

**QUEEN'S VALLEY SCHOOL**  
**CIRCULAR FOR CLASSES IV to IX**

Dear parent,

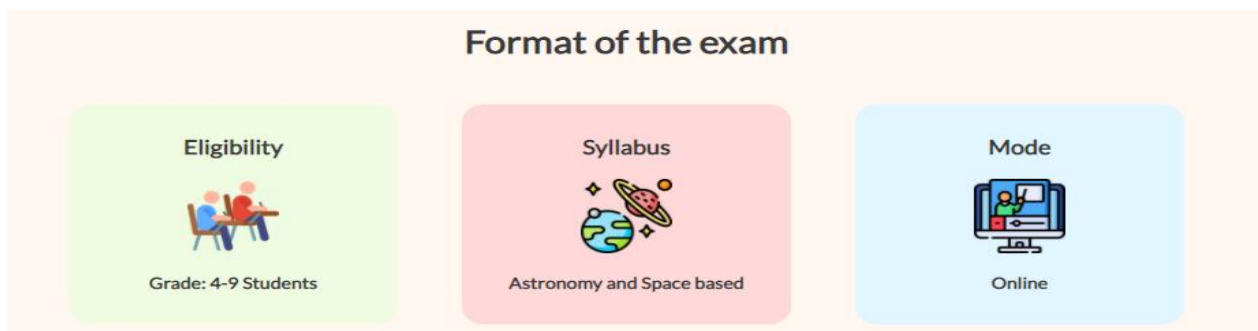

We are pleased to inform you that our school is participating in **the National Astronomy Challenge (NAC) 2021 organized and conducted by STEM RESEARCH & INNOVATION, India**. NAC is the largest Olympiad on Astronomy and Space Science, with a participation of more than 25,000 students from over 250 schools across 15 countries to date.

It is a learning platform that encourages the younger generation to associate with 21st Century domains like Astronomy and Space; and inspires them to emerge as the next generation of Astrophysicists, Aeronautical engineers, Rocket Engineers, Scientists, and Researchers.

**PARTICIPATION CRITERIA:-**

- Students of Grade IV (4th) to Grade IX (9th)

Note: - Extending more knowledge this year, NAC offers a bouquet of unique programs to create an everlasting experience for the participants. Participants will get the opportunity to go through a month-wise engagement journey with activities like – Conversation with Astronomers, Scientists and Academicians, Hands-on Workshops, Webinars, Quizzes and a lot more.

**REWARDS AND RECOGNITION:-**

- **The NAC Champions:** Get an opportunity to visit ISRO Facility at Sriharikota and meet inspiring leaders and academicians.

- **The NAC Champions** would represent their school, along with their school coordinators, for a 3-days experiential astronomy camp and award felicitation at Chennai.
- **3<sup>rd</sup> and 4<sup>th</sup> rank holders:** Exclusive membership to Cosmic Kids Club, for 3<sup>rd</sup> and 4<sup>th</sup> rank holders across all grades. Cosmic Kids Club is an exclusive platform for students to enhance their knowledge on space and science. With planned activities throughout the year, the students learn directly from astronomers and experts from the industry.

**CERTIFICATION:**

- Merit Certificates: Each participant will receive a Merit certificate if they secure 75 percentile and above in the NAC exam.
- For all students: Certification of participation to be given to every student.

**PARTICIPATION FEE:** - INR.520/- (Rupees Five Hundred Twenty Only)

**Note: -**

- Last date of registration is December 20, 2021.
- Students have to register directly on the link mentioned below.
- Payment will be made online through the link mentioned below.
- Each registered participant will be required to upload their school id (must have picture and current grade). If current year ID is not available, then last year ID will be applicable (must have picture and grade)
