

27th November, 2021

Queen's Valley School, Dwarka
Parental Circular for class Pre -School
Mathemind Competition

"Pure mathematics is, in its way, the poetry of logical ideas."

Dear Parents,

QVS is organizing a 'Mathemind Competition' to enhance the logical thinking skills of our children.

The child has to create a scene using as many shapes known to her. Then you need to make a video of her holding the scene and explaining the shapes used to create the scene.

Please make a note of the following:

- Parents may provide a pre- drawn sheet, however colouring and pasting of all the shapes needed, to make the scene has to be done by the child.
- The child has to speak for maximum 1 minute in English.
- The audio in the video should be loud and clear, without any background noise.
- The **video** should be labelled stating the **Name, Class and Section**.
- Along with the video, do send a photograph of your child while performing.
- You need to mail us at_

Paramita.Dutta@queensvalleyschool.in (for class PS A)

Puja.Mehrotra@queensvalleyschool.in (for class PS B)

Anshu.Sareen@queensvalleyschool.in (for class PS C)

by (Wednesday , 15th December 2021).

JUDGEMENT CRITERIA: Originality, Presentation, Clarity of speech and Confidence.

Looking forward to your cooperation

All the best.
