our queens looked beautiful in their eye catching costumes. The assembly proved a good way to showcase their talent. Their performance was felicitated through a big round of applause by the audience.

The special assembly proved to be a great success and left a smile on everyone's face.

22-02-2017: कक्षा-तीसरी, विशेष प्रार्थना सभा, विषय-उदारता

अनर्थ है कि बंधु ही न बंधु की व्यथा हरे,
वही मनुष्य है कि जो मनुष्य के लिए मरे।।

" मनुष्य की आत्मिक शक्ति का सबसे बड़ा शस्त्र उदारता है। "

मनुष्य की शारीरिक शक्ति से भी बड़ी उसकी आत्मिक शक्ति होती है और आत्मिक शक्ति का महत्वपूर्ण भाग है "उदारता"। क्षमा करने की शक्ति, सहनशीलता, विवेक आदि उदारता से संबंधित हैं और मानव चरित्र को सकारात्मक बनाने में यह महत्वपूर्ण भूमिका निभाते हैं।

"शक्ति से शक्ति की प्राप्ति होती है परंतु एक विशाल हृदय से अनेक हृदयों की प्राप्ति होती है।"

शारीरिक शक्ति द्वारा व्यक्ति केवल शारीरिक और भौगोलिक दृष्टि से विजयी होता है किंतु उदार हृदय द्वारा व्यक्ति हृदयों पर विजय प्राप्त करता है। महात्मा गौतम बुद्ध शांति, विवेक, सहनशीलता व उदारता का प्रतीक माने जाते हैं। उनका सम्पूर्ण जीवन मानवता के प्रति समर्पित रहा। इसी प्रकार महात्मा गांधी, स्वामी विवेकानंद ने अपने हृदय की उदारता दिखाते हुए मानवता का मार्ग प्रशस्त किया। भारतीय पृष्ठभूमि में अनेक ऐसी महान विभूतियों ने जन्म लिया जिनका चरित्र सम्पूर्ण विश्व के लिए उदारता का उदाहरण बना।

इन सभी से प्रेरणा ग्रहण कर कक्षा- तीसरी-(फ) की छात्राओं ने दिनांक:15.2.17(बुधवार) को विषय-उदारता के भाव को समझते हुए विशेष प्रार्थना सभा में "मिटटी का डला" नामक कथा का मंचन किया। छात्राओं द्वारा पात्रानुसार वेशभूषा एवम् उचित हाव-भाव के प्रदर्शन ने सभी दर्शकों का मन मोह लिया। छात्राओं के उत्साह, हर्ष व मनोबल ने इस विशेष प्रार्थना सभा को सफल बनाया।

31-03-2017: WINDING UP THE SESSION 2016-17(STORY TELLING COMPETITION)

As long as there have been people, there have been stories. Stories make up our history and guide our future. They can teach morals- the values that the author of the story thinks people should live by. They can teach history. They can entertain us. They can make us think of things in ways we have never thought of them before. They can make us laugh. They can make us cry. Telling stories is a large part of what makes people connected to each other.

With the aim of inculcating the habit of reading, listening and sharing stories, the school organized Kathakaar- the story telling competition for the princesses of Pre-School and Pre-Primary. Children enjoyed narrating moral stories.
